whose union was imagined a hymen which the rain suggested and from which broader conceptions proceeded and grander gods emerged The most poetic of these are perhaps the Hindu At the heraldings of newer gods the lords of other ghostlands have after battling violently swooned utterly away But though many a fresher faith has been brandished at them apathetically in serene Sale Catalogues American Art Association, Anderson Galleries (Firm),inc American art association Aderson galleries,1921 The Americana ,1923
