Marcella R. Womack,2010-11-11 A true story this narrative covers a period of eight years between 1985 1993 It is the story of a group that gathered in the heartland of the U S as they listened week after week to channeled Teachings coming from The Realms of Light It is told by one of the group members who was present throughout the eight years of the group s existence and the one who is responsible for the three previously published volumes that contain the channeled Teachings of The Aquarius Materials Xlibris The photo on the cover of this book volume four was taken on Friday October 17 1986 and shows a large shaft of LIGHT coming into the room and shining down onto the channel s body The group was told from the beginning that the Earth was moving from the third dimension into the fourth and fifth dimensions and that there was a huge influx of LIGHT coming into Earth during this 200 000 Year World Age Change Much more than a 2 000 or a 26 000 year change this represents the Earth and humanity beginning it s evolution back into the LIGHT Although the LIGHT seen in the photos was not apparent to the naked eye many of the participants said they could feel the higher vibrations often when they came to listen to The Aquarius Teachers These LIGHT Energies propelled many in the group to begin to change their lives and an amazing sense of spiritual community was experienced The content of this book is the backdrop behind the three books of Series I The Aquarius Materials It is the final book of this Series and perhaps the best overview for one beginning to read these Teaching This body of Spiritual Teachings heralds a time of a New Dispensation upon the Earth where the Spiritual Nature of Existence is to become known once more by people all over the world The Teachers said that this is the time prophesied in the Christian Scriptures as the Second Coming and it is NOT to be an end of the world time but rather a time when humanity will awaken to the truth of Christ s Teachings about LOVE Humanity was never meant to disconnect from the spiritual dimension and forget the kinship that is ours as children of God As Jesus attained that level of God Union called the Christ Consciousness during his lifetime we are meant to once again reach for Christ Consciousness as we ourselves go inward to Seek the Kingdom This Soul growth can transform both our individual lives and the Way we Live on Earth The book is divided into two major sections Part I The channeling years 1985 1987 and Part II A Time and a House Called Aquarius 1988 1993 Photos of group activities are included with each chapter The Aquarius Materials Series I This is the Overview book three other books make up the Series **The Knickerbacker** ,1850 **The Wishing Star (Starlight**

linked to long standing issues of Jewish identity Continual reference to the novels gives weight and substance to Death of a Holy Land s underlying insistence on the need for a critical view of Israel as a country deeply ill at ease with itself
