**(Classic Reprint)** William Arnold Jolly, 2017-04-18 Excerpt from *Contracts in Restraint of Trade* Since the publication of the last edition of this short treatise the application of the restraint of trade doctrine as between employer and employed has been modified in no small degree by the trend of modern decisions The days of Shylock and his bond are over and the quality of mercy is now strained in favour of the employee This branch of the law relating to restraints contained in service agreements has recently been the subject of an important decision of the House of Lords in *Mason's Case* But there is another and even more interesting aspect of the doctrine which within the last year has been considered both by the House of Lords and by the Privy Council Since this work first saw the light nearly twenty years ago powerful amalgamations and associations of manufacturers have grown up in almost all the large industries and the doctrine of restraint of trade has become of paramount importance with reference to combinations of this character About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      Restraint of Trade and Price Restriction in California Arvin Benjamin Shaw (jr.), 1913      *Cases on Contracts and Combinations in Restraint of Trade* Albert Martin Kales, 1916      Cases on Restraint of Trade Bruce Wyman, 1903      *Restraints of Trade* Christopher Jon Arup, Chris Dent, John Howe, William van Caenegem, 2013 This article assesses the impact of legal practice upon the enforceability of employment restraints of trade Post employment restraints range from those prohibiting use of confidential information acquired through employment non disclosure clauses or the solicitation of previous customers non solicitation clauses to wider clauses imposing an obligation on the employee not to compete with the employer for a defined period after the termination of the employment non compete clauses The empirical research reported in this article demonstrates that there is much uncertainty in the operation of the law around the use of restraint of trade clauses in employment contracts While most usefully nuanced the evidence suggests that to a significant extent this uncertainty weighs more heavily on the side of any dispute that is least able to bear it the employee In light of our findings we have introduced a limited number of reform options ranging from the radical to the limited and from the substantive to the procedural that would assist in reducing the over enforcement or over observance of restraint clauses      **Cases on Restraint of Trade: Combination** Bruce Wyman, 1902      "*Restraint of Trade*" William Hudson Harper, 1900      **Cases on Restraint of Trade** Bruce Wyman, 1903      **Cases on Restraint of Trade: Competition** Bruce Wyman, 1902      **Law of Contracts in**
