

The background of the cover is a soft-focus photograph of a woman with dark hair, wearing a dark top, sitting on the ground in a forest. She is holding an open book and looking down at it. The forest floor is covered with fallen leaves, and tall trees are visible in the background. The overall tone is peaceful and contemplative.

**English Teaching Forum** ,2000 **How to Motivate Reluctant Learners (Mastering the Principles of Great Teaching series)** Robyn R. Jackson, 2011-05-26 What we call motivation in school is really a decision students make to invest in our classrooms It s our responsibility to show students the value of investment

and guide them toward behaviors that will support learning In this guide Robyn R Jackson takes you step by step through the process of motivating reluctant learners what great teachers do instead of relying on elaborate rewards systems or creative tricks to reach students who actively or passively resist investing themselves in the classroom Here you ll learn how to Identify the classroom investments to ask for by considering the motivated behaviors you most want to see and ensuring that what you re asking for is specific meaningful observable realistic worth the effort and small Create a classroom worth investing in by removing demotivating practice and procedure based barriers and giving students more opportunities for autonomy Understand and address students resistance and respond with instructional strategies that minimize perceived risk and maximize immediate benefits Ask for and shape an investment by reaching out to students in a nonconfrontational way and providing a clear path toward motivated behavior Create a motivation plan that s tailored to the students you teach and designed to be effective in the long run Note This product listing is for the Adobe Acrobat PDF version of the book [The Tact of Teaching](#) Max van Manen,2016-06-16 In The Tact of Teaching bestselling author Max van Manen offers teachers at every stage an original and inspiring interpretation of the notion of pedagogy one that searches for its roots in the experience of in loco parentis Using dozens of anecdotes and scenes taken directly from life in classrooms including many from the often neglected domain of high school The Tact of Teaching explicates the meaning of pedagogical moments the conditions of pedagogy the relation between pedagogy and politics the nature of pedagogical experience and the practical forms of pedagogical understanding The author Presents experiential analysis of the relation between pedagogical reflection and action Explores how pedagogical tact manifests itself what tact accomplishes and how tact does what it does Speaks of hope and humane practice in an era of schooling often given over to mindless technocracy or fashionable despair
