Long Left Flank:

The Long Left Flank Williams, Jeffery, 1988 **Long Left Flank** Jeffery Williams, 1988-09-26 When in August 1944 the Allies broke out of Normandy the world's attention became fixed on the dramatic British and American armoured thrusts into the Rhine. The war in Europe seemed all but over. Far to the left along the flank of the Allied Expeditionary Force almost unnoticed a battle was beginning on whose outcome hung not only victory but the possibility of disaster. Under strength neglected by Montgomery and denied by Eisenhower the supposed which he had promised First Canadian Army paid an appalling price in casualties to clear the Channel coast and open up the great port of Antwerp. Commanded by General Harry Crerar the army contained not only Canadians but for most of the campaign more British troops than the Eighth Army at Alamein. Poles, Americans, Dutch, Belgians, Czechs and French served in it and were partnered in all their operations by the equally international No 84 Group RAF. Their hard won success in clearing the banks of the Scheldt and in capturing Walcheren Island was followed four months later by victory in the Rhineland. There with almost every one of Montgomery's British Divisions under command they smashed the best of what remained of the German Army and with it Hitler's last hope of defending the Rhine. The way was open for the Allies into the heart of the Reich. In the war's final phase most of Crerar's British divisions were replaced with Canadian formations newly arrived from their arduous campaign in Italy. Striking north and west after crossing the Rhine they liberated Holland and drove eastward into the heavily defended area of Germany. At war's end they had reached the Weser and were closing on the great naval bases of Emden and Wilhelmshaven. Jeffery Williams won wide acclaim for his definitive biography Viscount Byng of Vimy. He brings the same assured touch to this lively and fast moving account of a crucial aspect of the battle for North West Europe which has hitherto been largely neglected by historians.

[Monty and the Canadian Army](#) John A. English, 2021-10-08 General Bernard Law Montgomery affectionately known as Monty exerted an influence on the Canadian Army more lasting than that of any other Second World War commander. In 1942 he assumed responsibility for the exercise and training of Canadian formations in England and by the end of the war Canada's field army was second to none in the practical exercise of combined arms. In *Monty and the Canadian Army* John A. English analyses the way Montgomery's operational influence continued to permeate the Canadian Army. For years the Canadian Army remained a highly professional force largely because it was commanded at almost every lower level by Monty men steeped in the Montgomery method. The era of the Canadian Army headed by such men ceased with the integration and unification of Canada's armed forces in 1964. The embrace of Montgomery by Canadian soldiers stands in marked contrast to largely
