Looking In For Number One Adventures In Uncommon Sense:

Looking In for Number One (Alan Cohen title) Alan Cohen,2002-08-01 Alan Cohen shares this thoughts dreams humor and compassion in fifty two engaging essays Looking In for Number One Cohen says is about taking our power back from external authorities and living the life we would choose the life that calls us by virtue of the voice of joy within us *A Touch of Love from Heaven* Angel Love,2005-11 Standing in the Great Room at my home I see a rainbow appearing between the mirrors on my living room wall I note that the six colors of the chakra system are in the correct sequence red orange yellow green blue and lilac at the top of the rainbow Looking at my watch the time is 5 50 p m The rainbow disappears and now none can be seen The time is 5 55 p m Next almost immediately two rainbows appear The first one is on the back of the Great Room Wall to the right above the sofa while I stand there facing the mirrors The second rainbow appears on the lamp Both of them contain the six colors of the chakra system in the chronological order I am left wondering if these visuals are the light of God giving me the go ahead for putting my writings into the hands of the people Since the chakra system and the rainbow are both utilized in my writings I believe this sign is from God and no accident Uncommon Senses Chuck Slaght,2012-05
