Oakman, 2021-01-25 The Radical Jesus offers a companion to the author's previous article collection Jesus and the Peasants Even more than in Jesus and the Peasants these eleven chapters sharpen the focus on the political economic meaning of Jesus then and the deeper values embodied in him that perhaps are still pertinent for now Part One considers his activities and aims within the political economy of first century Galilee Part Two offers perspectives on the critical hermeneutical task of linking the values of Jesus and the Bible to a world that has undergone what Karl Polanyi called the Great Transformation Polanyi argued persuasively in his 1944 book that economy in the pre industrial age was embedded in social relations and served necessary social purposes while society after the Great Transformation became embedded within market capitalist economy to the detriment of social relations This book finds in sustained critical dialog with the Radical Jesus another transforming force and a guiding light toward a more humane economy and society that will serve human need rather than selfish greed *The Radical Teachings of Jesus* Derek John Morris, 2009 Jesus ignored human traditions and presented His listeners with God's truth Discover some of the radical ideas He taught that defied conventional wisdom and customs then and that continue to do so today **Radical** David Platt, 2010-05-04 New York Times bestseller What is Jesus worth to you It's easy for American Christians to forget how Jesus said his followers would actually live what their new lifestyle would actually look like They would he said leave behind security money convenience even family for him They would abandon everything for the gospel They would take up their crosses daily But who do you know who lives like that Do you In Radical David Platt challenges you to consider with an open heart how we have manipulated the gospel to fit our cultural preferences He shows what Jesus actually said about being his disciple then invites you to believe and obey what you have heard And he tells the dramatic story of what is happening as a successful suburban church decides to get serious about the gospel according to Jesus Finally he urges you to join in The Radical Experiment a one year journey in authentic discipleship that will transform how you live in a world that desperately needs the Good News Jesus came to bring *Radical Jesus* John Vincent, 2014-05-08

Radical Jesus by Dr John Vincent is a straightforward dramatic revelatory retelling of the story of Jesus in Mark's Gospel. Jesus appears exactly as he appeared to his own contemporaries and to his first followers as an exceptional highly original champion of the values of the poor developing an alternative faith lifestyle at the bottom of society and forming a community of followers whom he taught to act with his own freedom and commitment which he called Kingdom of God. Radical Jesus argues that Jesus still today represents a significant and potentially world changing style and method whereby real change can be pioneered by groups of committed entrepreneurial disciples following Jesus's Way. Our twenty first century contexts of social cultural and political choices evoke Jesus as Alternative Guru Master Blasphemer Politician and Journey Downward.

by elite liberal divines however and part of a larger struggle over the relationship between religion and civilization There were numerous reasons for this conflict but Burns argues that the primary cause was that key radical religionists used Ernest Renan s The Life of Jesus to create an imaginative brand of biblical criticism that struck a balance between the demands of reason and the doctrines of religion And this measured approach allowed Robert Ingersoll Elizabeth Cady Stanton Eugene Debs and other secular minded thinkers who sought to purge Christianity of its supernatural dimensions to still find something wonderful in the religious imagination and make common cause with an ancient peasant from Galilee This provocative blend of reason and religion produced a vibrant countercultural movement that spanned communities classes and creeds and makes The Life and Death of the Radical Historical Jesus a book that deserves a wide readership in an era when public intellectuals and politicians on both the left and right draw rigid lines between the secular and the sacred
