Resilience Living In Prison With Martha Stewart:

Resilience Rhonda Turpin, 2005 At Alderson West Virginia Prison Camp Ms Turpin riveted daily with clat Martha Stewart forming a unique comity during Martha Stewart s five month stay Ms Turpin began with an intimate depiction of day to day life with Martha Stewart expanding her experience into a macro sociological view of penology Martha Stewart is Queen of the corporate business world Ms Turpin is a non profit Director and Community Activist Coming from two different echelons of life yet uniting in thought the two women came together for the same cause creating the pilot program Women Empowering Women taking internal activism to a new level **Reading Is My Window** Megan Sweeney, 2010-02-15

Drawing on extensive interviews with ninety four women prisoners Megan Sweeney examines how incarcerated women use available reading materials to come to terms with their pasts negotiate their present experiences and reach toward different futures Foregrounding the voices of African American women Sweeney analyzes how prisoners read three popular genres narratives of victimization urban crime fiction and self help books She outlines the history of reading and education in U S prisons highlighting how the increasing dehumanization of prisoners has resulted in diminished prison libraries and restricted opportunities for reading Although penal officials have sometimes endorsed reading as a means to control prisoners Sweeney illuminates the resourceful ways in which prisoners educate and empower themselves through reading Given the scarcity of counseling and education in prisons women use books to make meaning from their experiences to gain guidance and support to experiment with new ways of being and to maintain connections with the world *Women and White-collar Crime* Mary Dodge, 2009 The role of women in white collar crime has emerged as a major topic in the twenty first century but it remains a controversial and neglected area of criminological study *Women and White Collar Crime* explores the topic of women and white collar crime beyond any previous attempts by encompassing theoretical historical and critical accounts of female perpetrators victims and whistle blowers Through the examination of numerous real life case studies the book provides insight into the personal and societal characterizations of women who cross the line into elite deviance or become victims of corporate and occupational crime Book Jacket *White-Collar Scandals* Joshua Butler, *White Collar Scandals* Greed Deception and Corporate Crime Exposed peels back the layers of some of the most notorious corporate crimes in recent history revealing the intricate web of deceit and greed that drove these individuals to unimaginable acts From the infamous Ponzi scheme of Bernard Madoff to the accounting scandals that brought down Enron this book dives deep into the minds and motivations of the perpetrators exploring the power of ambition the allure of wealth and the consequences of ethical failures This gripping narrative goes beyond the headlines dissecting the intricate details of each case exploring the role of corporate culture regulatory failures and the impact on victims Through captivating storytelling and in depth analysis you ll gain an understanding of how these individuals seemingly driven by ambition and success orchestrated schemes that shook the financial world and left countless lives shattered This book is a must read for

anyone interested in True crime Learn the inside stories behind some of the biggest corporate scandals in history Business ethics Understand the complexities of corporate governance ethical decision making and the consequences of corruption Financial fraud Gain insights into the techniques and motivations behind some of the most notorious Ponzi schemes and accounting scandals The American Dream Explore the dark side of ambition and the consequences of unchecked greed White Collar Scandals Greed Deception and Corporate Crime Exposed will leave you questioning the boundaries of ambition the allure of wealth and the fragility of trust in the face of unbridled greed It s a powerful reminder that even the most successful individuals can be consumed by the darkness of deceit and that the consequences of their actions can have a profound impact on the lives of many

The Science and Art of Branding Giep Franzen,Sandra E. Moriarty,2015-02-12 This innovative work provides a state of the art overview of current thinking about the development of brand strategy Unlike other books on branding it approaches successful brand strategy from both the producer and consumer perspectives The Science and Art of Branding makes clear distinctions among the producer s intentions external brand realities and consumer s brand perceptions and explains how to fit them all together to build successful brands Co author Sandra Moriarty is also the author of the leading Principles of Advertising textbook and she and Giep Franzen have filled this volume with practical learning tools for scholars and students of marketing and marketing communications as well as actual brand managers The book explains theoretical concepts and illustrates them with real life examples that include case studies and findings from large scale market research Every chapter opens with a mini case history and boxed inserts featuring quotes from experts appear throughout the book The Science and Art of Branding also goes much more deeply than other works into the core concept of brand equity employing new measurement systems only developed over the last few years
