under close scrutiny Adopting a critical stance towards sacred forms Lynch reflects upon the ways in which sacred commitments can both serve as a moral resource for social life and legitimate horrifying acts of collective evil He concludes by reflecting on how we might live thoughtfully and responsibly under the light and shadow that the sacred casts asking whether society without the sacred is possible or desirable      **Hatred's Kingdom** Dore Gold,2012-04-01 A book to challenge the status quo spark a debate and get people talking about the issues and questions we face as a country
