Raiders from the Rings Alan Edward Nourse, 1967 *Raiders From The Rings* Alan E Nourse, 2013-04-12 We have watched your plants for millennia The creature that spoke was barely three feet tall with wrinkled gray skin and monstrous eyes Yours is a war of children Only children would slaughter each other out of ignorance and fear Only children would fail again and again to learn the lessons of their foolishness It was true The underground people of Earth were united in terror and desperation against what they considered a frightful threat from the skies They had sent a mighty armada into space rushing in lethal orbit toward Mars The Spacers still really Earthmen themselves were poised for the counter blow The great fleet at Asteroid Central had sufficient warheads to reduce earth to a cinder But we also know the greatness of your spirit the precious spark which we cannot allow you to extinguish Now Ben Trefon understood that in the Black Belt of Power bequeathed to him by his father rested the final hope of the human race **The Great Book of San Francisco Bay Area**

Teaching Tolkien's The Lord of the Rings and Other Works Leslie A. Donovan, 2015-10-01 A philologist and medieval scholar J R R Tolkien never intended to write immensely popular literature that would challenge traditional ideas about the nature of great literature and that was worthy of study in colleges across the world He set out only to write a good story the kind of story he and his friends would enjoy reading In *The Hobbit* and in *The Lord of the Rings* Tolkien created an entire world informed by his vast knowledge of mythology languages and medieval literature In the 1960s his books unexpectedly gained cult status with a new generation of young countercultural readers Today the readership for Tolkien s absorbing secondary world filled with monsters magic adventure sacrifice and heroism continues to grow Part 1 of this volume Materials introduces instructors to the rich array of resources available for teaching Tolkien including editions and criticism
