Religious Liberty and the Hermeneutic of Continuity: Conservation and Development of Doctrine at Vatican II R. Michael Dunnigan, 2023-10-24 The Second Vatican Council s declaration Dignitatis Humanae marks a significant advance over prior magisterial teaching about the right to religious liberty yet the nature of this advance has long been subject to controversy Is it a true development conserving and extending what came

before Or does it instead chart a new course entirely rejecting and replacing the older teaching In Religious Liberty and the Hermeneutic of Continuity R Michael Dunnigan takes up these pressing questions and offers a careful examination of how the claims of Dignitatis Humanae relate to the magisterial precedents set by the papacy in the nineteenth century With precision and nuance Dunnigan analyzes the object scope and foundation of the right to religious liberty itself and his analysis culminates in the proposal that the right endorsed by Vatican II is not identical with the rights condemned by previous popes Beyond establishing the claims of Dignitatis Humanae as a true development of prior teaching Dunnigan shows that its contribution to the question of religious liberty has not yet received full appreciation Indeed Dunnigan demonstrates how the Vatican II declaration reaffirms reinforces and even revivifies prior magisterial teaching on religious liberty through its emphasis on human integrity which emerges as a foundational but often overlooked principle of continuity

My Call to Priesthood Ronald Eberley, 2006-01-26 A personal story of one married Roman Catholic male's attempt to become a priest This is the story of Ron Eberley's so far futile effort to become a married priest It is also a clear account of the chequered history and tortuous theology of mandatory celibacy *Marks of the Body of Christ* Carl E. Braaten, Robert W. Jenson, 1999 Martin Luther once listed seven marks of the church those defining ecclesial features that show where the true church is to be found This insightful volume brings together essays by ten leading Catholic Episcopal Lutheran Methodist and Orthodox theologians each analyzing one of the seven traditional marks of the church and discussing how it is found or not found in today's churches Writing about each mark of the church are these scholars Gerhard O Forde and Richard Lischer on proclamation Susan K Wood and John H Erickson on baptism K Paul Wesche and Richard A Norris Jr on the eucharist David S Yeago on the office of the Keys Carl E Braaten on ordination Robert W Jenson on catechesis and William J Abraham on discipleship The picture of contemporary church life that is developed by these authors is grim but their analyses and practical suggestions are both constructive and necessary **The Future of Christian Marriage**

among the Igbo vis-a-vis Childlessness Augustus Chukwuma Izekwe, 2015-08-06 Marriage was ordained by God for the good of spouses and for procreation But how often does marriage turn out to bring unhappiness to partners And how often do even happy marriages end up childless Among the Igbo of South eastern Nigeria to whom offspring is the chief goal of marriage childlessness leads often to unhappiness in marriage and not less often to the break up of marriages or to polygamy In this work the author expounds the importance of marriage and its practice among the Igbo He explains the importance of children in Igbo understanding of marriage and identifies childlessness as the key factor which could endanger and sometimes do endanger the Igbo acceptance of the Catholic doctrine of the indissolubility of marriage Using the relevant clauses of the Code of Canon Law the author explains in detail the Catholic understanding of marriage and the goals of the Catholic doctrine on marriage He writes of the possibility of marriage impediments due to impotence and sterility that lead to childlessness and recommends not only a thorough pre marriage preparation but also a continual formation of marriage

couples as efforts that could check the increasing rate of divorce and polygamy due to childlessness But the author knows that childlessness can still occur despite all precautions He therefore recommends adoption instead of polygamy as the ultimate panacea to childlessness in marriage The author condemns in unmistakable terms the mentality among the Igbo which blames and traumatizes the woman in cases of childlessness Priests, Prelates and People Nicholas Atkin, Frank Tallett, 2003-09-26 The Catholic Church has always been a major player in European and world history Whether it has enjoyed a religious dominance or existed as a minority religion Catholicism has never been diverted from political life Priests Prelates and People records the Church struggling to adapt to the new political landscape ushered in by the French Revolution and shows how the formation of nation states and identities was both helped and hindered by the Catholic establishment It portrays the Vatican increasingly out of step in the wake of world war Cold War and the massive expansion of the developing world with its problems of population growth and under development Making Known the Biblical History and Roots of Alcoholics Anonymous Dick B., 2006 One of a kind bibliography research and history resource containing explicit information about author Dick B s 16 years of research 1 Collecting over 25 000 books and materials on the roots of A A 2 Using them in the publication of his 26 titles more than 120 articles and over 30 audio talks 3 Describing where he went for the history where it is located who was interviewed and what it contains 4 It lists titles Dick used in his writing all of the background titles involved in A A s use of the Bible Quiet Time Oxford Group life changing program Anne Smith s Journal Rev Sam Shoemaker s teachings religious literature AAs read the United Christian Endeavor Movement Carl Jung William James William D Silkworth Richard Peabody Emmet Fox and many other New Thought influences 5 It lists all the books in A A founder Dr Bob s library and collections a list found nowhere else 6 It contains manuscripts from archives and libraries and personal collections all over the U S and England 7 There is a huge collection of temperance books and literature described 8 Topical books by A A about A A about alcoholism about spirituality about the Bible religion and clergy 9 Included are records of Dick s notes and interviews 10 Almost this entire collection of materials has been donated to and can now be found and studied at Griffith Library which is part of The Wilson House birthplace of Bill W in East Dorset Vermont Taken together this reference volume and the actual materials in the Griffith Library constitute the largest and most complete record of early A A historical materials in the world today other than the Library of Congress items Reflecting on Faith Schools Helen Johnson, 2013-09-13 Profound changes in society government policy and the political landscape as well as cataclysmic events such as 9 11 have greatly altered perceptions of faith schools and their existence now causes more controversy than ever Taking a reflective practice approach this study by people working within faith schools and colleges explores the new hot issues surrounding the subject in a sophisticated way Looking at the supposed secularisation of the West the nature of the multi cultural and multi faith society the role of women the spiritual development of children and most of all the form that the tolerance of religious diversity should take in liberal societies this book encourages readers to re examine their assumptions
