Ruffin, 2015-07-10 Discover the mysterious controversial and sometimes downright eerie history of flights that didn't end as planned The history of aviation is full of accounts of history's most spectacular flights But what about the ones from which someone failed to return A celebrated millionaire who also happened to be the world's foremost aviator lifted off in a small plane one clear morning in 2007 and disappeared The glamorous son of a beloved fallen president took off on a hazy summer night in 1999 and plunged himself and two others into the Atlantic Ocean A US Navy blimp landed one Sunday morning in 1942 in the middle of a city street in California with no one aboard Some of these non returns occurred because of errors in judgment others were intentional and some resulted from causes still unknown Get the full meticulous account of the fascinating people involved in these flights the mistakes they made and the ways in which their flight of no return affected the world Pilot and aviation writer Steven A Ruffin covers the entire 230 year span of manned flight in all types of aircraft through war and peace Balloons blimps biplanes jets and spaceships have all suffered mishaps over the years Don't miss the mystery adventure intrigue and a sprinkling of the supernatural and extraterrestrial in *Flights of No Return* **Vanished!** Evan Balkan, 2010-10-19 The best adventures come full circle depositing intrepid explorers back into their cozy armchairs to dream of the next challenge But often that armchair may be the last lingering thought as a last breath is taken as an adventure conjured in comfort spins off into a mystery forever unsolved *Vanished Explorers Forever Lost* dives deep into the true and harrowing accounts of adventurers who never came home From the disappearance in Utah of cowboy roamer Everett Ruess to the loss of billionaire explorer Michael Rockefeller in the wilds of New Guinea the tales of those forfeited to the call of wild adventure ring with mystery intrigue and excitement to this day Murdered drowned or eaten alive these are mysteries of disappearance likely to remain unsolved but never forgotten This book details them all So grab a copy and curl up in your comfy armchair with your favorite brew and delve into these intriguing mysteries **The Earhart Enigma** Dave Horner, 2013-04-17 Florida Book Awards Silver Medal Winner New answers to one of the greatest mysteries of the twentieth century What really happened to Amelia Earhart Since Earhart and her navigator disappeared during their around the world flight attempt in 1937 the world has searched in vain for an answer to this question The culmination of thirteen years of research into this tantalizing mystery *The Earhart Enigma* brings to life Earhart's final days in an attempt to reconstruct what exactly took place Offering candid assessments of prevailing theories about Earhart's fate Dave Horner marshals evidence from a variety of sources proving that Earhart was neither lost at sea nor wrecked on Nikumaroro where many search expeditions have failed to deliver concrete results Integrating information garnered from numerous interviews Pacific Islander folklore and US and Japanese

military documents Horner argues instead that Earhart ventured north of her intended destination in search of a place to land her Lockheed Electra Blending drama mystery and shocking revelations with the steady balance of an objective investigator Horner's findings provide a definitive answer to this fascinating riddle based on firsthand accounts from Marshall Islanders and other powerful evidence *Amelia Earhart's Faustian Bargain* Dr. Justin B. Clearsky, 2023-05-24

About the Book On July 09 2017 the History Channel aired a television documentary called Amelia Earhart The Lost Evidence which attracted a world wide audience of 4.3 million views The highlight of the History Channel's Earhart documentary was a photograph discovered by retired federal agent Les Kinney in the National Archives stamped with official Office of Naval Intelligence ONI markings In the photo a ship can be seen towing a barge with an airplane on the back and on a nearby dock are several people of which two of them resemble Amelia Earhart and Fred Noonan For the truth seeker who is interested in understanding the whole story behind Earhart's round the world flight who earnestly desires to know who really sponsored and funded the flight why the Electra was modified the way it was why the plane crashed in Hawaii why an identical plane of the same model was in Miami the same week Earhart departed on her trip what Earhart really did during the week she was in Bandoeng why Earhart's radio messages were crafted the way they were and what really prevented Earhart and Noonan from completing the flight are all questions that are answered in this work and more with evidence to back them About the Author The author's work also devotes one entire chapter to a detailed forensic study and analysis of all that is captured in the Kinney discovered dock photo and as a result can once and for all time stamp the date the photograph was taken A work that reexamines the mountain of evidence that all along has been staring the world in the face ever since Earhart and Noonan disappeared A work that is crammed with informative photographs charts diagrams maps and analyses from an author who is now retired and free from all former oaths and obligations formerly made to and given in the service of the devil Beyond the Known Andrew Rader, 2020-11-17

From brilliant young polymath Andrew Rader an MIT credentialed scientist popular podcast host and SpaceX mission manager an engaging Tim Marshall New York Times bestselling author chronicle showcasing our human desire to continually explore new and uncharted territory from civilization's earliest days to interstellar travel For the first time in history the human species has the technology to destroy itself But having developed that power humans are also able to leave Earth and voyage into the vastness of space After millions of years of evolution we've arrived at the point where we can settle other worlds and begin the process of becoming multi planetary How did we get here What does the future hold for us Divided into four accessible sections Beyond the Known examines major periods of discovery and rediscovery from Classical Times when Phoenicians Persians and Greeks ventured forth to The Age of European Exploration which saw colonies sprout on nearly every continent to The Era of Scientific Inquiry when researchers developed new tools for mapping and traveling farther to Our Spacefaring Future which unveils plans currently underway for settling other planets and eventually traveling to the stars A Mission Manager at SpaceX with a lively voice Andrew Rader is

at the forefront of space exploration As a gifted historian Rader who has won global acclaim for his stunning breadth of knowledge is singularly positioned to reveal the story of human exploration that is also the story of scientific achievement Told with an infectious zeal for traveling seeking new horizons Beyond the Known is an astute and highly flattering view of human aspirations Kirkus Reviews Missing! The Secret History of the United States Peter Kross, 2013-06-06 Everyone likes a good mystery be it based in fact or fiction The history of the United States is

full of mysterious facts that are not taught in school and most people don't know the untold stories surrounding many historical events. In *The Secret History of the United States* author Kross brings these little known stories to life. The book details conspiracy theories throughout our history from the discovery of the continent to the founding of the nation to our modern day. The book also tells the stories of unexplained events in our history as well as mysteries that have never been solved. The events covered in the book range from the American Revolution the Civil War World War II the Cold War the assassinations of the 1960s the Iraq war and the events leading up to 9/11. Among the subjects covered are the following: Was Christopher Columbus Jewish? The plots to kidnap George Washington Who was Agent 355 John Wilkes Booth and the Confederate Secret Service the Lindbergh baby kidnapping the plot to oust FDR Flight 19 Who killed JFK Nixon and the mob Watergate and the CIA Iran Contra and the intelligence failures that led up to 9/11. These stories are fascinating accounts of the underside of our hidden history that will amaze and inform the reader. *Crossing the Horizon* Laurie

Notaro, 2017-06-27 In 1927 three women including the daughter of an earl a former cigar girl turned society darling and a beauty pageant contestant all vie to be the first woman to fly across the Atlantic. *Women and the Military* Victoria Sherrow, 1996 *Women and the Military* looks at the significant contributions women have made to the services throughout our nation's history. By including information on all aspects of the combatant noncombatant and support roles of women in the military this illustrated encyclopedia chronicles both the accomplishments and the ongoing struggles experienced by women serving or fighting for the right to serve. In total nearly 400 alphabetical entries cover notable individuals events laws court cases concepts organizations wars and military branches. A highly readable introduction provides an informative and useful context for the entries while generous cross referencing an index and a bibliography ensure readers can easily locate related topics of interest. **Haunting Museums** John Schuster, 2009-04-27 The spectacularly successful move *A Night at the Museum* was a fantastic look at the off hours wonders of the American Museum of Natural History. However some of the real behind the scenes stories are more fantastic than anything a screenwriter could dream up. *Haunting Museums* covers these overlooked bits of history including curses mistaken dinosaurs conspiracy plots of the founding fathers spectral evidence of the afterlife and other unsettling matters on full display. Contents include *The Carnegie Sauropods Or Bring Me the Head of Apatosaurus Louisae* the story of a dinosaur on display for close to a half a century with the wrong head *What's on that Broad Stripe with Those Bright Stars* the quizzical mark on the flag that is known as the Star Spangled banner *The 1897 Living Eskimo Exhibit* where living people were put on display and turned over to the taxidermist for preservation after they died *Man eaters at the Museum* *The Lions That Stopped a Railroad* the story of the Maneless lions made legendary by the movie *the Ghost in the Darkness* *So Where is Amelia Earhart* the exhibit at the Smithsonian Air and Space museum of the most famous missing aviatrix of all time. Along with many other entertaining and fantastic stories. **Still Missing** Susan Ware, 1994 An analysis of Amelia Earhart's life as part of the history of women and American feminism.
