Sinfulness Of Sin:

The Sinfulness of Sin Ralph Venning, 2015-02-12 In this powerful treatise Puritan preacher Ralph Venning exposes the heinous nature of sin revealing its devastating effects and the ruin it brings to the human soul With uncompromising clarity Venning shows how sin corrupts man s being offends God s holiness and deserves eternal condemnation Yet he also points to the grace and mercy of Christ who delivers repentant sinners from sin s guilt and power This compelling work is a timeless reminder of sin s ugly reality and the glorious redemption found only in the gospel

The Sinfulness of Sin Ralph Venning, 2017-04-22 Sin is contrary to the nature of God God s name is holy and as his name is so is he and his nature all holy he is so and cannot but be so Therefore God takes it worse that men should think him wicked like themselves Psalm 50 16 22 than that they think him not to exist Psalm 14 1 It is said to weary him when men say that evil is good in his sight Malachi 2 17 This is the thing God glories in that he is holy even glorious in holiness Exodus 15 11 Holiness is the attribute which frees God not only from evil itself but from all appearance or suspicion of evil If God were not holy many of the things which God does would look unlike him his justice and judgments would look not only like severity but tyranny were not it and they holy his love in its conduct and behaviour to some people would look like fondness and respect of persons but that it is holy his patience would look like a toleration if not approbation of sin but that it is holy patience Thus many acts of God were it not for holiness would appear as seemingly evil as they are really good and would be as much suspected by all as they are unjustly censured by some God is holy without spot or blemish or any such thing without any wrinkle or anything like it as they also that are in Christ shall one day be Ephesians 5 27 He is so holy that he cannot sin himself nor be the cause or author of sin in another He does not command sin to be committed for to do so would be to cross his nature and will Nor does he approve of any man s sin when it is committed but hates it with a perfect hatred He is without iniquity and of purer eyes than to behold i e approve iniquity Habakkuk 1 13

The Mischief of Sin Thomas Watson, 2025-06-01 If we give enough thought to the implications of sin in our lives it would probably take us years to list all the results and consequences of man's sinfulness from impure thoughts to evil actions from dirty speech to violence from personal to society decay from a life spent on vain pursuits to a sorrowful death But sin is even more destructive to man it affects our very souls and were it not Christ to come into this fallen world and die on the cross to save us our eternal destination would have been hell Hell forever disaster and suffering without end total darkness unlimited pain and unrestrained evil In this little book Thomas Watson calls us to consider this topic with the sobriety and earnestness of those who really care for their own lives and souls He calls us to prayerfully search our hearts as he unfolds that the Bible describes as the sinfulness of sin This book was originally published in 1671 This edition has been proofread typeset for eBook readers and lightly updated for modern readers

Sinning Like a Christian William H. Willimon, 2013-02-01 The seven deadly sins are a well known topic but surprisingly not much has been written about them in recent years from a serious theological viewpoint Will Willimon's engaging book which takes an unflinching look at the meaning and substance of sin will be of great interest to Christians Study questions by the author are included The felt need is an increasing dissatisfaction with shallow feel good Christianity which does not attempt to grapple with our propensity visible around us and in our own lives to do evil

This edition includes a new introduction by the author **Stumbling in Holiness** Brian P. Flanagan, 2018-09-25 In *Stumbling in Holiness* professor and theologian Brian P Flanagan addresses the ways in which both holiness and sinfulness condition the life of the pilgrim church The book is rooted in a liturgical theological explanation of how the church prays through its continuing need for repentance and purification as well as its belief in its present and future participation in the life of the Holy One After reviewing some of the ways in which past theologians have tried to explain the coexistence of ecclesial holiness and sinfulness Flanagan suggests that even if we can have confidence that God will fully sanctify the church in the reign of God our ecclesiology must always attend to both the sanctity we already experience in the church and the sinfulness that is part of our continuing journey toward that reign **Reader, If You Have Been Convinced of the Exceeding Sinfulness of Sin ...** ,1828 The Concept of Anxiety in Søren Kierkegaard Arne Grøn, 2008 Summarizes and anticipates themes that are developed in Kierkegaard's other works *The Sinfulness of Little Sins* John Jackson, 1851

The Severed Self Michael Nathan Steinmetz, 2021-09-07 The concept of sin permeates Søren Kierkegaard's writing This study looks at the entirety of his works in order to systematize his doctrine of sin It demonstrates four key aspects sin as misrelation sin as untruth sin as an existence state and sin as redoubling in the crowd Upon categorizing Kierkegaard's doctrine of sin his writings are examined to determine if his hamartiology is consistent across his numerous pseudonyms To conclude the study places Kierkegaard's doctrine of sin within the broader theological discussion
