

I love you because I know you're always there...
there to catch me when I fall... there to listen
when I need you, there when I feel alone. I love
you because you understand me... you know how
I feel even when I can't say it... you know I'm not
as strong as I say and still you never let me know
that I'm not fooling you. I love you because you
make me believe, believe that I am not
worthless... believe that I can be loved, am loved,
and can love others. I love you because you
know, you know I feel this way but can't say it
and still you wait... letting me take my time to
come to terms with the fact that I love you...
would give my life up to be with you... and about
all... never hurt you... lie to you... or leave you.
Now I hope you understand.
