Life Hereafter Paul Crittenden,2020-10-24 In this book Paul Crittenden offers a critical guide to the problematic origins of biblical teaching about the afterlife and the way in which it was subsequently developed by Church authorities and theologians Origen Augustine and Thomas Aquinas in particular In the post Reformation era the focus falls on the challenges set by modern secularism The tradition encompasses a body of interconnected themes an apocalyptic war in which the Kingdom of God triumphs over Satan s powers of darkness salvation in Christ the immortality of the soul and finally the resurrection of the dead and the last judgment ratifying an afterlife of eternal bliss for the morally good and punishment in hell for wrongdoers The critique questions these beliefs on evidential ethical and philosophical grounds The argument overall is that what lies beyond death is beyond knowledge The one fundamental truth that can be distilled from the once compelling body of Christian eschatological belief for believers and unbelievers alike is the importance of living ethically

Knowledge of the Hereafter Ghazzālī,2012

Three Perspectives: Jewish, Christian, and Muslim Steven H. Propp,2009-12-30 Youre Jewish arent you This blunt question is the way that college freshman Richard Cohn is introduced to an outspoken fellow student named Dov Epstein who calls himself a Messianic Jew and believes that God has a special purpose for the Jewish people in these Last Days Raised by secular Jewish parents Richard is completely oblivious to his own Jewish background until this ongoing dialogue forces him to confront his own heritage The two young men vigorously argue with each other over the interpretation of the Hebrew Bible particularly its reputed predictions of a Messiah Christian doctrines such as the Trinity and most significantly about the identity and significance of Jesus of Nazareth The rigorous

process of self examination this initiates leads Richard to embrace his Jewish identity even as he vehemently denies the same for Dov The two ultimately become fast friends but as they progress from an academic environment to the professional world they are challenged by racist statements made by prominent national figures anti Semitic doctrines such as Christian Identity which teaches that white Anglo Saxons are the true Israel and also purported scholars who deny the reality of the Holocaust itself Circumstances in life connect them with a young Iranian migr named Jahangir Khatami whose Muslim beliefs conflict strongly with their own Yet when a violent incident brings the three of them together they are forced to reexamine not just their differences but their similarities While they clash over the ideals of Zionism and its ramifications in the modern State of Israel they are united in their horror over the terrorist attacks of September 11 2001 Join a diverse cast of characters some of whom appeared in the authors earlier book Beyond Heaven and Earth in a probing exploration that may help you reconsider just what it means to be Jewish Christian or Muslim in the modern world **Family Makeovers** Irfan Ali, 2013-10-06 FAMILY MAKEOVERS Is a practical and spiritual guide to help parents cope with today s challenges Each letter of the alphabet is used as a title for a topic related to parenting For example A is for Accountability B is for Basics C is for Communication D is for Discipline etc Under each letter are practical and spiritual suggestions that parents can adapt to the needs of their family By the end of the book the ideas if implemented come together to lay out a road map to help you improve repair and makeover your family
