Restoring The Teenage Soul Nurturing Sound Hearts And Minds In A Confused Culture:

Restoring the Teenage Soul Margaret J. Meeker, 1999 As we enter a new millennium the teenage years have never been more difficult We can tell by their behaviour School shootings Teen pregnancy Fatal car crashes Binge drinking Dropping out But now s not the time to give up on the next generation says author Meg Meeker a Michigan child and adolescent physician who has worked closely with teens for nearly twenty years Teens she believes are crying out for help and it s up to the parents and adults in their lives to respond This book will help you understand why our teens are getting into trouble Why teens are depressed and suicidal Why teens are looking for love in the wrong places Dr Meeker contends that the fundamental needs of teens are not being met which results in them trying to find their own way in an unfriendly culture Yet all is not lost if adults are willing to be there for the teens in their lives Uplifting frank encouraging and conversational this book will inspire any adult to get involved So what are you waiting for **"Raising Sexually Pure Kids"**

Claire Greslé-Favier, 2009 **Raising Sexually Pure Kids** Sexual Abstinence Conservative Christians and American Politics analyzes pro abstinence discourses issued by the conservative Christian community and the G W Bush administration to underline that abstinence is not a peripheral matter but is a cultural and political issue of great significance in US society especially in the past decade This book seeks to bring to light how pro abstinence discourses coalesce most of the core agendas of conservative Christians like creationism parental rights or the culture war and enabled them and the Bush administration to on the one hand preserve traditional hierarchies and on the other hand maintain the sense of threat necessary to the protection of the status quo and to the enduring commitment of the conservative Christian constituency
