## **Rethinking Childhood:**

**Rethinking Childhood** Peter B. Pufall, Richard P. Unsworth, 2004 Being a child in American society can be problematic In *Rethinking Childhood* 20 contributors from such disciplines as anthropology government education and religion provide a multidisciplinary view of childhood by listening and understanding the ways children shape their own futures *Rethinking Childhood* Peter B. Pufall, Richard P. Unsworth, 2003-11-21 Being a child in American society can be problematic Twenty percent of American children live in poverty parents are divorcing at high rates and educational institutions are not always fulfilling their goals Against this backdrop children are often patronized or idealized by adults Rarely do we look for the strengths within children that can serve as the foundation for growth and development In *Rethinking Childhood* twenty contributors coming from the disciplines of anthropology government law psychology education religion philosophy and sociology provide a multidisciplinary view of childhood by listening and understanding the ways children shape their own futures Topics include education poverty family life divorce neighborhood life sports the internet and legal status In all these areas children have both voice and agency They construct their own social networks and social reality sort out their own values and assess and cope with the perplexing world around them The contributors present ideas that lead not only to new analyses but also to innovative policy applications Taken together these essays develop a new paradigm for understanding childhood as children experience these years This paradigm challenges readers to develop fresh ways of listening to children s voices that enable both children and adults to cross the barriers of age experience and stereotyping that make communication difficult A volume in the Rutgers Series in Childhood Studies edited by Myra Bluebond Langner

**Rethinking Childhood** Arlene S. Skolnick, 1976 **Rethinking Children and Research** Mary Kellett, 2010-04-15 *Rethinking Children and Research* considers the way people approach research into childhood and children s lives and examines the debates concerning the forms and goals of such research Theoretical and practice based perspectives are discussed in the context of recent key developments in research theory and philosophy of children Mary Kellett promotes the idea that researchers should listen to the voices and perspectives of children as experts on their own lives and offers insights and guidance on approaches to research design implementation and presentation Recent debates and developments are considered including ethics approaching research with children from a child rights framework and rethinking the power dynamic within research relationships with children *Rethinking Children and Research* is essential for studying childhood and undergraduate or postgraduate level and will be of interest to all involved with research into childhood and children s lives in the areas of education health and social services **Rethinking Children's Play** Fraser Brown, Michael Patte, 2013-01-17 A thought provoking re examination of children s play drawing together insights and experiences across fields such as education sociology philosophy and psychology to encourage an inter disciplinary approach *Rethinking Children and Families* Nick Frost, 2011-03-17 **Rethinking Children as Consumers** Cyndy Hawkins, 2016-09-13 Children

are significant consumers of services such as health welfare educational institutions and the environment Alongside this the marketization of childhood means that children are exposed to advertising and marketing through a wide range of media on a daily basis Examining key debates on children s power status and citizenship issues it considers the wider implications of how consumerism impacts on children s health well being and life chances This timely book explores childhood and consumerism through four key strands children as consumers of services children as consumers of space the link between citizenship and consumption the influences of the marketization of childhood **Rethinking Children as Consumers** will be essential reading for students researchers practitioners and policy makers who are interested in the topic of consumerism across early childhood childhood youth and society **Rethinking Children's Spaces and Places** David Blundell,2016-09-22 How do we understand children and young people s lives in ways that do not rely on nostalgic romantic ideals or demonising prejudices Can the geographical concepts of space place and spatiality enhance our understanding of childhood and how children experience their lives as social actors This book draws on a rich and growing academic literature concerned with the spatiality of childhood and the spaces and places in which children live learn work and play It examines changing ways of seeing space place and environment and how these can promote rethinking about children s lives across local and global scales In common with other texts in the New Childhoods series it asks for a reappraisal of modernity s assumptions about childhood and for a move towards full participation of children and young people in matters that concern us all Combining critical discussion of theory with examples drawn from research **Rethinking Children s Spaces and Places** offers readers a language to facilitate rethinking and catalyse active responses to the challenges of 21st century childhoods **Rethinking Childhood** Phil Jones,2009-05-07 A key textbook exploring all of the different aspects of childhood from education to health from national policies to home life **Respecting Childhood** Tim Loreman,2009-04-16 Respecting Childhood critically examines modern day views and practices related to children and childhood **Rethinking Children's Rights** Phil Jones,Sue Welch,2018-02-22 **Rethinking Children s Rights** explores attitudes towards and experiences of children s rights Phil Jones and Sue Welch draw on a wide range of thought research and practice from different fields and countries to debate challenge and re appraise long held beliefs attitudes and ways of working and living with children This second edition contains updated references to legislation and research underpinning children s rights reflecting on recent scholarship and on the current world context New research and examples are discussed around online protection and privacy evaluating UK progress and the children s rights review by the United Nations recent insights on the implementation of the United Nations Convention on the Rights of the Child UNCRC new debates about the construction and development of children s rights new debates about the relationships between social exclusion and children s rights Recent developments in the definition of rights are considered from a variety of perspectives and in relation to different arenas of children s lives This second edition brings an increased focus on exploring the notion of disjunction between the rhetoric of policy and legislation and the enacted and

perceived experiences of children's rights Themes discussed include power relations between adults and children the child's voice intercultural perspectives social justice gender and disability Examples of research activities interviews with researchers and guidance on further reading make this an essential text for those studying childhood Rethinking Children and Research Mary Kellett, 2010-06-17 Considers the way people approach research into childhood and children's lives and examines the debates concerning the forms and goals of such research **Rethinking Children and Inclusive Education** Sue Pearson, 2016-10-06 Rethinking Children and Inclusive Education examines attitudes towards and experiences of children's marginalization and inclusion Sue Pearson draws on a wide range of thought research and practice from different fields and countries to debate challenge and reappraise long held beliefs attitudes and ways of working and living with children with differing needs and learning challenges This book adopts a broad view of inclusive education that embraces all with examples mainly but not exclusively related to special educational needs takes a nuanced perspective which goes beyond reductionist debates about placement and gives attention to the wider educational and social contexts that envelop schools and those that follow schooling Throughout Rethinking Children and Inclusive Education acknowledges some of the tensions contradictions and overlaps in policies and practices by exploring a variety of UK and international sources Making an original contribution to current debates the text emphasises research that adopts a socio cultural ecological perspective alongside that which focuses on child factors including participatory or emancipatory research and highlights the links between principles research policies and practices Including extensive examples of research practical activities key points and guidance on further reading Rethinking Children and Inclusive Education is essential reading for all those studying childhood at undergraduate and graduate level and of great interest to those working with children in any field **The Value of Play** Perry Else, 2009-02-20 Most recognize that play is good for children yet we are confused by the dangers we see in the wider environment and so often restrict children's natural opportunities to play As a result children's play has gained increased awareness amongst a variety of professions working with children many of whom have different approaches to play and children The Value of Play is explained using the Integral Play Framework a model that draws together differing views on the purpose of play and its various types These ideas are then used as the basis for chapters of the book showing why playing is valuable to our bodies our minds and culturally and socially There are examples of how play can be supported both informally and formally at home and in children's settings As well as theory there are relevant practical approaches for play activities and observations of playing children to help explain the processes Key questions are asked at times to help those who may be engaged in a more reflective form of practice The Value of Play has been written to be accessible by a broad spectrum of readers including all those training to work with children those specifically engaged in playwork as a field in itself and those on Childhood Studies programmes Early Childhood Studies Ewan Ingleby, 2013-01-17 Early Childhood Studies A Social Science Perspective explores key issues in early childhood studies from

a variety of social science disciplines including psychology sociology social policy and education Each chapter considers a different social science discipline identifying analysing and critically assessing how that particular discipline enriches early years provision and research User friendly student features are included throughout including Icebreakers introduce the main chapter themes Objectives help readers to develop cognitive skills moving from identifying to analysing to critically assessing Formative activities encourage practical application of the content Case studies ground theory in practice Research activities support those looking to take their understanding further Self assessment questions allow readers to test their knowledge Further reading references and web links provide ideas for further exploration An essential course companion for all Early Childhood Studies undergraduate students
