

A photograph of a family of five in a heated argument. On the left, a man in a maroon sweater points his finger towards the center. Behind him, a woman with long brown hair looks on with a concerned expression. In the foreground, a young girl with long blonde hair, wearing a pink jacket, is also pointing her finger. On the right, a man in a red shirt and a woman with blonde hair in a black jacket are looking towards the center. In the foreground on the right, a young girl with blonde hair in pigtails, wearing a light blue shirt, is reaching out towards the girl in the pink jacket. The background is plain white.

**Online Family Dispute Resolution** Elisabeth Wilson-Evered, John Zeleznikow, 2021-01-12 This book brings together the expertise of two authors involved in initiating the development of Online Family Dispute Resolution (OFDR), while also examining the unique Australian system. The family arena generally comprises property or child-related disputes arising between parents, whether married or not, and whether the parties have lived together or not. A special feature of Australia's OFDR system is that it deals with children's issues rather than focusing on property distribution. The book first discusses how technological innovations have transformed dispute resolution services to families. It explores the need for OFDR and how such systems can potentially be implemented. In turn, the coverage shifts to screening tools used prior to a Family Dispute Resolution session to ensure that online systems are appropriate for the case under dispute and the people involved. Readers will then learn about the necessary training required for administrators, practitioners, and clients alike for OFDR to be successful. In addition, the book offers a comprehensive evaluation of the system.

and reflects on the lessons learned to date In closing it suggests ways in which OFDR could be further developed and applied to family disputes around the world *Family Dispute Resolution from a Cultural Perspective* Buol Garang Anyieth Juuk,2023-07-26 Family dispute resolution is the central theme of this book The book contributes to the growing body of research on non Australian perspectives of South Sudanese settlement in Australia in a unique way while other researchers have highlighted several of the settlement problems faced by South Sudanese former refugees none have focused on the important issue of how family law problems are resolved This book will also make a vital contribution to our understanding of how the Australian legal system works or does not work within the context of legal pluralism Ultimately this book will strengthen our understanding of social integration and family well being of South Sudanese families and other groups in Australia **Family Dispute Resolution** Peter Salem,Kelly Browe Olson,2024 Family Dispute Resolution brings together some of the field s leading practitioners researchers teachers and policymakers to share their expertise and experience This overview of family dispute resolution processes and practices is designed to help professionals who assist separating and divorcing parents make decisions about the future of their families It is essential reading for legal and mental health professionals in the field and law and graduate students who intend to work with separating and divorcing families
