Retiefs War

Keith Laumer

Retiefs War:

Retief's War Keith Laumer, 2016-03-24 The twenty seventh century planet of Quopp is a world where Earthmen walk cautiously or not at all The inhabitants are weirdly diabolical creatures possessing spoked wheel limbs and sprouting steel sharp talons Plans are afoot to place these singular beings under a single government friendly to Earth But Jame Retief officer of the distinguished Corps Diplomatique Teresstienne a supra national organization devoted to keeping the peace has discovered that evil forces are undermining the whole scheme Deviously sincere uncompromisingly venal fearlessly cowardly Retief goes to work against mounting planetary intrigue and more than once brings those around him to the brink of nervous collapse

Retief's War Keith Laumer, 1985-08-01 James Retief assigned to unite hostile Quoppian tribes for the sake of Earth's security must first foil the destructive plans of the evil Groaci and encounters the beautiful princess Fifi

Retief's Ransom Keith Laumer, 2016-02-29 Lumbaga is a planet without known virtues but with some decidedly odd natives For every Lumbagan is simply an arbitrary assortment of semi independent organs inspired by a lust for mayhem But even the most undesirable chunk of galactic real estate attracts its quota of rival overlords and the fiendish Groaci had a scheme for absorbing Lumbaga into their sphere of influence It was working well too until it involved Retief Terran diplomat

extraordinary To his powerful intellect the machinations of the Groaci were child's play

Retief and the Warlords Keith Laumer, 2016-02-29 Across the galaxies against wrongdoers and rogues Only Retief the indomitable champion of the underdog and 27th century diplomacy can seal the peace between the battling earthlings and the lobster like aliens known as the Haterakans In constant peril the daring spacewarrior must join a pirate band cross the fatal boundaries of the Terran Defense League and take on his arch rivals Foulbrood and Bloodblister Facing certain torture double dealing and ruthless espionage he passes within inches of death But he must emerge victorious or the Hatracks will waste no time in executing their berserk plan to raise earthlings as a food supply

Retief: Ambassador to Space: Seven Incidents of the Corps Diplomatique Terrestrienne Keith Laumer, 2016-02-29 How are things on Rockamorra Bad very Earth Ambassador Pinchbottle has contracted to fight a dinosaur and it's up to troubleshooter Jame Retief to keep him from being stomped mangled or eaten Things are tough on other planets too with a civil war on Skweem a dying race on Sulinore and mudstorms on Schweinhund's World These seven stories show the Galaxy's hippest diplomat at his unexpected and jaunty best

The Return of Retief Keith Laumer, 2016-03-24 PLANET AFTER PLANE FELL TO THE REE A vast and powerful race the Ree needed breeding room for an ever increasing population and their expansion plans took no account of human territory The farmers and miners of Tip Space were helpless against the Ree invasion Still the Terran diplomats dithered holding back the Navy hoping for a truce Retief already on probation for undiplomatic behaviour earned himself the assignment parleying with the Ree when he urged force against them A suicide mission Perhaps but Retief is Retief

Retief in the Ruins Keith Laumer, 2016-03-24 It's a rare day when Terrans meet eye to eyestalk with the slimy little sticky fingers or that is to say the

noble alien Groaci This time the races clash on the planet Popu Ri once the home of a mighty interstellar power Popu Ri has sunk into decline but its ancient treasures remain Though not for long if the Groaci have their way Groaci also finds Popu Ri just the place to build a galactic warfleet Still for the Corps Diplomatique Terrestrienne to respond would threaten the delicate balance of human Groaci forces on the cocktail circuit Therefore the ambassador must keep the lid on by doing nothing But how to do nothing without seeming an ineffectual pantywaist Send an observer Yep the Ambassador has it all figured out But he made one little mistake he sent Retief Night of Delusions Keith Laumer,2016-03-24 It starts out as a weird but seemingly understandable assignment bodyguarding a mad politician whose keepers have decided to let him escape as a sort of reality therapy But to understand the Senator Florin must enter the Machine an reality will never be the same From now on he s a Knight of Delusions *End as a Hero* Keith Laumer,2016-03-24 Mankind was at war with the hideous Gool and losing Then beyond Ganymead one man fought the searing brain probe of an alien spy and won He mastered the power of its telepathic mind control captured the secret of its matter transmitters and learned how to destroy the Gool Overlords He called intelligence with news of the victory and headed home Straight into a barrage of Terran nuclear warheads Past missiles shells and assassins he made it home alone badly wounded and branded a traitor by conventional Terran wisdom that said no one could survive the Gool brain probe No one that is except a brainwashed puppet deliberately allowed to survive to serve the Goos as a spy But he must survive Earth s attempts to kill him because no matter how much his fellow humans want him dead he knows that he is the only one who can lead them against the Gool and have a chance at victory **Retief and the Rascals** Keith Laumer,2016-02-29 Terran diplomat and interplanetary troubleshooter Jame Retief must stop the belligerent five eyed Groaci from invading the beleaguered planet of Bloor which is already plagued by violence between rival gangs *The Monitors* Keith Laumer,2016-02-29 Even after the set had been turned off the TV blared the announcement Citizens of Earth I am Tersh Jetterax It is my pleasure to announce to you that a new government has taken over the conduct of all public affairs And thus the US was in the hands of the Monitors the strangely polite yellow clad beings whose powers were such that they could render everyone helpless without shedding one drop of blood Who are they The Russians An alien race from another planet **Galactic Odyssey** Keith Laumer,2016-02-29 Billy Danger had gone past hitting the skids now he was freezing to death in a blizzard So he took shelter in a corn silo that turned out to be a disguised alien starship and woke up light years from Earth **The Other Side of Time** Keith Laumer,2016-02-29 BLINDING LIGHT NOISE BEYOND SOUND A JOURNEY INTO NOTHINGNESS Imperial Intelligence Agent Brion Bayard was catapulted into nothingness by an unknown force and woke to find himself in a universe not his own Surrounded by hulking cannibalistic ape men who called themselves Hagroon Bayard was soon entrapped in a web of time lines He found himself running from the Hagroon into the arms of Dzok the educated monkey man of Xonijeel transported by Dzok to a universe where Napoleon the Fifth was in power and left there to the tender powers of the beautiful witch Olivia struggling with the

bonds of a fictitious past always striving to regain his lost universe of Zero zero Stockholm so he could bring the warning which might save his world from sudden violent death **The World Shuffler** Keith Laumer,2016-02-29 TWAS BORING IN ARTESIA or so thought Sir Lafayette O Leary ex craftsman from Earth and now seemingly ex interdimensional swashbuckler extraordinaire as well His battles were all won his dragons all slain and life was just the same boring round of riches royal hunts and regatas Boring boring boring until he walked past the azalia Suddenly Artesia was gone and O Leary was trapped in Melange a world of giants and pirates karate chopping hags and electronic flying carpets a world where goons and harlots are the spitting images literally of his own aristocratic Artesian associates And because they think he s his double lots of his new friends want O Leary dead Unless he can get through the interdimensional gate and find the continuum path back home O Leary s life will never be boring again Just short **Science Fiction and Fantasy Book Review** Neil Barron,R.

Reginald,Robert Reginald,2009-11 Science Fiction Fantasy Book Review was founded in 1979 to provide comprehensive coverage of all the major and minor books being released in the genre at that time This was the golden era of SF publishing with a thousand titles old and new hitting the stands and the bookshelves each and every year From the older classics to the newest speculative fiction this was the period when the best and the brightest shined forth their talents SF FBR included reviews by writers in the field by amateur critics and by litt rateurs and University professors Over a thousand books were covered during the single year of publication many of them having been reviewed no where else before or since The January 1980 issue includes a comprehensive index of all the works featured during the preceding year This reprint will be a welcome addition to the literature of science fiction and fantasy criticism Neil Barron is a retired bibliographer and literary critic editor of the acclaimed Anatomy of Wonder series Robert Reginald was the publisher for twenty five years of Borgo Press and has authored over 110 books of his own **The Ultimax Man** Keith Laumer,2016-02-29 In the next few days you will

master the rules and techniques for every activity skill talent sport and art ever mastered by any human being anywhere You will be as expert at clipping flints as at architectural drawing You will be able to juggle walk a tightrope and add the numerals on the sides of passing freight cars as fast as any idiot savant You ll absorb all the information in all the books the human race s entire heritage of knowledge This was only the beginning of the experiment that was to turn a petty thief into the mos brilliant and powerful man ever to hold the earth in thrall This was only the first step on the path of conquest mapped out for THE ULTIMAX MAN *The Great Time Machine Hoax* Keith Laumer,2016-03-24 Chester W Chester IV inherits a run down mansion and millions in back taxes In order to pay the taxes he initially decides to auction off the mansion and its contents but then he discovers a massive computer the Generalized Nonlinear Extrapolator or Genie that can bring any situation or time to life *The Infinite Cage* Keith Laumer,2016-03-24 When he awakens in a skid row alley Adam knows nothing Not who he is nor where he s from Money is a mystery So are women All he begins his new life with is a will to survive But he learns fast first how to get away then how not to have to In the beginning Adam wants to be friends with us

Before he's through he just might run the human race off its feet **Retief to the Rescue** Keith Laumer, 2016-03-24 Retief returns to make the galaxy safe for diplomacy The diplomat extraordinaire faces his ultimate challenge on the embattled planet Further on to keep the peace and keep himself in one piece Voracious Crawlies want him for dinner while the wily Creepies are besieging Earth's embassy Then greedy Groacians add fuel to the fire igniting civil war for their own secret ends Only a rare diplomat can pull his Corps out of this stew save his boss's hide and preserve the future of the Galaxy

Reward for Retief Keith Laumer, 2016-02-29 Retief's latest assignment is on Zany Doo a wild undeveloped planet whose residents have a marked dislike for Terrans The caterpillaroid natives seem to have something to hide but neither Ambassador Spoilsport nor Retief's ineffable boss Ben Magnan can figure out what it might be Then Retief and Magnan stumble into an idyllic enclave unlike anything else they've seen and realize just how special Zany Doo is The planet is at the center of a trans temporal flux where the very nature of reality can be transformed by a thought But even in a world where reality is subject to whim honor courage and determination will carry the day After all Retief is just a state of mind

Embark on a transformative journey with is captivating work, Discover the Magic in **Retiefs War** . This enlightening ebook, available for download in a convenient PDF format Download in PDF: , invites you to explore a world of boundless knowledge. Unleash your intellectual curiosity and discover the power of words as you dive into this riveting creation. Download now and elevate your reading experience to new heights .
