Richard William Dickinson

Resurrection Of Christ:

Raised with Christ Adrian Warnock, 2009-12-22 Jesus truly is alive today But compared to his atoning death Jesus resurrection sparks relatively little discussion in the church Inadvertently we can become so focused on the good news that Christ died for our sins that we almost forget he was raised for our justification Romans 4 25 In *Raised with Christ* author Adrian Warnock exhorts Christians not to neglect the resurrection in their teaching and experience Warnock takes his cue from Acts where every recorded sermon focuses on Jesus resurrection He stresses that Christians who faithfully proclaim both the death and the bodily resurrection of Jesus and live out the implications of that message in vibrant grace filled churches will be enabled to reach a world that lives in death s dark shadow The power of the risen Christ is active in every true Christian transforming our lives *Raised with Christ* will help you discover afresh the massive implications of the empty tomb Jesus resurrection really has changed everything

The Resurrection of Jesus James Orr, 1997-05-30 A penetrating examination and restatement of the basis for belief in the bodily resurrection of Christ Orr s last work

The Resurrection Of Christ Gerd Ludemann, 2010-06-28 Although the resurrection is the keystone dogma of Christian belief and Sunday churchgoers rarely if ever think to question it scholarly research shows with the utmost clarity that from a historical standpoint Jesus was not raised from the dead In fact it is almost universally recognized among scholars of New Testament textual criticism that the gospel narratives describing the resurrection appearances are not reliable eyewitness accounts but expressions of faith written by the first Christian believers long after the death of Jesus In this thorough exegesis of the primary texts dealing with the resurrection of Jesus New Testament expert Gerd L demann University of G ttingen presents compelling evidence that shows the resurrection was not a historical event and further argues that this development leaves little if any basis for Christian faith as presently defined Beginning with Paul s testimony in 1 Cor 15 3 8 in which the apostle declares that Jesus has been raised on the third day in accordance with the scriptures L demann systematically evaluates every reference to Jesus resurrection in the New Testament as well as apocryphal literature He examines the purpose of the text writers the ways in which they reworked tradition and the historical value of each account Through this approach he offers a reconstruction of the probable course of events as well as the circumstances surrounding Jesus death on the cross the burial of his body his reported resurrection on the third day and subsequent appearances to various disciples Since the historical evidence leads to the firm conclusion that Jesus body was not raised from the dead L demann argues that the origin of the Easter faith must be sought in the visionary experiences of Christianity s two leading apostles From a modern perspective this leads to the inescapable conclusion that both primary witnesses to Jesus resurrection Peter and Paul were victims of self deception In conclusion he asks whether in light of the nonhistoricity of Jesus resurrection thinking people today can legitimately and in good conscience still call themselves Christians Gerd L demann is a professor of the history and literature of early Christianity at the University of G ttingen Germany Professor L demann s published conclusions about

Christianity aroused great controversy in his native Germany where the Confederation of Protestant Churches in Lower Saxony demanded his immediate dismissal from the theological faculty of his university Despite this threat to his academic freedom he has retained his post at the university although the chair he holds was renamed to disassociate him from the training program of German pastors L demann is also the author of Jesus After 2000 Years Paul The Founder of Christianity and The Resurrection of Christ A Historical Inquiry **The Resurrection of Jesus Christ** W. Ross Hastings,2022-02-08

The resurrection of Jesus Christ is one of the best attested facts of history But believing in the resurrection is one thing Knowing what it means is another Although much has been written about the apologetics of the resurrection little has been written about its theological meaning This book reveals the hidden depths of the theological significance and ongoing relevance of the resurrection of Jesus Christ for our being our salvation Christian life ethics and our future hope

Resurrection Frank J. Matera,2015 At the heart of the Christian message stands the proclamation of the resurrection the good news that God raised Jesus from the dead In Resurrection The Origin and Goal of the Christian Life Frank Matera explains why the resurrection was so important to the early church and why it remains important for Christians today Beginning with the gospels then moving to the Acts of the Apostles the Pauline Epistles and concluding with Hebrews 1 Peter 1 John and the book of Revelation Matera provides a comprehensive overview of how the different writings of the New Testament proclaimed the resurrection of Jesus Christ Written in a clear and accessible manner Matera presents readers with a way to understand the central message of the New Testament and of Christian faith God raised Jesus from the dead Building on this message he shows that the resurrection of Jesus enables and empowers believers to live in the world today and provides them with the assurance that God will raise them from the dead as well **The Resurrection of Jesus Christ**

Gerald O'Collins,1973 **After Easter** Jeremy Royal Howard,Doug Powell,2016-02-01 After Easter provides a brief case for the historical reality of the resurrection of Jesus Christ and describes the impact of His rising from the dead Each chapter ends with a few simple thought provoking questions for individual reflection or small group discussion The full Gospel of John is also included making this the perfect leave behind tool for personal evangelism After Easter everything changed Great Preaching on the Resurrection ,1984 Nineteen sermons on the resurrection of Christ taken from the pages of The Sword Of The Lord **The Resurrection of Jesus** John Dominic Crossan,Nicholas Thomas Wright,2005-11-07 Two of today s most important and popular New Testament scholars John Dominic Crossan and N T Wright here air their very different understandings of the historical reality and theological meaning of Jesus Resurrection The book highlights points of agreement and disagreement between them and explores the many attendant issues This book brings two leading lights in Jesus studies together for a long overdue conversation with one another and with significant scholars from other disciplines

Did Jesus Rise from the Dead? Matthew Levering,2019-02-21 The Resurrection of Jesus is at the very root of Christian faith without belief in Jesus Christianity dies In this thought provoking work Matthew Levering defends the credibility of the

claim that Jesus rose from the dead Drawing on the work of N T Wright Levering shows that the historical evidence vindicates this assumption and reveals that the Gospels were backed by eyewitnesses who were living and telling their stories even during the time of the writing of the Gospels The author also emphasises the importance of evaluating the Old Testament to validate Jesus Resurrection By highlighting the desire both in the ancient world and now to make the Resurrection more comprehensible by spiritualizing it Levering argues that the fact that the disciples themselves did not do this provides a further clue to reliability Finally the author addresses the question of why Jesus does not continue to show himself in his glorified flesh after his resurrection which is often seen as a strong case for scepticism However he shows that Jesus entire mission is predicated upon helping us to avoid cleaving to the present world over God He is leading us to where he is the kingdom of God the beginning of the new creation at the Father s right hand By developing these arguments for the historical reality of Jesus Resurrection this ground breaking study expertly draws together historical and theological reasons for believing that Jesus Resurrection happened

The Resurrection of Jesus Dale C. Allison, Jr.,2021-03-11 The earliest traditions around the narrative of Jesus resurrection are considered in this landmark work by Dale C Allison Jr drawing together the fruits of his decades of research into this issue at the very core of Christian identity Allison returns to the ancient sources and earliest traditions charting them alongside the development of faith in the resurrection in the early church and throughout Christian history Beginning with historical critical methodology that examines the empty tomb narratives and early confessions Allison moves on to consider the resurrection in parallel with other traditions and stories including Tibetan accounts of saintly figures being assumed into the light in the chapter Rainbow Body Finally Allison considers what might be said by way of results or conclusions on the topic of resurrection offering perspectives from both apologetic and sceptical viewpoints In his final section of modest results he considers scholarly approaches to the resurrection in light of human experience adding fresh nuance to a debate that has often been characterised in overly simplistic terms of it happened or it didn t

Did Jesus Rise From the Dead? Gary R. Habermas,Antony Flew,Terry L. Miethe,2003-12-04 This is the most important question regarding the claims of the Christian faith Certainly no question in modern religious history demands more attention or interest as witnessed by the vast body of literature dealing with the Resurrection James I Packer says it well in his response to this debate When Christians are asked to make good their claim that this scheme is truth they point to Jesus resurrection The Easter event so they affirm demonstrated Jesus deity validated his teaching attested to the completion of his work of atonement for sin confirms his present cosmic dominion and coming reappearance as Judge assures us that his personal pardon presence and power in people s lives today is fact and guarantees each believer s own reembodiment by Resurrection in the world to come The Apostle Paul considered the Resurrection to be the cornerstone of the Christian faith If Jesus did not rise from the dead the whole structure Christianity collapses Paul tells us in 1 Corinthians 15 14 17 And if

Christ has not been raised our preaching is useless and so is your faith More than that we are then found to be false witnesses about God And if Christ has not been raised your faith is futile emphasis added The Christian faith and its claim to be Truth exists only if Jesus rose from the dead The heart of Christianity is a living Christ Experiencing the Resurrection Henry Blackaby, Mel Blackaby, 2009-01-16 Experience the powerful reality of Christ's resurrection in your life Moment by moment day by day Two thousand years ago God raised Jesus Christ from the dead But that isn't a mere historical event It isn't simply a theological doctrine It is rather a huge moment that reverberates powerfully and meaningfully throughout history Even today Even in your life When God raised Jesus He also made it possible for Christ's life to reign eternally in His followers The resurrection is the foundation of your total freedom and complete victory in Christ And so it is an event an experience that's worthy of your daily celebration Experiencing the Resurrection is the second in a groundbreaking trilogy by the world renowned spiritual leader Dr Henry Blackaby and his son Dr Melvin Blackaby that guides you into experiencing the gospel of Christ in its fullness In this book they offer you a deeper understanding of the glorious joyous dimensions of the resurrection with the goal of revealing the living Lord at work in your daily life This is the first step to fully knowing and experiencing the peace joy power purpose and confidence that God promises you through the resurrection of His Son **The Resurrection of Jesus** Kenan Osborne OFM, 2004-09-20 The Resurrection of Jesus is a masterful study of the church's belief in the Resurrection of Jesus as the center of its faith Father Osborne makes a thorough examination of all the biblical texts dealing with the Resurrection and then traces the church's doctrinal statements and teachings to identify the different levels of authority that are claimed for each The result is a clear presentation of the major Christological developments pertaining to Jesus Resurrection that have taken place in the twentieth century Father Osborne has produced a pioneering study that integrates the threefold dimension of Christ's life death and rising from the dead into a comprehensive and balanced theology of the Resurrection This book will provide an excellent overview of and introduction to the achievements of contemporary Christology on the question of the Resurrection Its clear direct and popular style will provide stimulating reading for all believers **The Resurrection of Jesus** Michael R.
