Responsive Capitalism Earl A. Molander, David L. Arthur, 1980 *Applied Professional Ethics* Gregory R. Beabout, Daryl J. Wennemann, 1993-12-09 This innovative book is written in an accessible compact style that sets forth and explains a sound framework for professional ethics that readers can quickly put into practice in analyzing and writing about cases Through a series of moral conflicts it aims at improving the skills of moral reasoning and achieving moral development Contents List of Diagrams Preface Acknowledgements Introduction What is Ethics The Structure of Moral Development Interest Roles and Principles Rules and Relationships Moral Principles Applying Moral Principles Intention Motive Circumstance Conflicts in Rules and Relationships Context and Character Codes of Professional Ethics How to Write a Case Study Report Examples of Student Case Study Reports Some Works on Moral Theory Some Works that Contain Case Studies *The United Nations library on transnational corporations : [international business and the world economy]. 7. Governments and transnational corporations* Theodore H. Moran, 1993 *Citation Classics from the Journal of Business Ethics* Alex C. Michalos, Deborah C Poff, 2012-08-01 The Journal of Business Ethics was founded by Alex C Michalos and Deborah C Poff and published its first issue in March 1982 It is the most frequently cited business ethics journal in the world The Journal has always offered a multi disciplinary and international public forum for the discussion of issues concerning the interaction of successful business and moral virtue Its authors and readers are primarily scholars and students in social sciences and philosophy with special interests in the interaction of these disciplines with business or corporate responsibility Since the field of business ethics grew simultaneously with the growth of the Journal a collection of its most cited articles is tantamount to a collection of the articles that had the greatest influence in defining the field over its first 30 years of development In this anniversary volume an overview of citation classics from the Journal is presented the 33 most frequently cited articles are reproduced and brief reflections on the impact of the Journal on the field are given from over 100 scholars who authored citation classics and or distinguished papers as well as those who served on the Editorial Board and or are recognized as leaders in the field **The Inner Circle** Michael Useem, 1986-03-13 Driven by declining profits and government regulation a new form of class wide business leadership has emerged a transcorporate network that is giving a new coherence and power to business in both America and Britain This book delineates the inner circle of top executives who play a leading role in this network advising the highest levels of government and working to promote a political environment favorable to all business **Concepts and Procedures in Whistleblower Law** Stephen Kohn, 2000-10-30 Litigator teacher and scholar Stephen Kohn presents a comprehensive unified examination of the 35 federal laws that protect whistleblowers and their rights plus the common law protections available in each of the 50 states For the first time in one easily accessed volume readers will find the basic principles upon which all whistleblower law is premised Mr Kohn lays out the basic legal principles applicable to almost every whistleblower case such as the scope of protected activity and who qualifies for

protection He shows what constitutes discriminatory conduct what type of evidence demonstrates that improper retaliation occurred the burdens of proof on both the employee and employer how to calculate damages and attorney fees common settlement and fundamental procedural issues and much more all in meticulously documented detail and a readable engaging style Built upon Mr Kohn s extensive practical experience and his scholarly research and teaching not only is the book an essential resource for study and analysis of whistleblowing issues but it is also a step by step guide for conceptualizing and litigating them Attorneys with specialties in a wide range of fields involving whistleblower law and related policy issues will find a thoughtful comprehensive examination and an immediately applicable courtroom aid It will also be important for human resource executives labor union officers and attorneys government contractors and recipients of government grants university and government libraries federal agency executives and specialists public interest and good government organizations and many others who have become fascinated by this relatively new but long time coming branch of the law how it developed and how it is being applied today

Horrendous Death and Health Daniel Leviton,1991 Some kinds of death are caused by people deliberately or accidentally This work argues that horrendous death by war homicide poverty and other man made means is the greatest public health problem of our time and can only be defeated by strong co operative action
