Resurrection Of Body:

The Resurrection Body "according to the Scriptures" Wilbert Webster White,1923 **The Resurrection of the Body in Western Christianity, 200-1336** Caroline Walker Bynum,1995 Examining those periods between the late second and fourteenth centuries in which discussions of the body were central to Western conceptions of death and resurrection she suggests that the attitudes toward the body emerging from these discussions still undergird our modern conceptions of personal identity and the individual **THE RESURRECTION BODY "According to the Scriptures"** Wilbert W White,2021-02-23 The pivotal relation of the resurrection to the Christian system has been generally acknowledged It is the cardinal fact of Christianity In this book the author delves into the how and why of key points of the Resurrection a precursor to the Christian s resurrection He distinguishes between a resurrection and a resuscitation showing that Lazarus was resuscitated while Jesus was resurrected He counters the error of reincarnation and discusses why this is incompatible with the Scriptures Dealing with skeptics he thoroughly refutes the major theories that deny the resurrection the Theory of Fancy the Theory of Fraud and the Theory of Phantom One of the most significant points he brings out is that that the angel rolled away the stone from the door of the tomb to let the outsiders in not to let Jesus out In that tomb were evidences of the resurrection which it was desirable the disciples should see The winding sheets spoke as eloquently and convincingly of entrance into new life as the empty shell of the chrysalis speaks of the flight of the butterfly Lazarus brought the wrappings that were wound about him with him when he came from the grave Furthermore he converses the accounts of the Resurrection in each of the gospels and concludes with a homily on the power of the Resurrection and its first fruits for believers Homage is paid by the editor to the author s son a WWI flying ace who was killed in action defending a fellow pilot Certainly his son s heroic death must have been very much on his mind and what comfort meditating on these truths must have brought the author *The Resurrection of the Dead* Calvin Kingsley,1855 *Understanding Prayer for the Dead* James B Gould,2017-08-31 Throughout history Christians have prayed for the dead both for continual growth of the faithful and for their advancement from purgatory and sometimes even for the deliverance of the unsaved from hell Understanding Prayer for the Dead defends all three kinds of prayer It challenges Protestants who seldom pray for the dead to begin doing so and Roman Catholics and Eastern Orthodox who pray only for the Christian dead to include the unsaved as well James B Gould addresses the biblical credentials of prayer for the dead and provides a historical overview of such prayers from ancient Christianity to the current practice of the three main branches of the Church He also discusses the logical assumptions prayer for the dead requires that prayer is effective that the dead are conscious and that the afterlife involves change and lays out a theological framework for such prayers Prayer for the departed raises the most basic of theological questions matters that go to the centre of God s purpose in creating spiritual beings and redeeming sinful humankind The argument while revisionary in some respects is orthodox ecumenical and integrative engaging a range of academic

disciplines so as to be biblically accurate historically informed and philosophically reasoned The Resurrection of the Body E W Bullinger,2017-12-22 Each Easter time Christians celebrate the resurrection from the dead of our Lord Jesus Christ but the Bible has a lot to say about the resurrection of each Christian that is the resurrection of the body In fact it is the hope of each and every believer in Jesus Christ As Paul wrote in Philippians 3 20 21 But our citizenship is in heaven And we eagerly await a Saviour from there the Lord Jesus Christ who by the power that enables him to bring everything under his control will transform our lowly bodies so that they will be like his glorious body That being the case what does the Bible say about The Resurrection of the Body In this book Bullinger answers that question **I Believe in the Resurrection of the Body** Rubem A. Alves,2003-09-08 I wrote these things as celebrations of the resurrection In the hope of the resurrection of the dead To exorcise death which we ourselves feed with our flesh Invocations of joy and beauty Whoever is joyful and loves beauty fights better Resurrected bodies are more beautiful warriors because they bring in their hands the colors of the rainbow And so bodies are transformed into seed which impregnates the earth so the future can be born **Everything You Ever Wanted to Know about Heaven** Peter Kreeft,1990 Standing on the shoulders of C S Lewis Kreeft provides a look at the nature of heaven A refreshingly clear theologically sound glimpse of the undiscovered country Kreeft speaks to the heart and the mind for an unexcelled look at one of the most popular yet least understood subjects in religion Did Jesus Really Rise from the Dead? Thomas A. Miller,2022-04-22 How can a respected scientist believe in the resurrection Can I trust the Bible s account that Jesus actually rose from the dead If the resurrection really occurred of what importance is it to you and me Our ready embrace of the authority of science has left many doubting that Jesus s resurrection was a verifiable historical event Yet Thomas Miller an experienced scientist and well respected surgeon challenges the notion that modern medicine has disproved the possibility of the resurrection Through careful investigation of the evidence and evaluation of its reliability Dr Miller demonstrates that science and religion are not incompatible and makes a compelling case for the reality of the resurrection **The Branch Exposition of the Bible, Volume 1** Michael A. Eaton,2020-08-31 If you picture the Bible to be a mighty tree and every word a little branch I have shaken every one of these branches because I wanted to know what it was and what it meant MARTIN LUTHER A great deal of biblical scholarship is written for academics and fails to edify readers or strengthen their Christian ministry Yet Christians need to be nourished by the word of God so they can mature in faith and righteousness Filling this gap The Branch Exposition of the Bible is a resource for preachers scholars and everyday Christians alike to help open God s word and shed its light into life ministry and teaching Inspired by the words of the great reformer Martin Luther about shaking every branch of Scripture and with experience in ministering across Africa India and the West Michael A Eaton helps us understand the meaning of the Bible and taste its fruit With an Old Testament volume to follow this exposition of the New Testament accessibly engages with the biblical languages gives application for our lives and leads us through each book of the New Testament so that we can meet the resurrected Jesus Christ in the pages of Scripture

Science and the Bible David Instone-Brewer, 2020-08-12 Is the Bible fundamentally at odds with science Science and the Bible are often pitted against each other causing many to either defend science at Scripture's expense or vice versa Instead what if we saw them as friends Can Christians appreciate scientific insights like they do archaeological discoveries as a source of knowledge to illuminate the biblical world and our own In *Science and the Bible* David Instone-Brewer takes a refreshing and non antagonistic approach asking how science can aid our interpretation of the Bible The result is stimulating on topics such as God's omnipresence the origin of languages the nature of eternity the relationship of spirit and soul the reality of resurrection and Jesus human experience In short readable chapters *Science and the Bible* enables the curious layperson to reread the Bible with fresh perspectives from modern scientific insights The *Scripture in Context* series is driven by the conviction that there is nothing as exciting direct provocative and spiritually enlightening as the Bible when we read it as it was meant to be read Each book in the series dives into the ancient cultural context behind Bible passages examining the effect this context had on what the Bible writers were saying and how we should understand their words today When we read the Bible in light of its context it is anything but boring Instead God's word can speak to us as powerfully as it did to those who first read it
