Nemesis S. D. Perry, 2000 Zombies Mutant animals Bioengineered weapons and surgically enhanced monsters Secret labs and widespread conspiracies It seemed impossible but Kill Valentine and her teammates among the S T A R S had seen it all firsthand when the Umbrella Corporation turned Raccoon City into a staging ground for the most insidious genetic experiments ever conceived After all she's been through

Valentine is ready to leave that remote mountain community forever But Umbrella isn't finished with Raccoon City Too much evidence of their unethical and immoral research still exists It must be recovered or destroyed and quickly before it can be traced back to Umbrella And with William Birkin's mutagenic virus already spreading through the city like wildfire drastic measures are needed Under cover of night mercenary teams have entered the city along with something else Umbrella's failsafe an evolved version of its Tyrant class killing machines a lethal creature codenamed Nemesis Now Nemesis is on the hunt And Jill Valentine is about to become prey

Science Fiction Video Games Neal Roger Tringham, 2014-09-10

Understand Video Games as Works of Science Fiction and Interactive Stories Science Fiction Video Games focuses on games that are part of the science fiction genre rather than set in magical milieus or exaggerated versions of our own world Unlike many existing books and websites that cover some of the same material this book emphasizes critical analysis especially the analysis of narrative The author analyzes narrative via an original categorization of story forms in games He also discusses video games as works of science fiction including their characteristic themes and the links between them and other forms of science fiction Delve into a Collection of Science Fiction Games The beginning chapters explore game design and the history of science fictional video games The majority of the text deals with individual science fictional games and the histories and natures of their various forms such as the puzzle based adventure and the more exploratory and immediate computer role playing game RPG
