Researching Contemporary Paganism: an interview with professor of comparative religion Sarah M. Pike

Pesquisando paganismo contemporâneo: uma entrevista com a professora de religiões comparadas Sarah M. Pike

Celso Luiz Terzetti Filho*

One of the most prominent researcher in Contemporary Paganism in North America is Sarah M. Pike, professor of comparative religion and Director of Humanities Center of California State University in Chico. She is author of two important studies on this subject: *Earthly Bodies, Magical Selves: Contemporary Pagans and The Search for Community* (University of California Press, 2001); *New Age and Neopagan Religions in America* (Columbia University Press, 2004). Both works considered seminar ethnographic studies in the Pagan Studies field, being the first, the result of five-year ethnographic study of Pagan festival participants.

With the increasingly research on contemporary pagan groups in Brazil, become clearer the necessity to dialogue with scholars with a more accurate acquaintance and experience on this subject. In this sense, this interview with Professor Pike aims to present her main ideas for Brazilian researches interested in Contemporary Paganism.

1. Could you tell us how did you become interested on New Religious Movement, specifically Contemporary Paganism?

When I was in graduate school in the U.S. in the late 1980s and early 1990s, there was widespread misunderstanding of new religious movements that led to disasters like Waco in 1993 when an entire community of Branch Davidians was killed by American law enforcement agencies. While the Davidians were Christians, demonization of other groups, including contemporary Pagans, was common then. I was drawn to the study of new religions because it seemed urgently important to try to increase public understanding of religions considered strange or unfamiliar, especially in the news media and law enforcement. At the same time, I met some

* PhD in Study of Religions (*Religionswissenschaft*) (PUC-SP).

Researching Paganism Introduction

In today's digital age, the availability of Researching Paganism books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Researching Paganism books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Researching Paganism books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Researching Paganism versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Researching Paganism books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Researching Paganism books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Researching Paganism books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital

libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Researching Paganism books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Researching Paganism books and manuals for download and embark on your journey of knowledge?

FAQs About Researching Paganism Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Researching Paganism is one of the best book in our library for free trial. We provide copy of Researching Paganism in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Researching Paganism. Where to download Researching Paganism online for free? Are you looking for Researching Paganism PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Researching Paganism. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are

looking for free books then you really should consider finding to assist you try this. Several of Researching Paganism are for sale to free while some are payable.
