# Rethinking Welfare A Critical Perspective

**Sue Wheeler**

## **Rethinking Welfare A Critical Perspective:**

**Rethinking Welfare** Iain Ferguson, Michael Lavalette, Gerry Mooney, 2002-04-18 I would encourage undergraduates students to read it for it does summarise well a classical Marxist analysis of social policy and welfare Social Policy The anti capitalist movement is increasingly challenging the global hegemony of neo liberalism The arguments against the neo liberal agenda are clearly articulated in Rethinking Welfare The authors highlight the growing inequalities and decimation of state welfare and use Marxist approaches to contemporary social policy to provide a defence of the welfare state Divided into three main sections the first part of this volume looks at the growth of inequality and social and environmental degradation Part Two centres on the authors argument for the relevance of core Marxists concepts in aiding our understanding of social policy This section includes Marxist approaches to a range of welfare issues and their implications for studying welfare regimes and practices Issues covered include Class and class struggle Oppression Alienation and the family The last part of the book explores the question of globalization and the consequences of international neo liberalism on indebted countries as well as the neo liberal agenda of the Conservative and New Labour governments in Britain The authors conclude with the prospect of an alternative welfare future which may form part of the challenge against global neo liberalism Continuing

Professional Development in Social Work Carmel Halton, Fred Powell, Margaret Scanlon, 2015-06-03 Continuing professional development CPD has become a defining issue in twenty first century social work There is widespread consensus in favour of CPD But what is it Are there discernible international trends What are the barriers to participating in CPD What do social workers think about and want from CPD This book seeks to answer these questions Based on a survey and interviews with social work practitioners CPD in social work offers a unique insight into the possibilities and challenges of CPD and the issues it presents for newly qualified and experienced social workers in practice Combining the perspectives of social workers and their managers with international research assures its global appeal It offers possible directions for the future of post qualifying social work education making it essential reading for practitioners educators managers and policy makers

**Key Debates in Social Work and Philosophy** Tom Grimwood, 2015-09-16 In order to practice effectively in today's complex and changing environment social workers need to have an understanding of how contemporary cultural and philosophical concepts relate to the people they work with and the fields they practice in Exploring the ideas of philosophers including Nietzsche Gadamer Taylor Adorno MacIntyre Zizek and Derrida this text demonstrates their relevance to social work practice and presents new approaches and frameworks to understanding social change Key Debates in Social Work and Philosophy introduces a range of concerns central to social work and social care with chapters looking at questions such as What is the self How are communities formed Why is choice important Are certain rights really applicable to all humans What are the political and ethical implications of documenting your practice What does it mean to be a professional social worker Each chapter focuses on a particular area of dispute presenting the relevant philosophical theories and considering

how relevant social work examples and research can be used to further inform theoretical debate and includes questions to prompt discussion and reflection The only book to examine the philosophical ideas that underlie and inform contemporary issues for social work and social care practitioners this is a useful resource for those studying social work theory policy and practice

**Understanding theories and concepts in social policy** Ruth Lister,2010-06-01 A central theme of this lively and accessible text is that theory helps us to understand policy politics and practice The book combines an in depth exploration of selected theoretical perspectives and concepts with the student friendly format of the Understanding Welfare series The author uses diverse examples from contemporary social policy to help theoretical arguments come alive It should provide a key text for 2nd and 3rd year undergraduates and postgraduates in social policy and related subjects as well as their teachers

**Exploring Social Policy in the 'new' Scotland** Mooney, Gerry,Scott, Gill,2005-06 This text integrates the description analysis of social policy in Scotland since devolution in 1999 It has been designed to support the delivery of social policy related courses in Scotland itself but also to appeal to students on social policy politics sociology and regional studies courses

**Deviant Knowledge** Reece Walters,2013-01-11 In this important and original book Reece Walters examines the politics of criminology and the ways in which criminological knowledge is generated It includes an overview of the politics and practice of conducting criminological research drawing upon material from Britain Europe Australia New Zealand and the USA and the ways that regulatory and governing authorities set research agendas manipulate the processes and production of knowledge and silence or suppress critical voices through various techniques of neutralisation The book argues for knowledges of resistance a position that promotes critique challenges concepts of power and social order wrestles with notions of truth and adheres to intellectual autonomy and independence It provides invaluable insights into the relationship between the criminological researcher public officials and corporate representatives Drawing upon a wide range of interviews with academics and administrators from government and business the book provides rare insights into the ways that knowledge about crime and criminal justice is produced and consumed revealing why certain topics of criminological enquiry are rarely funded and why others receive ongoing political and governmental support The book will be essential reading for anybody interested in the development of criminological theory and research and the context and influences that shape it

**Social Policy** Michael Lavalette,Alan Pratt,2005-11-15 The Third Edition of this widely adopted textbook has been thoroughly revised and offers an authoritative and up to date coverage of the key theories concepts and issues in social policy The lively and readable text has been designed to provide students with the essential tools to gain a clear understanding of the theoretical debates surrounding the discipline The book is organized into three parts Part One offers a detailed but accessible critique of major theoretical approaches such as neo liberalism Marxism feminism and racism Part Two explores conceptual debates such as distributive justice and postmodernism Part Three engages with contemporary social policy issues such as children pensions and the role of New Labour It also features newly commissioned chapters to reflect recent

developments and current debates within social policy New areas of consideration include Citizenship Post structuralism The politics of food Globalization Student exercises and reading lists feature throughout the text and practical examples are skilfully used to illustrate conceptual and theoretical material making it the ideal core textbook for undergraduate social policy students as well as those studying related welfare modules across the social sciences **Sociology and Social Work**

Jo Cunningham, Steve Cunningham, 2014-03-24 Sociological perspectives and their application to social work are an inherent part of the QAA benchmark statements in the social work degree In addition graduates must understand how sociological perspectives can be used to dissect societal and structural influences on human behaviour at individual group and community levels This fully revised second edition includes a new chapter on social class and welfare and is mapped to the new Professional Capabilities Framework for Social Work **Social Policy and Social Work: An Introduction** Jo

Cunningham, Steve Cunningham, 2012-01-26 An understanding of social policy is crucial for social workers as it underpins and shapes the legislative framework that they work within From safeguarding service users and enabling them to improve their lives to protecting the most vulnerable in society social policy also has a vital role to play within social work education It is important therefore for students to engage critically with social policy This book introduces policy and shows how it has changed and evolved over time how it reflects changes in society and how it is applied to everyday practice Sociology as

Applied to Health and Medicine Graham Scambler, 2018-03-10 A new edition of a seminal textbook that offers an up to date concise and theoretically and empirically informed introduction to the core issues in the sociology of health and health care It includes updated chapters on established themes of social aspects of health disease and medical practice social structures and the organisation of health services as well as brand new chapters on contemporary topics such as globalisation the sociology of the body and digital technologies As proven by previous editions this text has special salience for students of medicine and allied health programmes Moreover with increased attention to international perspectives and examples and an accessible writing style it remains an ideal choice for undergraduate and postgraduate health modules on sociology courses across the world New to this Edition Increased emphasis on global perspectives and international examples All existing chapters thoroughly updated New chapters on globalisation and health re conceptualising bodies and digital health and health care ensure that the book takes the latest developments in the discipline into account **Becoming a Social**

**Worker** Vivienne E. Cree, 2013-01-22 This is a book about social workers and social work It tells the story of the journey into and through social work of people from around the world living and working in social work today We hear what has brought them into social work and what has kept them in it since Their lively accounts demonstrate that commitment and passion remain at the heart of social work today This new edition of Becoming a Social Worker is made up of entirely new stories It describes what it is like to be a social worker in a range of different practice settings in different countries While many of the narratives are from practitioners and educators who either grew up in or came as adults to the UK half of the narratives

explores the experiences of social workers and educators working in different parts of the world in countries as diverse as Australia and New Zealand India and Bangladesh Ireland Sweden and Eastern Europe Nigeria the USA and Canada The book ends with a commentary which argues that social work is truly a global profession Some of the contributors will be recognised as those who have played a key part in shaping social work over the years and they provide valuable insights into how the profession has developed over time Other contributors less well known but no less interesting give a vivid account of the challenges that social work education and practice face and the shared values that underpin social work wherever it is located Social work is a demanding and difficult job that goes largely unseen within society We only ever hear about social work and social workers when something goes wrong and a vulnerable adult or child is hurt Becoming a Social Worker sets out to change that to make social work visible so that those considering a career in the caring professions across the world can make an informed choice about whether social work is the career for them

**International Encyclopedia of Social Policy** Tony Fitzpatrick,Huck-ju Kwon,Nick Manning,James Midgley,Gillian Pascall,2013-07-04 Available in paperback for the first time this milestone work offers an in depth treatment of all aspects of the discipline and practice of social policy globally Supported by a distinguished international advisory board the editors have compiled almost 900 000 words across 734 entries written by 284 leading specialists to provide authoritative coverage of concepts policy actors welfare institutions and services along a series of national regional and transnational dimensions Also included are biographical entries on major policy makers and shapers The editors have particularly striven to provide strong coverage of differing geographical and cultural traditions so that the variety of social policy as both an academic discipline and a domain of governance is reflected Contributors draw in and make the necessary connections with social policy s associated disciplines to provide a rich picture of this vast and highly diverse field Comprehensive and authoritative the Encyclopedia has sought to open up rather than to foreclose the numerous areas in which there is on going research debate and sometimes serious disagreement and divergence in theory and practice To this end entries attempt to introduce a core or common ground of understanding before moving on to a wider discussion of debates regarding different conceptual and geographical approaches The whole is integrated by cross referencing and each entry includes a bibliography for further reading There is a full index The International Encyclopedia of Social Policy provides the most substantial mapping of the international study and practice of social policy to date and will stand as a vital storehouse of knowledge for many years to come

**Social Policy and Social Work** Jo Cunningham,Steve Cunningham,2017-06-05 An understanding of social policy is crucial for social workers as it underpins and shapes the legislative framework that they work within From safeguarding service users and enabling them to improve their lives to protecting the most vulnerable in society social policy also has a vital role to play within social work education It is important therefore for students to engage critically with social policy This book introduces policy and shows how it has changed and evolved over time how it reflects changes in society and how it is applied to everyday practice

Social Justice and Social Policy in Scotland Gerry Mooney, Gill Scott, 2012-04-25 Social justice and social policy in Scotland offers a critical engagement with the state of social policy in one of the devolved nations of the UK a decade after the introduction of devolution Promoting greater social justice has been held up as a key vision of successive Scottish administrations since devolution began It is argued throughout this important book that the analysis of Scottish social policy must therefore be located in wider debates around social injustice as well as about how the devolution process affects the making implementation and impact of social policy Social justice and social policy in Scotland focuses on a diverse range of topics and issues including income inequalities work and welfare criminal justice housing education health and poverty each reflecting the themes of social inequality and social justice This book will be essential reading for academics researchers policy makers and practitioners as well as students of social policy and of society in Scotland and other devolved nations

**Introducing Social Policy** Cliff Alcock, Guy Daly, Edwin Griggs, 2014-06-06 The completely revised second edition of this highly respected textbook provides a comprehensive yet digestible and accessible introduction to the theoretical foundations development and crucial areas of contemporary concern in social policy and welfare Fully up to date it provides a concise but thorough overview of the context for the provision of social welfare in contemporary Britain and beyond Providing an integrated framework to highlight the relationships between theory policy and practice Introducing Social Policy examines social policy from a multi disciplinary perspective It therefore encourages a broad understanding of the importance of the subject within social policy itself as well in social work healthcare education and beyond

Difference and Diversity in Counselling Sue Wheeler, 2006-07-13 All counsellors are compelled to take account of the diverse society in which they practice and to inform themselves of best practice with all client groups This book provides a contemporary psychodynamic perspective on difference and diversity to bring practitioners up to date with current thinking when faced with a client who is in some way different References to race culture or disability in classical psychoanalytic literature are few In a society that embraces diversity and seeks to afford equality for all theories of male and female identity development need revisiting Older people make up a large proportion of the population and religious beliefs make headline news but psychodynamic perspectives on clinical work with such groups are limited Indeed the social context of the 21st century that provides the backdrop for the hopes fears and aspirations of our clients warrants attention as people and organisations are shaped by the social systems that prevail In the past decade equal opportunities legislation and the need to be proactive in thinking about diversity has begun to make its mark Complacency is no longer tolerated This book is essential reading for counsellors and psychotherapists in training and for experienced practitioners whose continuous professional development will be enhanced by re evaluating how diversity affects their practice

*Anti-Oppressive Practice in Health and Social Care* Viola Nzira, Paul Williams, 2008-11-11 Anti Oppressive Practice in Health and Social Care presents a distinctive holistic approach to developing anti oppressive practice in a range of health and social care settings and with a range of service users Drawing on

case studies and practice guidelines the book proposes strategies which students and professionals can use to develop skills in cultural equality and anti discrimination and apply them to their everyday practice The book begins with an account of the nature of anti oppressive practice and goes on to explore the core theories concepts and strategies of anti oppressive practice Key features of the book include a positive preventative approach that sets it apart from existing texts in the field invaluable practical guidance on how to develop and evaluate personal and organisational cultural practice a number of helpful features such as annotated case studies which illustrate best practice cultural competence and common pitfalls Anti Oppressive Practice in Health and Social Care is an essential text for all health and social care undergraduates on such courses as social work health care nursing and counselling It will also be a useful reference tool for qualified practitioners who wish to reflect on their personal and organisational practice

### **Working with Vulnerable Adults** Bridget

Penhale,Jonathan Parker,2007-11-22 This text provides an understanding of current professional practice in social and health care examining abuse of vulnerable adults and the ways in which social policy welfare services and practitioners may compound or alleviate vulnerability Working with Vulnerable Adults develops a sound basis for understanding issues of risk vulnerability and protection and investigates how agency policies and procedures may often unintentionally lead to the voice of service users being marginalised or unheard Drawing on recent and established research about the protection of vulnerable adults the book covers Social work social care settings and vulnerable adults The concept of abuse and adult protection Using the law in adult protection Professional and quality assurance issues Assessment in social work with vulnerable adults Dealing with and managing vulnerability risk and abuse Adults with mental health difficulties long term conditions and learning disabilities Community abuse and asylum seekers Much contemporary social and health care practice with adults is concerned with issues of risk and protection Working with Vulnerable Adults provides information and knowledge for students and practitioners who are interested in finding out more about this important field

Undoing Privilege Professor Bob Pease,2021-11-18 For every group that is oppressed another group is privileged Here Bob Pease argues that privilege as the other side of oppression has received insufficient attention in both critical theories and in the practices of social change As a result dominant groups have been allowed to reinforce their dominance The second edition of Undoing Privilege extensively revises the six sites of privilege from the first edition Western dominance class elitism white and patriarchal privilege and heterosexual and able bodied privilege to reflect policy shifts and new social movement initiatives as well as the latest research and resources This edition also includes four new chapters on anthropocentrism cisgender privilege adultism and Christian privilege Pease points out that while the vast majority of people may be oppressed on one level many are also privileged on another He demonstrates how members of privileged groups can engage critically with their own dominant position and explores the potential and limitations of them forming relations of solidarity against oppression and their unearned privilege The second edition includes new theoretical developments in privilege theory

collective responsibility complicity in systemic injustice and allyship It is an essential book for all who are concerned about developing theories and practices for a socially just world      *Wellbeing* Anneyce Knight, Vincent La Placa, Allan McNaught, 2014-08-15 Wellbeing Policy and Practice details the contemporary research evidence base for health and wellbeing within the global context The concept of wellbeing is currently being explored globally with policy makers debating how to use and measure wellbeing beyond the traditional means that focus upon material and economic indicators This book looks at the contemporary research evidence base and discusses how this improved knowledge can be applied to both healthcare policy and practice It explores and analyses the many different but inter facing arguments around wellbeing and its relevance in the modern world Written by a multi professional group of health and wellbeing academics who have extensive national and international experience across the statutory and non statutory sectors the book is essential reading for healthcare professionals and policy makers looking for a comprehensive and up to date summary of the latest research and practice in the field of wellbeing
