**Wouldn't You Love to Know?** Ian W. Payne,2014-08-08 With all the jumble of human disagreements how can we know Can the Christian church think coherently about knowledge Can it regain confidence in teaching what it knows In an increasingly divided and pessimistic postmodern world this book offers a theology for epistemology and for pedagogy that aims to be faithful and fruitful Building on Karl Barth it argues that God's knowing guides how humans know We should imitate God's epistemic stance his love for that is the best model for knowing anything The Trinitarian theme in Barth identifies three key concepts committedness openness and relationality These mean being committed and open towards what we wish to know Relational open committedness also profoundly clarifies and shapes what love means in knowing and in teaching This book unpacks an epistemology and pedagogy of love Wouldn't you love to know      Content and Method in

Christian Theology Alan PF Sell,2014-11-27 For three decades he flashed like a meteor across the theological horizon and then vanished      Mapping Systematic Theology in Africa Ernst M Conradie,Charl E Fredericks,2004-08-01 The emergence of an indigenous African theology especially since the 1960s is well documented A wealth of literature has been published in the context of African theology especially over the last two or three decades This indexed bibliography contains a number of publications in and for the African context specifically relevant to the fields of systematic theology and ethics      **Major**
