**New Perspectives on Healing, Restoration and Reconciliation in John's Gospel** Jacobus Kok, 2016-10-05 In New Perspectives on Healing Restoration and Reconciliation in John Jacobus Kobus Kok investigates the depth and applicability of Jesus healing narratives in John's gospel Against the background of an ancient group oriented worldview it goes beyond the impasse of most Western approaches to interpreting the Biblical healing narratives to date He argues that the concept of healing was understood in antiquity as in some parts of Africa in a much broader way than we tend to understand it today He shows inter alia why the interaction between Jesus and the Samaritan woman could be interpreted as a healing narrative illustrating the ancient interrelationship between healing restoration and reconciliation **Restoring Your Temple** W. **and the Restoration of Israel** David Ravens,1995-01-01 Ravens argues that Luke s belief in God s restoration of Israel provides the key context for understanding Luke Acts His attitudes to Jews his surveys of Israel s history and his interest in the Samaritans combine to suggest his wider pre Davidic view of Israel a view that becomes the pattern for the restored Israel under its Davidic king Luke s belief leads him to present Christology and atonement in ways that cohere with Jewish hopes and to correct apparently anti Jewish elements in Paul s letters and Matthew s Gospel This theme also determines his account of the gentile mission and his pastoral concern for unity **Recovery and Restoration of Health** Oapos

Mahabeer,2004-05 **Signs of Continuity** Greg Rhodea,2019-12-11 For more than a century scholars have debated whether Paul the apostle was a faithful follower of Jesus or a corruptor of Jesus s message and the true founder of Christianity Signs of Continuity intervenes in this debate by exploring a largely overlooked element of similarity between the two men the place of miracles in their ministries In his close analysis of the miracles performed by Jesus and Paul Greg Rhodea points to signs of continuity between these two historical figures of Christianity He argues that both Jesus and Paul understood their miracles as accompanying and actualizing a message of gracious inclusion of the marginalized resisted proving their ability to work miracles to those who asked for a sign despite the importance of miracle working to their personal authentication and interpreted miracles as proof of the presence of the eschatological kingdom Based on these similarities Rhodea concludes that Paul the apostle knew of Jesus s miracles and that he imitated Jesus in his own ministry of miracle working In highlighting this previously unexplored area of continuity Rhodea makes a significant contribution to the

debate over the relationship between Jesus and Paul Biblical scholars and students interested in this debate will find Signs of Continuity enlightening and informative

**Jesus and Israel's Traditions of Judgement and Restoration** Steven M. Bryan, 2002-05-02 Jesus and Israel's Traditions of Judgement and Restoration examines the eschatology of Jesus by evaluating his appropriation of sacred traditions related to Israel's restoration It addresses the way in which Jesus' future expectations impinged upon his understanding of key features of Jewish society Scholars have long debated the degree to which Jesus' eschatology can be said to have been realized This 2002 book considers Jesus' expectations regarding key constitutional features of the eschaton the shape of the people of God purity Land and Temple Bryan shows that Jesus' anticipation of coming national judgement led him to use Israel's sacred traditions in ways that differed significantly from their use by his contemporaries This did not lead Jesus to the conviction that Israel's restoration had been delayed Instead he employed Israel's traditions to support a different understanding of restoration and a belief that the time of restoration had arrived

**Jesus and the Church** Paul Avis, 2020-11-26 What is church's true foundation Was the Christian church founded by Jesus or does the Eucharist make the church Paul Avis sets out his own answer to these questions Gathering a wide range of critical scholarship he argues that there is something solid and dependable at the foundation of the church's life and mission Avis argues that Jesus wanted a church in a sense but not as we know it Christ proclaimed the gospel of the Kingdom and his disciples proclaimed the gospel whose content was Jesus himself the Kingdom in person The church is battered and divided but at its core is a treasure that is indestructible the gospel of Christ embodied in word and sacrament A central theme of the book is the relationship between the church and Christ the church and the gospel the church and the Kingdom Jesus Christ crucified and risen is the sole foundation of the church but he cannot be without his people
