Learning Threads for the EYFS Eleanor Hoskins, 2019-02-15 This book presents clear and concise practical activities that are detailed and closely linked to early years specifications and requirements The Learning threads and practical activities in this book embrace early years play and exploration whilst recognising the preparation needed for Key Stage 1 Year 1 Reading the Fascicles of Emily Dickinson Eleanor Elson Heginbotham, 2003 Heginbotham s book focuses on Emily Dickinson s work as a deliberate writer and editor The fascicles were forty small portfolios of her poems written between 1856 and 1864 composed on four to seven stationery sheets folded stacked and sewn together with twine What revelations might come from reading her poems in her own context Are they simply scrapbooks as some claim or are they evidence of conscious canny editing Read in their original places each lyric becomes different and more interesting than when read in isolation We cannot know why Dickinson compiled the books or what she thought of them but we can observe what she left in them What she left is visible only by noting the way the poem answers in a dialogue across the pages the way lines spilling onto a second page introduce the next poem the way openings suggest image clusters so that each book has its own network of concerns and language not a story or philosophical preachment but an aesthetic wholeness This book is the first to demonstrate that Dickinson s poetic and philosophical creativity is most startling when the reader observes the individual lyric in the poet s own and only context for them For teacher student scholar and poetry lover Heginbotham creates an important new framework for understanding one of the most complex clever and profound U S poets

Resources in Education , 1998 Virginia Woolf and the Ethics of Intimacy Elsa Högborg, 2020-02-06 Revisiting Virginia Woolf s most experimental novels Elsa H gberg explores how Woolf s writing prompts us to re examine the meaning

of intimacy In H gberg s readings of Jacob s Room Mrs Dalloway To the Lighthouse and The Waves intimacy is revealed to inhere not just in close relations with the ones we know and love but primarily within those unsettling encounters which suspend our comfortable sense of ourselves as separate from others and the world around us Virginia Woolf and the Ethics of Intimacy locates this radical notion of intimacy at the heart of Woolf s introspective modernist poetics as well as her ethical and political resistance to violence aggressive nationalism and fascism Engaging contemporary theory particularly the more recent works of Judith Butler Luce Irigaray and Julia Kristeva it reads Woolf as a writer and ethical thinker whose vital contribution to the modernist scene of inter war Britain is strikingly relevant to critical debates around intimacy affect violence and vulnerability in our own time **Activities for a Differentiated Classroom: Level 2** Wendy

Educational Leadership and Secondary Education programs **Making Progress in Writing** Eve Bearne,2003-08-29

Children s achievements in writing lag behind their achievements in reading speaking and listening National tests are beginning to expose this gap and inevitably it is raising concerns The issue is not without controversy but regardless of the politics of the situation national progress in children s writing is both needed and possible This new book from Eve Bearne makes a valuable contribution towards helping teachers close this gap Uniquely it follows the structure of the National Literacy Strategy whilst examining key areas such as bridging KS2 and KS3 writing and writing skills beyond the Literacy Hour Such a structure makes the book incredibly practical and easy to use providing essential information for both practitioners and academics **Rethinking Basic Writing** Laura Gray-Rosendale,1999-12 This book surveys the history of

basic writing scholarship suggesting that we cannot adequately theorize the situations of basic writers unless we examine how they construct their own conceptions of their identities their constructions of their relationships to social forces and

their representations of their relationships to written work Using a cross disciplinary analytic model Gray Rosendale offers a detailed examination of the oral conversations that take place within one basic writing peer revision group She explains the ways in which the students own conversational structures impact and shape their written products Gray Rosendale then draws out the potentials of her work for basic writing administrators curricula builders and teachers Reading
