Navy Dept, 1908 *Better Spending for Localizing Global Sustainable Development Goals* Fayyaz Baqir, Nipa Banerjee, Sanni Yaya, 2019-11-05 This book centers around an intense debate among donors policymakers development practitioners and academics on the efficacy of aid in eradicating poverty while promoting human development It seeks to fill the gap in present literature by presenting stories of better spending through implementing Sustainable Development Goals and addressing Agenda 2030 via indigenization of global development goals with initiatives at local and national levels The book adopts an innovative approach to dealing with aid effectiveness by highlighting the relevance of better spending rather than excessive spending It does so with real life examples of interventions made in the Global South to realize the vision of thinking globally and acting locally These case studies speak to the significance of communities role in shouldering responsibility for planning financing operating and maintaining local developmental initiatives The examples also demonstrate how aid serves its purpose when used as an investment in communities and enterprising individuals in order to realize the strategic impact of giving and build a local receiving mechanism for indigenizing and achieving global development goals The book references cases of better spending by governments philanthropists and civil society organizations CSOs from across Asia Africa and Latin America on a range of

issues and will thus be of interest to development practitioners policymakers donors philanthropists civil society organizations and academics and students of international development studies *Computer Vision - ECCV 2004* Tomas Pajdla, Jiri Matas, 2004-05-10 Welcome to the proceedings of the 8th European Conference on Computer Vision Following a very successful ECCV 2002 the response to our call for papers was almost equally strong 555 papers were submitted We accepted 41 papers for oral and 149 papers for poster presentation Several innovations were introduced into the review process First the number of program committee members was increased to reduce their review load We managed to assign to program committee members no more than 12 papers Second we adopted a paper ranking system Program committee members were asked to rank all the papers assigned to them even those that were reviewed by additional reviewers Third we allowed authors to respond to the reviews consolidated in a discussion involving the area chair and the reviewers Fourth thereports thereviews andtheresponsesweremadeavailabletotheauthorsas well as to the program committee members Our aim was to provide the authors with maximal feedback and to let the program committee members know how authors reacted to their reviews and how their reviews were or were not reflected in the final decision Finally we reduced the length of reviewed papers from 15 to 12 pages The preparation of ECCV 2004 went smoothly thanks to the efforts of the organizing committee the area chairs the program committee and the reviewers We are indebted to Anders Heyden Mads Nielsen and Henrik J Nielsen for passing on ECCV traditions and to Dominique Asselineau from ENST TSI who kindly provided his GestRFIA conference software We thank Jan Olof Eklundh and Andrew Zisserman for encouraging us to organize ECCV 2004 in Prague
