**The Bible and Christianity in the Scientific Perspective** Byung Kook Hwang, 2025-07-31 Korean Christianity must now be reborn as a biblical agape religion of love and life away from the religion of salvation and self love that seeks personal blessing God is love 1 John 4 8 Jesus is the source of life There is life in Jesus Christ John 1 4 and Jesus is the Word of life 1 John 1 1 The core of the Christian faith is faith alone in God and Jesus Christ True Christians must understand the Bible correctly obey and believe in God and live righteously and good according to the Bible and God s will The life of Jesus Christ is the highest standard of life for people to imitate Christians in Korea should live a life of action in practice according to God s word in the Bible at home and in society They should love one another in deed and truth not just in word or in tongue 1 John 3 18 Only when this agape style life of God s love takes root in Korean society a truly biblical Christian culture will be established in Korea True Christians have freedom in the Lord Jesus Christ and live a life of faith in obedience to God and Jesus Christ refusing to be servants of the world

*The Conclusion of the New Testament* (5) Witness Lee, In the Lord s recovery during the past five hundred years the church s knowledge of the Lord and His truth has been continually progressing This monumental and classical

work by Brother Witness Lee builds upon and is a further development of all that the Lord has revealed to His church in the past centuries. It is filled with the revelation concerning the processed Triune God, the living Christ, the life-giving Spirit, the experience of life, and the definition and practice of the church. In this set, Brother Lee has kept three basic principles that should rule and govern every believer in their interpretation, development, and expounding of the truths contained in the Scriptures. The first principle is that of the Triune God dispensing Himself into His chosen and redeemed people; the second principle is that we should interpret, develop, and expound the truths contained in the Bible with Christ for the church; and the third governing principle is Christ, the Spirit, life, and the church. No other study or exposition of the New Testament conveys the life, nourishment, or ushers the reader into the divine revelation of God's holy Word according to His New Testament economy as this one does.

*Toward a Common Hope* Robert Allan Hill, 2018-11-21. Our churches and our country long for an expression of common hope. Over the last century, venerable voices in affirmation of a common faith and a common ground have been lifted and heard in Boston, such as those of John Dewey and Howard Thurman. The Dean of Marsh Chapel, Robert Allan Hill, has preached on themes related to a common hope since 2006. Hill has lifted the theology of hope of a common hope at the marrow of the gospel. We cherish our forebears who taught about a common faith and preached a common ground. In church and culture today in America, it is the prospect of a lasting, sturdy, shared hope, more purple than either blue or red, for which we hunger. The sermons about a common hope collected here were preached at the Chautauqua Institution in August of 2017.

**Bay State Road** Robert Allan Hill, 2025-09-11. Bay State Road is a collection of sermons offered during the twenty years of Robert Allan Hill's deanship at Boston University's Marsh Chapel. Some sermons reflect on milestones such as the first time Hill preached at Marsh Chapel as its dean, his 2023 university baccalaureate address, and a remembrance of the grief following the 2013 bombing of the Boston Marathon. But most were preached on regular Sundays, whose very ordinariness is the canvas on which the extraordinary is made visible. This volume contributes to the 2025 celebration of Marsh Chapel's seventy-fifth anniversary, which honors the chapel's historic legacy while readying the chapel for the seventy-five years ahead.

central tenets of his approach is that the Gospel offers no comfort to the individual that is not at the same time a promise for the future of humanity as a whole. He proceeds systematically through the promises and mysteries that the Christian faith holds surrounding death while holding the hope of eternity as a constant goal. A precursor to his more rigorous Dogmatics and partly in preparation for the second assembly of the World Council of Churches in 1954, *Eternal Hope* was also written just a year after the tragic death of Brunner's son. It is therefore no surprise that he combines the vulnerability of his personal encounter with death and a theological outlook that has universal implications.
