soul after reading the text The author began to read the Psalms and reflect on what each one said to his soul He has done that for fifty years In this book he focuses on the Psalms of Moses which encompass Psalms 90 to 106 They may have been collected by the men of Hezekiah during the reign of King Hezekiah and or by Ezra following the Babylonian Captivity It was titled The Numbers Book the Wilderness Sojourn and the Promised Land The Pulpit Commentary Vol 8 254 The Companion Bible Psalms 720 The Psalms are a wonderland of devotion They have enlightened the author s mind and encouraged his spirit They can do the same for you all while providing principles for living this life as you help others walk with the Lord

Gates-Mahmoud,2024-11-08 Receiving a death notice is a surreal experience and I ve had that bitter taste twice in my life Never did I fathom that I d be walking through the valley of the shadow of death once more After all I d endured since birth I believed I d already carried my fair share of suffering So when the doctor delivered the shattering news of a life threatening cancerous tumor it rattled me to the core in a way I never thought I would encounter What I have come to understand more so now than ever before is that prayer has always found a way to bring my troubled spirit a form of peace that I can t understand and a sense of calm and resolution even now as Jews of Israel and Muslims of Palestine continue to fight for what they believe in the Holy Land of Jerusalem Prayer is human communication with the sacred God gods the transcendent realm or supernatural powers But to label prayer solely as a form of communication is akin to describing a grand symphony as mere notes on a page Prayer is a tapestry woven with threads of human history spirituality and the very essence of our existence In reality prayer is a mosaic of multidimensional practices as old as humanity God Forgive me Cleanse me Make me whole again Amen **HE MUST INCREASE; I MUST DECREASE A Journey To Restoration, Identity And Purpose** Jeff Cropper,2022-08-10 Upon calling His twelve disciples Jesus declared just two words to each Follow me He gave no explanation as to where or for what reason Simply an invitation to go by faith on a journey with Him An adventure that would change them forever One that would restore relationship with their Father establish true identity in Him and reveal His purpose for their lives Our Lord continues to extend that same offer to each and every one of those that have been given to Him by His Father The words on these pages share such a journey and its life altering revelations and impact Come along and witness what Jesus has for each of us who will accept His invite and follow Him Eleven of the twelve disciples did exactly that and they were transformed into powerful ambassadors for and servants of the kingdom of God We can be as well
