Rethinking The Pacific

Yoko Kanemasu

Rethinking The Pacific:

Rethinking the Pacific Gerald Segal, 1991 Parts of the Pacific region are of increasing importance for international security and prosperity But in this the first study of the trends in the international relations of the region Segal demonstrates that the Pacific never has been and gives no indication of becoming a coherent region In fact the vital developments taking place in the region are best understood in the context of global trends The study provides historical perspective to the idea of the Pacific and then analyzes the fundamental trends in politics ideology culture security and economic affairs

Researching Multilingually Bridget Goodman, Brian Seilstad, 2025-01-14 This book examines what researching multilingually means in practice and theory It is multinational and transnational in scope including the voices of both experienced and emerging scholars who reflect on the process of conducting analyzing and reporting multilingual research in various settings Together the chapters address issues including theorizing multilingualism and collaborative research with multilingual scholars and research participants navigating insider or outsider positioning with research participants making and accepting language choices among researchers and participants during research translating and interpreting multilingual data and confronting policy challenges of multilingual research design and reporting in English dominant contexts The book ties these processes to existing theories of multilingualism in research and proposes new ways of understanding best practices while also wrestling with challenges and at times failures in the research process **The**

Routledge Handbook of Teaching English to Young Learners Sue Garton, Fiona Copland, 2018-10-10 The Routledge Handbook of Teaching English to Young Learners celebrates the coming of age for the field of research in primary level English Language Teaching With 32 chapters written by international scholars from a wide geographical area including East Africa Mexico the South Pacific Japan France the USA and the UK this volume draws on areas such as second language acquisition discourse analysis pedagogy and technology to provide An overview of the current state of the field identifying key areas of TEYL Chapters on a broad range of subjects from methodology to teaching in difficult circumstances and from Content and Language Integrated Learning CLIL to gaming Suggestions of ways forward with the aim of shaping the future research agenda of TEYL in multiple international contexts Background research and practical advice for students teachers and researchers With extensive guidance on further reading throughout The Routledge Handbook of Teaching English to Young Learners is essential reading for those studying and researching in this area *Postcolonial Past & Present* Anne

Collett, Leigh Dale, 2018-11-26 In *Postcolonial Past Present* twelve outstanding scholars of literature history and visual arts look to those spaces Epeli Hau ofa has insisted are full not empty asking what it might mean to Indigenise culture A new cultural politics demands new forms of making and interpretation that rethink and reroute existing cultural categories and geographies These makers include Mukunda Das Janet Frame Xavier Herbert Tomson Highway Claude McKay Marie Munkara Elsje van Keppel Albert Wendt Jane Whiteley and Alexis Wright Case studies from Canada to the Caribbean India to

the Pacific and Africa analyse the productive ways that artists and intellectuals have made sense of turbulent local and global forces Contributors Bill Ashcroft Debnarayan Bandyopadhyay Anne Brewster Diana Brydon Meeta Chatterjee Padmanabhan Anne Collett Dorothy Jones Kay Lawrence Russell McDougall Tekura Moeka a Tony Sim es da Silva Teresia Teaiwa Albert Wendt Lydia Wevers Diana Wood Conroy

Higher Education, Research, and Knowledge in the Asia-Pacific Region V. Meek,C. Suwanwela,2007-01-08 One of the first books to focus on different national perspectives of knowledge production and research in higher education in the Asia Pacific region it compares contrasts and critically analyzes how policy in Asia Pacific countries is furthering a supportive or non supportive environment for the promotion of research within higher education

Rethinking Women's Roles Denise O'Brien,Sharon W. Tiffany,1984-01-01

The Pacific Islands Moshe Rapaport,1999 Academic survey of the Pacific Islands Includes maps photographs tables diagrams atlas and detailed index

Education in Australia, New Zealand and the Pacific Michael Crossley,Greg Hancock,Terra Sprague,2015-01-29 This book provides an up to date and well grounded analysis of education in Australia New Zealand and the Pacific including Cook Islands Federated States of Micronesia Fiji Kiribati Marshall Islands Papua New Guinea Samoa Solomon Islands Tonga Tuvalu and Vanuatu Leading writers from throughout this region identify contemporary educational challenges issues and priorities while drawing upon their own ongoing empirical research Key themes include the impact of international trends and developments educational reform and the quality of education indigenous learning inclusivity aid and development co operation and the changing role and place of tertiary education Detailed studies of specific educational systems and developments are considered in the light of broader analyses that run throughout the volume

Pacific Island Women and Contested Sporting Spaces Yoko Kanemasu,2023-06-26 This book focuses on the variety of strategies developed by women athletes in the Pacific Islands to claim contested sporting spaces in particular rugby union soccer beach volleyball recreational sports and exercise as a prism to explore grassroots women s engagement with heavily entrenched postcolonial hetero patriarchy Based on primary research conducted in Fiji Samoa Solomon Islands and Vanuatu the book investigates contested sporting spaces as sites of infrapolitics intersected primarily by gender and also by other markers of inequality including ethnicity sexuality class and geopolitics Contrary to historical and contemporary representations of Pacific Island women as victims of gender injustice it explores how these athletes and those who support them actively carve out space for their transformative agency

Pacific Island Women and Contested Sporting Spaces Staking Their Claim focuses on a region underexamined by sport or gender studies researchers and will be of key interest to scholars and students in Gender Studies Sport Studies Sociology and Pacific Studies as well as sport practitioners and policymakers

The Transformation of the Asian-Pacific Region ,1991

American Pacificism Paul Lyons,2006-09-27 This powerful critique of American Islander relations draws upon extensive resources including literary works and government documents to explore the ways in which conceptions of Oceania have been entwined in the American imagination

Pathways to the Present Mansel G.

Blackford,2018-03-31 Ranging from the Hawaiian Archipelago to the Aleutian Islands from Silicon Valley to Guam Pathways to the Present is a thoroughly researched and concisely argued account of economic and environmental change in the postwar American Pacific Following a brief survey of the history of the Pacific the author takes the Hawaiian Islands as the center of American activities in the region and looks at interactions among native Hawaiian developmental military and environmental issues in the archipelago after World War II He then turns to land and water use problems that have intersected with more nebulous quality of life concerns to generate policy controversies in the Seattle region and the San Francisco Bay area especially Silicon Valley Economic expansion and environmentalism in Alaska are examined through the lens of changes occurring along the Aleutians From there the study considers Hiroshima after its destruction by the atomic bomb in 1945 looking at residents desire to combine urban planning concepts The author investigates the effort to remake Hiroshima as a high tech city in the 1990s an attempt inspired by the perceived success of Silicon Valley and postwar planning on Okinawa where American influences were particularly strong The final chapter takes into account issues raised on Guam regarding the growth of tourism and the use of the island for military purposes and links these to developments in the Philippines to the west and American Samoa to the south

The Capability Approach Francesca Panzironi, Katharine Gelber,2012 This book examines the application of the capability approach in development practice and in public policy focussing on its adoption in the Asia Pacific region in both developed and developing countries

Settler Garrison Jodi Kim,2022-04-07 In *Settler Garrison* Jodi Kim theorizes how the United States extends its sovereignty across Asia and the Pacific in the post World War II era through a militarist settler imperialism that is leveraged on debt as a manifold economic and cultural relation undergirded by asymmetries of power Kim demonstrates that despite being the largest debtor nation in the world the United States positions itself as an imperial creditor that imposes financial and affective indebtedness alongside a disciplinary payback temporality even as it evades repayment of its own debts This debt imperialism is violently reproduced in juridically ambiguous spaces Kim calls the settler garrison a colonial archipelago of distinct yet linked military camptowns bases POW camps and unincorporated territories situated across the Pacific from South Korea to Okinawa to Guam Kim reveals this process through an analysis of how a wide array of transpacific cultural productions creates antimilitarist and decolonial imaginaries that diagnose US militarist settler imperialism while envisioning alternatives to it

Children's Multilingual Literacy Pauline Harris, Cynthia Brock, Elspeth McInnes, Bec Neill, Alexandra Diamond, Jenni Carter, Ufemia Camaitoga, Meresiana Krishna, Eleni Giannakis,2020-10-22 This book offers a comprehensive report on a three year cross cultural critical participatory action research study conducted in children's homes and communities in Fiji This project contributed to building sustainable local capacity in communities without access to early childhood services so as to promote preschool children's literacy development in their home languages and English The book includes rich descriptions of the young children's lived multilingual literacy practices in their home and community contexts This work advances

research based practices for fostering young children s multilingual literacy and building community capacity in a post colonial Pasifika context further it shares valuable insights into processes and complexities that are inherent to multiliteracy and cross cultural research Relationality and Learning in Oceania Seu'ula Johansson-Fua,Rebecca Jesson,Rebecca Spratt,Eve Coxon,2020-02-25 This multi authored volume draws on the collective experiences of a team of researcher practitioners from three Oceanic universities in an aid funded intervention program for enhancing literacy learning in Pacific Islands primary education schools The interventions explored here in Solomon Islands and Tonga were implemented via a four year collaboration which adopted a design based research approach to bringing about sustainable improvements in teacher and student learning and in the delivery and evaluation of educational aid This approach demanded that learning from the context of practice should be determining of both content and process that all involved in the interventions should see themselves as learners Essential to the trusting and respectful relationships required for this approach was the program s acknowledgement of relationality as central to indigenous Oceanic societies and of education as a relational activity *Relationality and Learning in Oceania* Contextualizing Education for Development addresses debates current in both comparative education and international aid Argued strongly is that relational research practice approaches south south south north which center the importance of context and culture and the significance of indigenous epistemologies are required to strengthen education within the post colonial relational space of Oceania and to inform the various agencies and actors involved in education for development in Oceania and globally Maintained is that the development of education structures and processes within the contexts explored through the chapters comprising this volume continues to be a negotiation between the complexity of historically developed local traditions and understandings and the global imperatives shaped by dominant development discourses *Researching in the Age of COVID-19* Helen Kara,Su-Ming Khoo,2020-10-23 As the COVID 19 pandemic hit researchers plans discussion swiftly turned to adapting research methods for a locked down world The big three methods questionnaires interviews and focus groups can only be used in a few of the same ways as before the pandemic Researchers around the world have responded in diverse thoughtful and creative ways from adapting their data collection methods to fostering researcher resilience and rethinking researcher researched relationships This book part of a series of three Rapid Responses showcases new methods and emerging approaches Focusing on Response and Reassessment it has three parts the first looks at the turn to digital methods the second reviews methods in hand and the final part reassesses different needs and capabilities The other two books focus on Care and Resilience and Creativity and Ethics Together they help academic applied and practitioner researchers worldwide adapt to the new challenges COVID 19 brings **Annual Review of Comparative and International Education 2017** Alexander W. Wiseman,2018-02-03 This volume surveys the field of comparative and international education CIE from several globally representative perspectives providing expert analyses on a range of recent trends and important concerns in the CIE community worldwide **Tuvalu,**

Theology, and the Geopolitics of Climate Change Maina Vakafua Talia, 2025-02-18 This book examines the threat posed by climate change to the low lying islands of Tuvalu through a lens of what it means to be a neighbour Those who live on Tuvalu are among the most vulnerable in the world to threats of rising sea levels and global climate change Their carbon emissions are miniscule and they are weak actors in terms of the geopolitics of climate change The task in Tuvalu is to take seriously the prospect of the submergence of islands and the potential for cultural extinction This prospect raises a network of interconnected questions to do with the rights of climate displaced persons and sovereignty over lands lost to climate change In this volume the author draws upon Indigenous knowledge the ethics of climate justice insights from climate science and familiarity with discourses surrounding the Anthropocene to explore the implications of the parable of the Good Samaritan The rhetoric of the question am I not your tuakoi neighbour inserts a theological and moral dimension into the complex politics of climate change The book will be of particular interest to scholars of theology ethics ecology and environment as well as those working in Pacific studies development studies and politics

Country Diagnostic Study on Long-Term Care in Tonga Asian Development Bank, 2021-11-01 This publication presents findings of a study on the availability and provision of long term care LTC in Tonga It discusses the need for and supply of LTC in the country including regulatory and policy frameworks service provision quality management human resources and financing Analysis conclusions and recommendations for the development of LTC systems in Tonga are also included Aiming to contribute to increasing the knowledge base on LTC policies programs and systems this publication is one of six country diagnostic studies the others on Indonesia Mongolia Sri Lanka Thailand and Viet Nam prepared under the Asian Development Bank technical assistance 9111 Strengthening Developing Member Countries Capacity in Elderly Care

Rethinking The Pacific Introduction

In the digital age, access to information has become easier than ever before. The ability to download Rethinking The Pacific has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Rethinking The Pacific has opened up a world of possibilities. Downloading Rethinking The Pacific provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Rethinking The Pacific has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Rethinking The Pacific. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Rethinking The Pacific. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Rethinking The Pacific, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Rethinking The Pacific has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular

choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Rethinking The Pacific Books

1. Where can I buy Rethinking The Pacific books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Rethinking The Pacific book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Rethinking The Pacific books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Rethinking The Pacific audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
