Restoration In The Church:

Restoring the Restoration Movement N. R. Kehn, Scott Bayles, 2009 The Churches of Christ and Christian Churches comprise two of the principle fellowships to evolve from the American Restoration Movement a movement fueled by the desire to abolish denominational borders and boundaries that have long divided the Christian community in hopes of building a brotherhood inclusive of all genuine followers of Jesus Christ Nearly two centuries later however many within these two fellowships have abandoned the work of restoration and the hope of a united Christian fellowship In Restoring the Restoration Movement authors N R Kehn and Scott Bayles with clever insight and a conversational tone take a look under the hood at many of the doctrines that have divided the Churches of Christ and Christian Churches from each other and from mainstream evangelical Christianity in general all in hopes of returning to the on going work of restoration and to the original ideals of the Restoration Movement and true Biblical Christianity N R Kehn has been a longtime member of Churches of Christ With a secular degree in Network Administration and ongoing education in Software Engineering Nathan combines impeccable logic with diligent Bible study He currently serves in various capacities at the Florissant Church of Christ in Saint Louis MO where he also resides with his two sons Nathan II and D W Scott Bayles is a graduate of Freed Hardeman University and has preached for numerous Churches of Christ within the United States and abroad He is also the author of The Greatest Commands Learning to Love like Jesus Currently he serves as the preaching minister for First Christian Church of Rosiclare IL where he lives with his wife and two children

Restoration Run Amuck William T. Chance, 2012-01-31 John chapter seventeen records Jesus prayer for unity among his followers which did not appear to be answered in the affirmative In the eighteenth century a movement began in the eastern United States to address the obvious division of Christendom This Restoration Movement was inclusive inviting people to leave Christian denominations and return to the Bible alone for spiritual guidance Thus speak where the Bible speaks and be silent where the Bible is silent became their mantra In 1801 this movement kindled a large revival centered at the Cane Ridge Meeting House cover of book

near Paris Kentucky Churches birthed by this movement grew and spread rapidly to both the frontier and the cities However within fifty years conflict and division began to arise in these churches as some became more sectarian and others more legalistic resulting in three primary groups the Disciples of Christ the Independent Christian Church and the Church of Christ Of these groups the Church of Christ was the most conservative with many congregations taking silence of the Scriptures as prohibitive of everything not written in the two thousand year old text resulting in more conflict and division Thus the Restoration Movement had run amuck becoming mired in its own swamp of legalism This book seeks to identify what went wrong and what changes in attitude behavior and conversation are necessary to get the unity train back on its track
