Lost Chords White Musicians And Their Contribution To Jazz:

Lost Chords Richard M. Sudhalter, 2001 Too many jazz fans and critics and even some jazz musicians still contend that white players have contributed little of substance to the music that even with every white musician removed from the canon the history and nature of jazz would remain unchanged Now with Lost Chords musician historian Richard M Sudhalter challenges this narrow view with a book that pays definitive tribute to a generation of white jazz players many unjustly forgotten while never scanting the role of the great black pioneers Greeted enthusiastically by the jazz community upon its original publication this monumental volume offers an exhaustively documented vividly narrated history of white jazz contribution in the vital years 1915 to 1945 Beginning in New Orleans Sudhalter takes the reader on a fascinating multicultural odyssey through the hot jazz gestation centers of Chicago and New York Indiana and Texas examining such bands such as the New Orleans Rhythm Kings the Original Memphis Five and the Casa Loma Orchestra Readers will find luminous accounts of many key soloists including Bix Beiderbecke Benny Goodman Jack Teagarden Red Norvo Bud Freeman the Dorsey Brothers Bunny Berigan Pee Wee Russell and Artie Shaw among others Sudhalter reinforces the reputations of these and many other major jazzmen pleading their cases persuasively and eloquently without ever descending to polemic Along the way he gives due credit to Louis Armstrong Lester Young Duke Ellington Coleman Hawkins and countless other major black figures Already hailed as a basic reference book on the subject and now incorporating information that has come to light since its first publication Lost Chords is a ground breaking book that should significantly alter perceptions about jazz and its players reminding readers of this great music s multicultural origins

The Return of Jazz Andrew Wright Hurley, 2011-02 Jazz has had a peculiar and fascinating history in Germany The influential but controversial German writer broadcaster and record producer Joachim Ernst Berendt 1922 2000 author of the world s best selling jazz book labored to legitimize jazz in West Germany after its ideological renunciation during the Nazi era German musicians began in a highly productive way to question their all too eager adoption of American culture and how they sought to make valid artistic statements reflecting their identity as Europeans This book explores the significance of some of Berendt s most important writings and record productions

Particular attention is given to the Jazz Meets the World encounters that he engineered with musicians from Japan Tunisia Brazil Indonesia and India This proto world music demonstrates how some West Germans went about creating a post nationalist identity after the Third Reich Berendt s powerful role as the West German Jazz Pope is explored as is the groundswell of criticism directed at him in the wake of 1968

Complete Recorded Works in Transcription Sam Morgan's Jazz Band, 2012-01-01 Book URL <https://www.areditions.com/rrrra/a073.html> This edition consists of musical transcriptions of all eight recordings of Sam Morgan's Jazz Band made in New Orleans in 1927 These are among the first recordings of black New Orleans jazz bands made in their home city and as the band consisted of musicians who stayed on in New Orleans after the Great Exodus to Chicago and New York in the early 1920s the recordings preserve a purer form of the collectively improvised ensemble of the earliest black jazz bands It is a loosely integrated purely linear ensemble mass a collective projecting of melodic lines close to the unassimilated heterophonic singing of the Black Primitive Baptist and Sanctified Churches This proto jazz style was being rapidly eclipsed in the 1920s by more flamboyant and technically brilliant forms of New Orleans jazz being recorded by Louis Armstrong Sidney Bechet and Jelly Roll Morton The scores contained

herein are the first complete transcriptions of this rare and distinctive music to appear in print **Beyond the Bandstand**
