Longman Girl:

Longman's Magazine Charles James Longman,1905 **Longman's Magazine** ,1905 The Girl who Can Ama Ata Aidoo,2002 In this collection of short stories Aidoo elevates the mundane in women s lives to an intellectual level in an attempt at challenging patriarchal structures and dominance in African society *Playing Like a Girl* Marian Betancourt,2016-05-03 More and more women and girls are discovering the joy and relishing the fierce competition of team sports Their increasing participation in sports is influencing all aspects of women s and men s lives *Playing Like a Girl* explores the ramifications of this sports revolution such as the change in male female relationships the impact on women in the workplace the long term effects of Title IX and the phenomenon of men coaching women These ideas are explored through stories of women from grandmothers playing basketball in the Senior Olympics to working women who get up before dawn to row on the Potomac River Robert Lipsyte writing in The New York Times said For a wider look at the obstacles and opportunities facing the emergent female athlete read *Playing Like a Girl* Jo A Hannafin MD PhD founder of the Women s Sports Medicine Center Hospital for Special Surgery and team physician U S Rowing Team called the book A wonderful compilation of personal stories and hard facts which provide compelling evidence for the power of team sports in the development of strong and successful women Female Gladiators Sarah K. Fields,2010-10-01 *Female Gladiators* is the first book to examine legal and social battles over the right of women to participate with men in contact sports The impetus to begin legal proceedings was the 1972 enactment of Title IX which prohibited discrimination in educational settings but it was the Equal Protection Clause of the U S Constitution and the equal rights amendments of state constitutions that ultimately opened doors Despite court rulings however many in American society resisted and continue to resist allowing girls in dugouts and other spaces traditionally defined as male territories Inspired women and girls began to demand access to the contact sports which society had previously deemed too strenuous or violent for them to play When the leagues continued to bar girls simply because they were not boys the girls went to court Sarah K Fields s *Female Gladiators* is the only book to examine the legal and social battles over gender and contact sport that continue to rage today **A Girl's Wanderings in Hungary** H. Ellen Browning,1896 **Longman's Magazine** ,1896 *Girls with Guns* France Winddance Twine,2013 About the SeriesThe goal of this new unique Series is to offer readable teachable thinking frames on today s social problems and social issues by leading scholars all in short 60 page or shorter formats and available for view on <http://routledgecustomgateway.com/routledge-social-issues.html> For instructors teaching a wide range of courses in the social sciences the Routledge Social Issues Collection now offers the best of both worlds originally written short texts that provide overviews to important social issues as well as teachable exce **Exercise in the Female Life-Cycle in Britain, 1930-1970** Eilidh Macrae,2016-07-09 This book examines how adolescence menstruation and pregnancy were experienced or managed by active women in Britain between 1930 and 1970 and how their athletic life styles interacted with their working lives

marriage and motherhood It explores the gendered barriers which have influenced women's sporting experiences Women's lives have always been shaped by the socially and physically constructed life cycle and this is all the more apparent when we look at female exercise Even self-proclaimed sporty women have had to negotiate obstacles at various stages of their lives to try and maintain their athletic identity So how did women overcome these obstacles to gain access to exercise in a time when the sportswoman was not an image society was wholly comfortable with Oral history testimony and extensive archival research show how the physically and socially constructed female life cycle shaped women's experiences of exercise and sport throughout these decades

The Official Gazette Barbados, 1919 Supplements contain abstracts of House of Assembly and Legislative Council debates

Longman's School Grammar David Salmon, 1893 Pamela; or, Virtue rewarded ... The thirteenth edition. To which are prefixed, Extracts from several curious letters written to the editor on the subject Samuel Richardson, 1813

Pamela, or Virtue Rewarded Samuel Richardson, 2021-02-23 Pamela or Virtue Rewarded 1740 is a novel by English writer and printer Samuel Richardson Recognized as the first English novel Pamela or Virtue Rewarded is an epistolary novel that takes on the themes made popular in conduct literature a genre dedicated to educating readers on social norms An immediate bestseller the novel was frequently read aloud in villages and at sermons furthering its success and popularizing the form of the novel for other writers to imitate and adapt Pamela Andrews is a fifteen year old maidservant at an estate in Bedfordshire When Lady B her employer dies her son Mr B takes an interest in the innocent young girl quickly turning from generosity to outright attempts at seducing her As Pamela rejects his advances she considers returning home to live in poverty with her parents When he catches wind of her plan however Mr B accuses Pamela of having an affair notifying her parents and leaving her with nowhere to go Devastated the young girl takes a position at Lincolnshire Estate where she is abused by her employer Mrs Jewkes Suffering from frequent beatings and a prolonged period of confinement Pamela secretly communicates with the chaplain Mr Williams Desperate to escape but determined to stick to her morals Pamela resists renewed advances from Mr B who continues his jealous pursuit As the novel reaches its conclusion Pamela is forced to confront her fear of moral transgression while Mr B is faced with the possibility of reforming his libertine ways With a beautifully designed cover and professionally typeset manuscript this edition of Samuel Richardson's Pamela or Virtue Rewarded is a classic of English literature reimagined for modern readers

Writing Women in Modern China Amy D. Dooling, Kristina M. Torgeson, 1998 The past few years have seen a burgeoning effort to rethink questions of women writing and gender in modern China Here 22 works of fiction drama autobiography essays and poetry each prefaced by the author's photograph and a short biographical sketch introduce women whose literary careers coincided with an era of tremendous social political and cultural turbulence 18 illustrations

Conduct Books and the History of the Ideal Woman Tabitha Kenlon, 2020-03-31 The longest running war is the battle over how women should behave Conduct Books and the History of the Ideal Woman examines six centuries of advice literature analyzing the print origins of gendered expectations

that continue to inform our thinking about women's roles and abilities. Close readings of numerous conduct manuals from Britain and America written by men and women explain and contextualize the legacy of sexism as represented in prescriptive writing for women from 1372 to the present. While existing period-specific studies of conduct manuals consider advice literature within the society that wrote and read them, *Conduct Books and the History of the Ideal Woman* provides the only analysis of both the volumes themselves and the larger debates taking place within their pages across the centuries. Combining textual literary analysis with a social history sensibility while remaining accessible to expert and novice, this book will help readers understand the on-going debate about the often contradictory guidelines for female behavior.

Women in the British Army Lucy Noakes, 2006-04-18 In this fascinating timely and engaging study Lucy Noakes examines women's role in the army and female military organizations during the First and Second World Wars, during peacetime in the interwar era and in the post-war period. Providing a unique examination of women's struggle for acceptance by the British army, Noakes argues that women in uniform during the first half of the twentieth century challenged traditional notions of gender and threatened to destabilise clear-cut notions of identity by unsettling the masculine territory of warfare. Noakes also examines the tensions that arose as the army attempted to reconcile its need for female labour with their desire to ensure that the military remained a male preserve. Drawing on a range of archival sources including previously unpublished letters and diaries, official documents, newspapers and magazines, *Women in the British Army* uncovers the gendered discourses of the army to reveal that it was a key site in the formation of male and female identities.
