Modern Visions Along The Poudre Valley:

Modern Visions Along the Poudre Valley Phil Walker,2000 *Observations by the Way* John Clarke,2025-03-24 John Clarke husband and father of 5 children has compiled these life experiences inspired by a pamphlet written by his grandfather The Reverend Clifton McGlothlan **Jesus Said** Ray Martinez,2010-09-30 There is very much written about what Jesus said throughout the New Testament So I captured some of the key verses and expounded my personal thoughts and experiences on the ones that concerned me and have an impact on my life One of the most valuable verses is Psalms 138 8 that reads The LORD will perfect that which concerns me Your mercy O LORD endures forever Do not forsake the works of Your hands NKJ Gods confidence will not go away as long as we remain confident in him The amount of good that we have in our lives comes from God working his will in us In due time he will cause our transformation to grow through his supernatural favor My intention is to stimulate our thought process to help us recognize Gods presence in every aspect of our life even when we are asleep **The Truth About Marijuana** Ray Martinez,2012-05-10 Lets be honest people are misled about the genuine use of marijuana for medicinal use There was a point and time where our society used to believe that cigarettes were safe and harmless and some of the tobacco industry led us to believe it was healthy for us to smoke Sounds familiar with marijuana today Many years ago people would sell bottles of drinks that were supposed to cure everything better known as snake oil Today we are faced with the twenty first century snake oil that proponents want you to believe that marijuana cures everything from minor pains to cancer Snake oil never lives up to the sellers hype The great news is that most of our youth do not use marijuana that in itself is refreshing The Teachings of Jesus Ray Martinez,2023-04-19 There is very much written about what Jesus says throughout the New Testament So I captured some of the key topics and expounded on what Jesus specifically has to say Some of my personal thoughts and experiences are interwoven into the topical stories that concerned me and have an impact on my life The list of topics seems endless but I ve carefully chosen the most common questions and themes that people ask about From my perspective simplicity equals transparency I m not moved by what I see but I am moved by what is in the hearts and minds of people I think Consequently I ve chosen to simplify the message without diving too deep While quoting scriptures I ve used the NIV version of the Bible unless otherwise noted differently **ARE YOU LEADING?** Ray Martinez,2023-06-30 Leadership is a multifaceted concept that demands a wide range of skills and qualities for true effectiveness Essential components of leadership include independent and critical thinking problem solving abilities and taking responsibility for one s actions However these skills alone don t guarantee great leadership This book offers a comprehensive guide to leadership techniques covering essential qualities and skills in a simple easy to read format It s a must read for anyone looking to improve their leadership abilities and become more effective As you read you ll realize that many of these concepts are familiar but we often need a reminder to put them into action
