**The Apostles' Creed** William Barclay, 1998-11-01 If there is one statement of the Christian Church it is contained in the Apostles Creed writes William Barclay Professor Barclay reminds us however that the Creed should be seen not so much as a test and yardstick of orthodoxy but rather as a symbolic pictorial and poetic representation of a truth a truth that Christian should constantly rethink and restate for themselves Barclay's insights are particularly valuable at a time when many traditional beliefs are being questioned both by theologians and lay people He manages to bridge the gap between the academic and lay worlds while addressing the most profound issues of the Christian faith The William Barclay Library is a collection of books addressing the great issues of the Christian faith As one of the world's most widely read interpreters of the Bible and its meaning William Barclay devoted his life to helping people become more faithful disciples of Jesus Christ

**Christ in Modern Life: Sermons ...** Stopford Augustus Brooke, 1872 *Children in the Films of Steven Spielberg* Adrian Schober, Debbie Olson, 2016-04-13 To say that children matter in Steven Spielberg's films is an understatement Think of the possessed Stevie in *Something Evil* TV Baby Langston in *The Sugarland Express* the alien abducted Barry in *Close Encounters* Elliott and his unearthly alter ego in *E.T. the Extra-Terrestrial* the war damaged Jim in *Empire of the Sun* the little girl in the red coat in *Schindler's List* the mecha child in *A.I. Artificial Intelligence* the kidnapped boy in *Minority Report* and the eponymous boy hero of *The Adventures of Tintin* There are many other instances across his oeuvre Contradicting his reputation as a purveyor of popcorn entertainment Spielberg's vision of children childhood is complex Discerning critics have begun to note its darker

underpinnings increasingly fraught with tensions conflicts and anxieties But while childhood is Spielberg s principal source of inspiration the topic has never been the focus of a dedicated collection of essays The essays in *Children in the Films of Steven Spielberg* therefore seek to address childhood in the full spectrum of Spielberg s cinema Fittingly the scholars represented here draw on a range of theoretical frameworks and disciplines cinema studies literary studies audience reception critical race theory psychoanalysis sociology and more This is an important book for not only scholars but teachers and students of Spielberg s work and for any serious fan of the director and his career

**The Survivors of Israel** Mark Adam Elliott,2000 This study challenges the conventional view of scholars like E P Sanders that Late Second Temple Judaism was theologically nationalistic offering in its place a theory which argues that the intertestamental writings do not anticipate the salvation of all Jews but only of a faithful remnant within Israel Working carefully with the major books of the pseudepigrapha and the Dead Sea Scrolls Mark Adam Elliott shows that the authors of such works anticipated an imminent and scathing judgment of Israel that would exclude many or even most Israelites from the saved community This provocative finding not only confronts accepted perspectives on Late Second Temple Judaism but also suggests important implications for our reading of Paul and the New Testament      Christ in Modern Life Stopford Augustus Brooke,1882      Radical Restoration in the Church Jay R. Leach,2015-01-23 ONE GENERATION FROM EXTINCTION There is a drastic shift in the national culture and churches today which if not countered can make Christ extinct in one generation In the midst of this shift many Christians have become confused and are blurring their kingdom mission biblical worldview and life of godliness Meanwhile recent research reflects some 2 billion people in the world who have never heard the saving gospel of Jesus Christ and billions more caught up in false religions In the shift many Christians individually and corporately are failing in their responsibility to pass on the faith wisdom and godly example to the next generation Failure to do so in one generation will remove Christ and Christianity from the next generation s To meet this challenge we must radically restore the faith see Jude 3 for the final hour Restore agape love for God and others in the Church Restore and teach a true biblical worldview in the Church Restore biblical salvation and a daily walk with Christ in the Church Restore total dependence upon the Holy Spirit in the Church The secular worldview secures more Christian casualties daily But by His divine power God has given us all things that pertain to a life of godliness see 2 Peter 1 3
