Gordon Melton, 1992 First Published in 1993 Routledge is an imprint of Taylor Francis an informal company **God's Church, God's Money, False Profits** M. L. Petty, 2011-09-28 For years I agonized over writing a book to address the many questions concerning God's church today The following are some of those questions and concerns Are you being deceived from the pulpit Does the church use offerings for God's purpose What is the pastor's salary and compensation Does your Pastor conform to or live like those in the world Are detailed financial statements distributed to each member Should you continue to give money to your church Are you sure that your church is the place for you to worship God After much prayer and study I felt the need to accept the challenge to address these questions in this book entitled God's Church God's Money False Profits It is with some trepidation that I approach these issues because for some the revelations may be uncomfortable to acknowledge or accept And for others they will find truth that will set them free John 8:32 **The Threefold Cord** James Alan Anderson, 2020-08-11 Despite an indifferent father and a mother who develops a serious mood disorder young twins Kevin and Robert and their younger brother Jonah experience an idyllic early life in rural Manitoba during the 1950s while in the loving care of their grandparents However that life comes to an abrupt end after their father converts to the esoteric

beliefs of the Radio Church of God a radical fundamentalist sect that preaches strict discipline in preparation for an anticipated end time worldwide cataclysm Forced to move back home to live with their parents the boys are victimized by their father s extreme religious fanaticism which for the twins includes indoctrination sessions beatings and confinement in a basement coal cellar Rather than giving in to their father s brutality and brainwashing efforts the twins remain strong and find clever ways to survive their circumstances and even thrive within them Determined to be their younger brother s keeper the twins and Jonah form an unbreakable bond a proverbial threefold cord It is a bond of mutual support for one another that enables them to better cope with their father s abusive and controlling behaviour Although fictional *The Threefold Cord* explores many of the real life beliefs and practices of the Radio Church of God and deftly examines the grey area between a cult and a religion between discipline and abuse and asks what it takes for a person to decide where those lines should be drawn
