

A woman with long, wavy blonde hair, seen from behind, stands on a dark, reflective beach at dusk. She is wearing a black, sleeveless dress and holding a small, ornate lantern with a warm, glowing light inside. The ocean stretches out before her, meeting a pale, hazy sky at a distant horizon. The overall mood is contemplative and serene.

I lost myself trying to
please everyone. Now I'm
losing everyone as I find
myself.

Simon,2010-09-08 An Academy Award nominated screenwriter and a mystery novelist Roger L Simon is the only American writer to pull off the amazing trick of being profiled positively in both Mother Jones and National Review in one lifetime The stunning story of his political odyssey is told in this memoir where Simon recounts his migration from financier of the Black Panther Breakfast Program to pioneer blogosphere mogul beloved by the right as a 9 11 Democrat But Simon is beholden to neither right nor left in this tale of Hollywood chic run amuck as he talks out of school about his adventures with among many others Richard Pryor Warren Beatty Timothy Leary Richard Dreyfuss Woody Allen and Julian Semyonov the Soviet Unions version of Robert Ludlum and also a KGB colonel who tempted Simon to join the KGB himself *Loving Myself in Order to Love You* Sharon Annette Pollard,2011-08-09 Many episodes of my life made me believe that I had actually found this unique and special love but as before it was an illusion This love I wished for would be a love that I had never experience before And I often wondered does this love even exist And God answered that question for me and that answer was yes It does exist but it must start with me In so many cases we as women are the ones that give our love so freely so openly and so honestly But in return we accept the negativity of a relationship We accept the name calling the abuse whether its verbal or physical by the ones we have given our all This is not the love that God has blessed us with but the behavior that we have accepted and think it is love Life is a lesson learned daily The ups and the downs of relationships that we think are based on love are only stepping stones to a better understanding about love and how it is given and how it is accepted But first take a look in the mirror and admire the reflection you see looking back at you Love her respect her and admire her beauty her uniqueness She is rare one of a kind There is no one like her and her values are beyond any wealth It is only then when you

began to love that person and accept that person you will learn what this unspeakable love is all about and how to receive and to give it without doubt
