Return to Essence: How to Be in the Flow and Fulfill Your Life's Purpose Gina Lake,2007-02 Return to Essence describes how to get into the flow and stay there and how to live life from there Being in the flow and not being in the flow are two very different states One is dominated by the ego driven mind which is the cause of suffering while the other is the domain of essence the divine within each of us We are meant to live in the flow The flow is the experience of essence our true self as it lives life through us and fulfills its purpose for this life You will learn What the flow is how it feels and what you find there How the ego mind and conditioning keep you out of the flow How to get back into the flow How action talking knowing and choosing come out of the flow How to discover where the flow is going How to find and fulfill your life's purpose Exercises throughout provide an opportunity for practicing and integrating the understanding **Love and Surrender** Gina Lake,2014-09-28 Love and Surrender explains the important role that surrender plays in releasing us from bondage to our conditioning into the freedom and love of our true nature Surrender is the miracle that occurs when we are finally able to let

go and let things be as they are When this happens we are Home and love naturally flows to ourselves to others and to life This is our natural state and the direction and goal for every human life But how do we surrender In Love and Surrender Jesus as dictated to Gina Lake unveils this great mystery so that you can more easily live your life from a place of love acceptance peace and happiness This book is one in a trilogy of books by Jesus which includes Choice and Will and Beliefs Emotions and the Creation of Reality The books in the trilogy can be read in any order They are also available in a single volume called The Jesus Trilogy From Love and Surrender Surrender is the means by which you come to know Love or God Love and surrender are important because they bring you your deepest heart s desire as a human being You are meant to be happy to love to be at peace and to be free You are meant to move from fear contraction hopelessness anger victimization and hate to trust expansion strength courage joy peace and love This transformation comes about through surrender All of the spiritual practices ever invented are designed to accomplish this one thing Surrender is the boat that takes you from one shore to another from the limited human experience to the experience of the Divine incarnate This was my message in times gone by and it is my message today You are not only human but divine and you are meant to flourish and love one another

Being Happy (Even When You Don't Get What You Want) Gina Lake, 2014-02-28 We expect that getting what we want will finally make us happy but what we find is that it mostly just leads to wanting more or wanting something different Our desires toss us to and fro until we tire of this and begin to question the value of following our desires Being Happy Even When You Don t Get What You Want will help you understand desire and its purpose in your life It will also help you discriminate between your Heart s desires and the ego s and to relate to the ego s desires in a way that reduces suffering and increases joy By pointing out the myths about desire that keep us tied to our ego s desires and the suffering they cause Being Happy Even When You Don t Get What You Want will help you be happy regardless of your desires and whether you are attaining them So it is also about spiritual freedom or liberation which comes from following the Heart our deepest desires instead of the ego s desires It is about becoming a lover of life rather than a desirer A review from Neale Donald Walsch author of Conversations with God Conversations with God says that happiness is not getting what you want it is wanting what you get Others have made the same observation and in fact this thought seems to be as old as time Still it is good to hear it again to visit it once more to connect with the wisdom yet one more time And few books do as good a job as quickly of reconnecting us with that wisdom than this one by Gina Lake This book had a lasting impact on me I highly recommend it It offers a simple accessible articulate and interesting take on the very human experience of desire and gives us the tools to make clear choices about how we want to live our lives An excellent read This book was formerly titled Anatomy of Desire
