

The cover features a painting of two men in 18th-century attire walking on a beach. The man on the left is in a dark coat and breeches, holding a walking stick. The man on the right is in a dark coat and breeches, holding a large bird of prey. A small dog is visible between them. The background is a hazy, yellowish sky. The bottom of the cover shows a dark, wavy sea.

DAVID LONGLEY

THE LONGMAN COMPANION TO
IMPERIAL RUSSIA
1689-1917

EDITED BY DAVID LONGLEY

Longman Companion To Imperial Russia 1689 1917

Patrick O'Meara

Longman Companion To Imperial Russia 1689 1917:

Longman Companion to Imperial Russia, 1689-1917 David Longley, 2014-07-30 This is the first book of its kind to draw together information on the major events in Russian history from 1695 to 1917 covering the eventful period from the accession of Peter the Great to the fall of Nicholas II Not only is a vast amount of material on key events and topics brought together but the book also contains fascinating background material to convey the reality of life in the period *Russia: A History, New Edition* Gregory Freeze, 2002-03-28 Drawing on recently opened archival materials leading American and European scholars provide an authoritative interpretation of Russian history and culture ranging from the eighth century to the recent creation of the Commonwealth of Independent States **Russia: A History, new edition**, 2002-03-28 From the formation of the Russian state in the 14th century to the political power struggles of the 1990s and the uncertainties of the new millennium this new history offers a fresh and systematic account of Russian history across six tumultuous centuries With greater access to previously unobtainable material and with the gradual depoliticization of what was once an intellectual Cold War battleground historians are now able to tell the story of Russia more dispassionately and with greater precision than was formerly possible Drawing on the best contemporary scholarship and informed throughout by the latest archival research into previously classified sources thirteen international experts here reassess and reinterpret the history of one of the world's great powers What emerges is a powerful sense of national destiny of repeated themes unchanging conditions and cycles of circumstance Throughout Russian history all powerful autocrats like Ivan the Terrible or Stalin have maintained their authority through brutality but their omnipotence was always under threat circumscribed by geography compromised by bureaucratic incompetence pervasive corruption and resistance from below A curious combination a veneer of omnipotence a void of operational power has periodically dissolved into times of trouble as in 1598 1917 and 1991 when the impotence of the regime became transparent to all Russian rulers have also had to contend with the same immense physical challenges a hugely dispersed population a perennial dearth of means and men to govern a primitive infrastructure Plagued by natural disasters hamstrung by structural problems the Russian economy whether pre revolutionary capitalist Soviet socialist or post Soviet semi capitalist has had enormous and disruptive difficulties adapting to the competitive world of international markets Another immutable elemental fact has been Russia's multinational composition which continues to generate discontent and disorder Yet Russia is a great survivor as the years from 1995 show characterized by economic recovery institution building and a new mood of self assertion in world politics For too long Russian history has been dominated by myths and counter myths concocted by those seeking either to legitimize the existing order or to destroy it This book containing many little known illustrations represents an important attempt to rethink Russian history and to provide a new understanding of Russia's complex but ever fascinating historical development A compelling story in its own right it is also essential reading for anyone with a private or professional interest in Russia and its place in the world **Russia**

Gregory L. Freeze, 2009 *The history of Russia from Kievan Rus to Vladimir Putin* Russia A History cuts through the myths and mystery that have surrounded Russia from its earliest days with startling revelations from classified archives that until comparatively recently were not even known to exist A distinguished team of historians has stripped away the propaganda and preconceptions of the past to tell the definitive story of Russia from tenth century Kiev and Muscovy through empire and revolution to the fall of Communism and the new order of the 1990s and early 21st century A compelling story in its own right it is essential reading for anyone with an interest in Russia and its place in the world This updated edition now covers the developments in the Putin era in the first decade of the 21st century *The Origins of the Russian Revolution, 1861-1917* Alan Wood, 2004-06 A concise introduction to the Russian Revolution and its origins dating back to the emancipation of the Russian peasant serfs in 1861 *The Mathematical Mind of F. M. Dostoevsky* Michael Marsh-Soloway, 2024-11-19 *The Mathematical Mind of F M Dostoevsky* Imaginary Numbers Non Euclidean Geometry and Infinity reconstructs the curriculum and readings that F M Dostoevsky encountered during his studies and connects such sources to the mathematical references and themes in his published works Prior to becoming a man of letters Dostoevsky studied at the Main Engineering School in St Petersburg from 1838 to 1843 After he was arrested submitted to mock execution by firing squad and sentenced to penal servitude in Siberia for his involvement in the revolutionary Petrashevsky Circle in 1849 most of his books and journals from the period of his education were confiscated and destroyed by the Third Section of the Russian Secret Police Although most scholars discount the legacy of his engineering studies the literary aesthetics of his works communicate an acute awareness of mathematical principles and debates This book unearths subtexts in works by Dostoevsky communicating veins of mathematical thought that evolved throughout Classical Antiquity the Renaissance and the Scientific Revolution ***The Russian Nobility in the Age of Alexander I*** Patrick O'Meara, 2019-05-30 The reign of Alexander I was a pivotal moment in the construction of Russia's national mythology This work examines this crucial period focusing on the place of the Russian nobility in relation to their ruler and the accompanying debate between reform and the status quo between a Russia old and new and between different visions of what Russia could become Drawing on extensive archival research and placing a long neglected emphasis on this aspect of Alexander I's reign this book is an important work for students and scholars of imperial Russia as well as the wider Napoleonic and post Napoleonic period in Europe ***Longman Companion to Britain since 1945*** Chris Cook, John Stevenson, 2014-09-09 This timely new edition of the Longman Companion to Britain since 1945 compiled by the series editors themselves provides a wide ranging compendium of key facts and figures on British history from the start of the landmark Attlee government in 1945 to the final years of the 1990s The book embraces all major aspects of British history government and society reflecting the massive social political and economic changes that have transformed the face of Britain since the end of the Second World War Fully revised and updated this new edition covers the advent of Tony Blair the

electoral victory of New Labour in 1997 and the major constitutional changes currently underway in Britain This book will be invaluable to anyone interested in the history and politics of post war Britain from students and teachers to party activists and lovers of reader friendly reference books A History of Russia Volume 1 Walter G. Moss,2003-07-01 This new edition retains the features of the first edition that made it a popular choice in universities and colleges throughout the US Canada and around the world Moss s accessible history includes full treatment of everyday life the role of women rural life law religion literature and art In addition it provides many other features that have proven successful including a well organized and clearly written text references to varying historical perspectives numerous illustrations and maps fully updated bibliographies accompanying each chapter as well as a general bibliography a glossary and chronological and genealogical lists The Abolition of Serfdom in Russia David Moon,2014-09-25 In February 1861 Tsar Alexander II issued the statutes abolishing the institution of serfdom in Russia The procedures set in motion by Alexander II undid the ties that bound together 22 million serfs and 100 000 noble estate owners and changed the face of Russia Rather than presenting abolition as an event that happened in February 1861 The Abolition of Serfdom in Russia presents the reform as a process It traces the origins of the abolition of serfdom back to reforms in related areas in 1762 and forward to the culmination of the process in 1907 Written in an engaging and accessible manner the book shows how the reform process linked the old social economic and political order of eighteenth century Russia with the radical transformations of the late nineteenth and early twentieth centuries that culminated in revolution in 1917

Decoding **Longman Companion To Imperial Russia 1689 1917**: Revealing the Captivating Potential of Verbal Expression

Longman Companion To Imperial Russia 1689 1917 Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Longman Companion To Imperial Russia 1689 1917 PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals

fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Longman Companion To Imperial Russia 1689 1917 PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Longman Companion To Imperial Russia 1689 1917 free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
