

A man with short, light-colored hair, wearing a light blue button-down shirt, stands on a stage. He is holding a dark book or folder with both hands and looking towards the right side of the frame with a slight smile. The background is a large screen displaying a graphic with a dark blue and purple color scheme. The screen features a central vertical band with a lighter blue, textured background. The text "Responsive Faith" is prominently displayed in a large, white, serif font. Below it, "LIFEPOINT CHURCH" is written in a smaller, white, sans-serif font. There are also some abstract, glowing blue and white shapes on the screen, including a bright circular light at the top left and a smaller, flower-like shape on the right side.

Responsive Faith Millard J. Erickson, 1987 A Disciple's Dilemma Timothy L. Brinkley, 2013-03-21 A Disciple's Dilemma is a collection of inspiring and encouraging sermons The book is actually four books in one Each book is a sermon series focusing on the challenges that Christians face It is a must have for preachers and teachers Each chapter is a sermon that can be preached directly from the book **Font and the Table** Elmer J. F. Arndt, 2004-04 Baptism and the Lord's Supper are means of grace representing spiritual realities by whose observance the Church and its members celebrate the life they are given in Christ Upon this belief Professor Arndt examines the meaning of sacramental theology particularly in its relation to the whole of the Gospel of Christ He believes that the Font and Table are symbolic events representing God's renewing action and through them this Community of faith and people of God becomes concrete in historical actuality He does not claim that this essay provides a complete sacramental theology He is primarily concerned with securing a perspective of sacramental practice in the hope of assisting in a reconstruction of sacramental teaching a more responsible ordering of practice and a more understanding participation in the sacraments of the gospel *Faith stories* Anna Hickey-Moody, 2023-04-25 Faith stories is an investigation of faith and belief systems in Australia and England Drawing on ethnography interviews focus groups for adults and arts based workshops for their children Hickey Moody takes a community based approach to examining belonging attachment faith belief and what really matters in diverse areas Each of the book's research sites is geographically and culturally specific in ways that shape residents' experiences of community and belonging but they are united by enduring threads relating to colonisation diaspora and negotiating belonging in culturally diverse contexts Examining faith reveals that there are striking similarities between seemingly different cultures Understanding these connections can reduce conflict and promote cohesion in communities that are often struggling to adapt to huge changes This book provides rich resources for those who wish to explore faith and belief in complex social circumstances either as research or as community engagement In such increasingly divided times work like this is needed now more than ever **Without Spot or Wrinkle** Karl Koop, Mary H. Schertz, 2015-06-18 On February 5 2000 the Institute of Mennonite Studies held a conference at Associated Mennonite Biblical Seminary entitled Without Spot or Wrinkle Reflecting Theologically on the Nature of the Church This conference gave attention to ecclesiology in direct response to challenges that Mennonite church bodies in Canada and the United States have been facing in recent times The phrase without spot or wrinkle comes from Ephesians 5:27 a text addressing relationships between husbands and wives within the Christian household Historically it has also come to symbolize what Mennonites have sometimes believed about the nature of the church Anabaptists and Mennonites who came after them have often maintained that the true church is a gathering of reborn and spiritually regenerated Christians called to be a community free from moral failure At present however some Mennonites are questioning elements of this conceptual legacy and in light of personal failings and hurtful church schisms

are expressing doubts about its practical adequacy and theological tenability The essays in this book do not provide a unified argument What the authors have in common is concern for the church and commitment to faithfulness Readers are invited to reflect on the issues and make their own assessments Bible Review ,1915 **The Wesleyan Preaching Resource** Derl G. Keefer,2002-07 **Galatians** Todd Wilson,2013 Paul s letter to the Galatians provides key insights into salvation and the nature of grace Drawing on years of pastoral ministry Wilson leads readers through the book s major themes with exegetical clarity and theological care A Preaching the Word commentary *Issues in Teaching and Education Policy, Research, and Special Topics: 2013 Edition* ,2013-05-01 *Issues in Teaching and Education Policy Research and Special Topics 2013 Edition* is a ScholarlyEditions book that delivers timely authoritative and comprehensive information about Education Testing and Evaluation The editors have built *Issues in Teaching and Education Policy Research and Special Topics 2013 Edition* on the vast information databases of ScholarlyNews You can expect the information about Education Testing and Evaluation in this book to be deeper than what you can access anywhere else as well as consistently reliable authoritative informed and relevant The content of *Issues in Teaching and Education Policy Research and Special Topics 2013 Edition* has been produced by the world s leading scientists engineers analysts research institutions and companies All of the content is from peer reviewed sources and all of it is written assembled and edited by the editors at ScholarlyEditions and available exclusively from us You now have a source you can cite with authority confidence and credibility More information is available at <http://www.ScholarlyEditions.com> *The Epistle to the Hebrews* Brooke Foss Westcott,1889 *Renner Interpretive Version: James and Jude* Rick Renner,2025-01-07 The Renner Interpretive Version RIV of James and Jude If you long to dive deep into your personal study of the Bible but feel you lack the tools to study it like a seminary student or scholar this book is for you What is the RIV Simply the Renner Interpretive Version of the New Testament is an expanded interpretive version based on Rick Renner s expoundings from the original language of the New Testament The RIV is not a word for word translation it s a conceptual interpretation that draws upon concepts in the Greek language and expresses them in a way that supplies a broader comprehension of Scripture By extracting pictures presented in the Greek language and conveying them to readers using contemporary speech Rick brings the Bible to life drawing lovers of the Word into a deeper study of God s message to His people for all time James and Jude were Jesus half brothers younger sons of Joseph and Mary In this installment the Spirit inspired words of James and Jude will thrill your heart challenge your thinking and open the eyes of your spirit in greater ways to see the unchanging nature of God His wisdom goodness power and love The first installment of the Renner Interpretive Version to be released this brothers volume features insight into the brothers first audiences and their circumstances historical usage of the words the writers used to convey their timely messages the relevance of their words for humanity today all this in 133 verses of James and Jude and more than 1 200 footnotes Without knowing the nuances of the original language there are riches we can miss in the Twenty First Century Find the treasures

Peace and Violence in the Ethics of Dietrich Bonhoeffer Trey Palmisano, 2016-01-01 Not many theologians have had as great an impact on the study of peace and violence as Dietrich Bonhoeffer who was labeled an Enemy of the State and eventually executed in April 1945 In this book Trey Palmisano examines the theological connection between peace and violence across a range of Bonhoeffer s writings sermons and letters Despite the challenges Bonhoeffer experienced in his personal life and in the life of his country Palmisano asserts that a strong consistency emerges in Bonhoeffer s approach to ethics that resonates in the positing of Christ as the center of all ethical discourse and orients one to the ever present challenges of a changing world Palmisano creates distance from former studies that sought to define Bonhoeffer as a committed pacifist a situational pacifist or one who compromised his values to accommodate an exception for violence By prioritizing methodology as the key to interpreting Bonhoeffer s thought Palmisano argues that the ethical dilemma thought to be caused by Bonhoeffer s actions is avoided The result is one that creates an authentic ethical openness by responsiveness to Christ rather than Christian virtue and frees the individual from redundancies of action derived from deeply embedded patterns of theological engagement

What Do We Mean by God? Cyril Henry Valentine, 1929 **James Denney (1856-1917)** James McMillan Gordon, 2006-06-01 James Denney is now best known though in increasingly restricted circles for his book *The Death of Christ* considered for over a century a lucid and standard exposition of objective atonement understood in substitutionary terms However there is breadth and depth to Denney s thought a richness and passion in his theological work an attractive integrity and spiritual immediacy in his writing that resists any reducing of his legacy to that of being an apologist for one aspect of Christian doctrine By exploring his early years growing up in Greenock Scotland following his intellectual development through university and college years in Glasgow and considering the impact

of a long pastoral ministry in Broughty Ferry Dundee a context is created for studying the mind personality and faith that informed his mature theological writing For twenty years from 1897 1917 he taught biblical theology and exegesis in his denominational College in Glasgow developing his theology through articulation and then exploring and expounding the gospel of Christ as first and originally expressed in the apostolic experience and testimony embedded in the New Testament documents The theological work of Denney taken as a whole was both intellectually engaged and ecclesially focused as he sought to construct a secure basis for biblical faith His theology was offered in the service of the church his learning a self conscious discipleship of the intellect This is the major study of Denney to use the large corpus of Denney s unpublished theological papers and sermons held in New College Library in the University of Edinburgh These together with Denney s published work and wider biographical research form the basis of this study an intellectual and contextual biography of one of Scotland s most attractive and forceful theological personalities
