Mucherera,2017-11-03 The coming of Colonization and Christianity to Africa and other indigenous cross cultural contexts
was a mixed bag of pros and cons The impact of the advent of the two has had a lasting effect being felt even today It created
issues of bi culturalism and bi religiousness in personal and religious identities that counselors and the church need to
address when working with people from these contexts There is the existence of deep cultural trauma including
psychological and spiritual scars needing healing for those living in most of these post colonial contexts The Western
counseling approaches and Christian rituals need contextualization A counselor or pastoral caregiver with an integrative
