Internationalism Dianne L. Durante, Jennifer L. Weber, 2010 Alphabetic entries explore the key issues and events that have caused the United States to alter its insular foreign policy Bill Clinton Michael Schuman, 2003 Although he still awaits the judgment of time and historians Bill Clinton will surely rank as one of America's most controversial leaders Despite being rocked by scandal Clinton managed to balance the federal budget push for welfare and health reforms and maintain a high popularity rating among the American people In Bill Clinton Revised Edition author Michael A Schuman examines the president's dramatic rise to the top as well as the strengths and flaws of his character The Whitewater and Monica Lewinsky scandals as well as President Clinton's impeachment trial are thoroughly examined in this updated book Book jacket El-Hi Textbooks & Serials in Print, 2005 ,2005 Planet Neptune and the Modern Us Presidents: Franklin Roosevelt to Barack Obama Suzanne Angioli, 2016-04-05 While studying the astrological birth charts of all the US presidents I discovered that those of the thirteen modern US presidents from Franklin Roosevelt to Barack Obama all had the natal Sun the planet most associated with one's basic identity making an aspect certain designated degrees between two planets to their natal Neptune This was surprising since I would have thought that politicians particularly those aspiring to the presidency would have an overwhelming emphasis on the Sun Mars aspect but not on the Sun Neptune aspect What I discovered in my research was that good politicians are not warriors Sun Mars per se who use the techniques of warfare to muscle their way through adversity Rather they are good actors Sun Neptune who are essentially chameleons Sun Neptune operating in the foggy Neptune realm of subtlety Neptune and seduction using their sensitivity Neptune and charm Neptune to serve their intuitive Neptune sides to try to achieve their goals It became apparent that a good politician is excellent at assuming different roles in order to fit a given political situation and move his agenda forward The Sun in aspect to Neptune is not unusual but there is no aggregate population that has 100 percent of its members with this aspect like the modern presidents I was intrigued with this occurrence and thus set out to research their individual biographies to see just how this aspect played out in their lives After all it seemed to be almost a prerequisite for being elected to the modern Oval Office
