Lord Of The High Lon:

Lord of the World Robert Hugh Benson, 2013-12-01 Lord of the World is a 1907 apocalyptic novel by Robert Hugh Benson. It is sometimes deemed one of the first modern dystopias. Michael D O'Brien's Catholic apocalyptic series Children of the Last Days follows a very similar theme as well.

Lord of the World: A Novel Robert Hugh Benson, 2017-03-17 1907 Dystopian Science Fiction Alternate History You must give me a moment said the old man leaning back Percy resettled himself in his chair and waited chin on hand. It was a very silent room in which the three men sat furnished with the extreme common sense of the period. It had neither window nor door for it was now sixty years since the world recognising that space is not confined to the surface of the globe had begun to burrow in earnest. Old Mr Templeton's house stood some forty feet below the level of the Thames embankment in what was considered a somewhat commodious position for he had only a hundred yards to walk before he reached the station of the Second Central Motor circle and a quarter of a mile to the volor station at Blackfriars. He was over ninety years old however and seldom left his house now. The room itself was lined throughout with the delicate green jade enamel prescribed by the Board of Health and was suffused with the artificial sunlight.
