

Modernism and the Critical Spirit

EUGENE Goodheart

With a new introduction by the author

Modernism And The Critical Spirit

Charles Ess

Modernism And The Critical Spirit:

Modernism and the Critical Spirit Eugene Goodheart, 1978 Complaints about the decline of critical standards in literature and culture in general have been voiced for much of the twentieth century These have extended from F R Leavis's laments for a lost center of intelligence and urbane spirit to current opposition to the predominance of radical critical theory in contemporary literature departments Humanist criticism which has as its object the quality of life as well as works of art may well lack authority in the contemporary world Even amid the disruptions of the industrial revolution nineteenth century humanists such as Matthew Arnold John Ruskin and Thomas Carlyle could assume a positive order of value and shared habits of imaginative perception and understanding between writers and readers Eugene Goodheart argues that by contrast contemporary criticism is infused with the skepticism of modernist aesthetics It has willfully rejected the very idea of moral authority Goodheart starts from the premise that questions about the moral authority of literature and criticism often turn upon a prior question of what happens when the sacred disappears or is subjected to the profane He focuses on contending spiritual views in particular the dialectic between the Protestant inspired largely English humanist tradition of Carlyle Ruskin Arnold and D H Lawrence and the decay of Catholicism represented by James Joyce and T S Eliot Goodheart argues that literary modernism in distancing itself from natural and social vitality tends to render suspect all privileged positions It thereby undermines the critical act which assumes the priority of a particular set of values Goodheart makes his case by analyzing the work of a variety of novelists poets and critics nineteenth century and contemporary He blends literary theory and practical criticism The argument is fresh the examples invariably telling Every reader interested in our cultural plight where it came from and what might be done about it will find this book invaluable Wayne C Booth Subtle yet vigorous polemic Goodheart's concern with the entire spectrum of religious social and literary issues puts him in the succession of Lionel Trilling *Modernism and the Critical Spirit* though it deplores the decline of authority in the wake of modernist virtues is itself authoritative because of the range and depth of its controversial analyses Geoffrey Hartman Eugene Goodheart is Edythe Macy Gross Professor of Humanities at Brandeis University His books include *Culture and the Radical Conscience* *The Skeptic Disposition* *Deconstruction Ideology and Other Matters* *Desire and Its Discontents* and *The Reign of Ideology*

Modernism and the Critical Spirit Eugene Goodheart, 2018-04-17 Complaints about the decline of critical standards in literature and culture in general have been voiced for much of the twentieth century These have extended from F R Leavis's laments for a lost center of intelligence and urbane spirit to current opposition to the predominance of radical critical theory in contemporary literature departments Humanist criticism which has as its object the quality of life as well as works of art may well lack authority in the contemporary world Even amid the disruptions of the industrial revolution nineteenth century humanists such as Matthew Arnold John Ruskin and Thomas Carlyle could assume a positive order of value and shared habits of imaginative perception and understanding between writers and readers Eugene Goodheart argues that by contrast

contemporary criticism is infused with the skepticism of modernist aesthetics. It has willfully rejected the very idea of moral authority. Goodheart starts from the premise that questions about the moral authority of literature and criticism often turn upon a prior question of what happens when the sacred disappears or is subjected to the profane. He focuses on contending spiritual views in particular the dialectic between the Protestant inspired largely English humanist tradition of Carlyle, Ruskin, Arnold and D. H. Lawrence and the decay of Catholicism represented by James Joyce and T. S. Eliot. Goodheart argues that literary modernism in distancing itself from natural and social vitality tends to render suspect all privileged positions. It thereby undermines the critical act which assumes the priority of a particular set of values. Goodheart makes his case by analyzing the work of a variety of novelists, poets and critics nineteenth century and contemporary. He blends literary theory and practical criticism.

Tradition and the Critical Spirit George Tyrrell, James C. Livingston, 1991 **Literature, Modernism and Myth** Michael Bell, 1997-01-28 The use of myth in Modernist literature is a misleadingly familiar theme. Joyce's appropriation of Homer's *Odyssey* and Eliot's of Frazer's *Golden Bough* are like Lawrence's primitivism or Yeats's nationalist folklore attempts to discover an underlying metaphysic in an increasingly fragmented world. In *Literature, Modernism and Myth* Michael Bell also examines the relationship of myth and modernism to postmodernism. Myth, Bell shows, is inherently flexible; it was used to justify Pound's totalizing vision of society which eventually descended into fascism and the liberal ironic vision of human existence. Joyce and Mann expressed those theorists who present myth as another form of mystification; a search for false origins ignores its use by modernists to emphasise the ultimate contingency of all values. This anti-foundational element, Bell claims, enables myth to act as a corrective to the claims of ideological critique. Bell shows how postmodern concerns with political and social responsibility and the role literature plays in formulating this have in fact been inherited from modernism.

Counter-Modernism in Current Critical Theory Geoffrey Thurley, 1983-09-01 **New Critical Thinking** Julian Wolfreys, 2017-06-02 Introduces advanced students of literature to the latest critical thinking. Following a scene setting Introduction which reflects on the state of theory today, the 11 chapters in this volume introduce new areas of critical thinking which go beyond the standard aims. Literary Reading in a Digital Age, Critical Making in the Digital Humanities, Thing Theory, Memory Work and Criticism, Body Objects, Technology Criticism and the Animal, Multimodality and Linguistic Approaches to Literary Study, Critical and Creative Practice, Conditions for Success in the Writing Workshop, Affect Theory, Spectrality, Critical Climate Change. A final rounding off chapter on Historicising presents debates around historically oriented criticism including a round table among the contributors. Each chapter also provides a critical case study of a text or texts including poetry, writing guides, a Seamus Heaney poem, film adaptations of Jane Austen's *Pride and Prejudice* and Charlotte Brontë's *Jane Eyre*, e-readers and kindles, First World War poetry and prose, steampunk and Robert Macfarlane's *The Old Ways*. From thing theory to animal theory, multimodality to film adaptation and from acts of reading in a digital age to the creative writing workshop, the volume reflects a radical reorientation in critical modes of thinking. Key

Features Presents cutting edge debates presented to more advanced students in an engaging yet sophisticated way Provides a wide range of case studies including poetry film reading devices popular fiction non fiction prose Reflects newly emerging ways of teaching critical ideas in the classroom Opens criticism to dialogue and possibility

The Brazilian Popular Church and the Crisis of Modernity Manuel A. Vasquez, 1998 This 1997 study explores one of the most dramatic current interactions between religion and politics the development of progressive Catholicism in Latin America In particular it examines economic social and religious obstacles to progressive theology in Brazil This popular church built a utopian vision of social emancipation drawing on Catholic social thought humanistic Marxism and existentialism It was a major democratizing force as Brazil emerged from dictatorship in the late 1970s In the 1980s however the popular appeal of progressive Catholicism came under threat Focusing on a Catholic community near Rio de Janeiro Manuel A Vasquez's incisive study shows how economic and political changes have affected religious practices and argues that the plight of progressive Catholicism in Brazil forms part of a wider crisis of modernity and of humanist discourses

Modernist Poetics of History James Longenbach, 2014-07-14 By thoroughly examining T S Eliot and Ezra Pound collected and uncollected writings James Longenbach presents their understandings of the philosophical idea of history and analyzes the strategies of historical interpretation they discussed in their critical prose and embodied in their poems including history Originally published in 1987 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Critical Thinking and the Bible in the Age of New Media Charles Ess, 2004 Contemporary scholarship to address the question What does critical thinking about the Bible mean as the Bible itself is transmediated from print to electronic formats

Modernity and the Ideals of Arab-Islamic and Western-Scientific Philosophy A. Z. Obiedat, 2022-07-08 This is the first study to compare the philosophical systems of secular scientific philosopher Mario Bunge 1919 2020 and Moroccan Islamic philosopher Taha Abd al Rahman b 1945 In their efforts to establish the philosophical underpinnings of an ideal modernity these two great thinkers speak to the same elements of the human condition despite their opposing secular and religious worldviews While the differences between Bunge's critical realist epistemology and materialist ontology on the one hand and Taha's spiritualist ontology and revelational mystical epistemology on the other are fundamental there is remarkable common ground between their scientific and Islamic versions of humanism Both call for an ethics of prosperity combined with social justice and both criticize postmodernism and religious conservatism The aspiration of this book is to serve as a model for future dialogue between holders of Western and Islamic worldviews in mutual pursuit of modernity's best case scenario

Critical Thinking in

Health and Social Care Stella Jones-Devitt, Liz Smith, 2007-10-25 This book will serve well a diverse audience in policy formulation and practice determination at all levels who are committed to the nation's health and well being Dianne Willcocks Vice Chancellor York St John University Critical Thinking in Health Social Care is designed to equip practitioners with the knowledge and tools they need to critically examine practice in their own workplace The book presents a range of different approaches which have particular relevance in the context of health and social care Each approach is explained and grounded in practice using case studies problem solving scenarios and workplace examples The practical tools which form the core of the book are contextualised by an exploration of what constitutes knowledge and evidence and the types of assumptions which are commonly held and which have a bearing on practice This is an essential text for advanced post graduate health and social care students and for those who are moving into more senior and strategic roles Critical Thinking in Health Social Care provides an array of tools which can be used to challenge and change existing practice and to solve problems Stella Jones Devitt is Head of Subject for Health Studies and Community Engagement at York St John University Liz Smith is Programme Leader for Health Professional Studies Faculty of Health and Social Care University of Hull *The Contemporary Review* ,1907 The European Codification Process Ugo Mattei, 2003-01-01 This volume contains thoughts on the issue of Codification of European Private Law and on the present state of European Private Law by one of the protagonists of the debate that is unfolding in Europe Taking a sometimes sharply critical view Professor Mattei attempts to unveil what he considers biases strategies and ideologies that affect the European legal process The work attempts to open a basic and genuine political debate between legal scholars which he considers an unavoidable prerequisite of any major reform process in private law Challenging the claim of technocratic neutrality shared by much of the most influential European legal academy the author uses the tools of Comparative Law and Economics to set priorities on the table and to show some of the real stakes of the present process The work explores fundamental areas of European private law from the sources to contracts to trust law **A Modernist's Critique** Pasquale De Marco, 2025-08-12 A Modernist's Critique is a powerful and provocative book that explores the crisis of culture in the modern world Drawing on a wide range of sources from philosophy and literature to art and politics Pasquale De Marco argues that we are facing a loss of authority a sense of community and a shared sense of reality This crisis is particularly acute in the realm of literature Once considered a bastion of truth and beauty literature is now under attack from postmodernism and deconstruction These movements have led to a loss of faith in the objectivity of truth and the value of reason As a result literature is increasingly seen as a mere plaything devoid of any real meaning or significance Pasquale De Marco argues that this crisis of culture is not inevitable It is the result of a series of choices that we have made as a society We have chosen to prioritize individualism over community image over substance and the cult of the individual over the common good But it is not too late to change course We can still choose to rebuild a culture that is based on truth beauty and goodness We can still choose to create a world in which literature is

valued and respected A Modernist's Critique is a call to action It is a call to defend the importance of culture in our lives It is a call to reclaim the power of literature to change our world In this book Pasquale De Marco offers a powerful and persuasive argument for the importance of culture in our lives He shows how culture can help us to make sense of the world to connect with others and to live meaningful lives A Modernist's Critique is a must read for anyone who cares about the future of culture It is a book that will challenge your assumptions and change the way you think about the world If you like this book write a review

Greek Modernism and Beyond Dimitris Tziovas, 1997-06-26 Although it is one of the most dynamic and controversial areas of Greek culture Greek modernism has received little scholarly attention as a literary and cultural phenomenon A wide variety of competing often clashing discourses and approaches characterize the study of Greek modernism In this landmark volume scholars from three continents provide a framework in which developments in prose poetry and drama can be studied together The contributors seek to redefine the contours of Greek modernism to reassess its impact on Greek culture to explore the fringes of the movement Special attention is paid to the role of the avant garde in Greece and the emergence of postmodern trends in Greek culture Greek Modernism and Beyond is valuable reading for students and scholars of Greek and European literature

Decolonizing Science and Modernity in South Asia Sahara Ahmed, Suvobrata Sarkar, 2024-09-19 This book offers a unique perspective on the colonial roots of modern science technology and medicine STM in South Asia The book questions the deconstruction of imperial visions and definitions of science and modernity in South Asia It presents an in depth analysis of the contested relationship between science modernity and colonialism It explores how new research can contribute to the diversification of perspectives in the history and sociology of modern South Asian studies The chapters in the book delve into various aspects of STM in South Asia It covers diverse topics including the social cultural and pedagogic context of early modern Bengal the popularization of science in colonial Punjab the Hindi science periodical Vigyan and the emergence of the Indian science community The book also examines the intersection of indigenous medical practices ayurveda Unani and medical revivalism and highlights peripheral creativity in science The contributors engage with the existing historiography to raise new questions concerning the global circulations of scientific knowledge from the perspective of South Asia and the regional appropriation of the same It connects the history of science and modernity with South Asia's socio economic and cultural background It offers valuable insights into the decolonization of STM It greatly interests scholars and students of modern South Asian history sociology social anthropology and Science Technology and Society Studies STS

Indian Modernity Avijit Pathak, 2023-12-01 Indian Modernity first published in 1998 acquires a new meaning today While it critiques a techno militaristic model of modernization it visualizes alternative possibilities to give a distinctively new definition to our modernity It engages the reader in dreaming of a new path to modernity beyond its present contradictions and paradoxes with its lyrical style philosophic insights sensitivity to deep religiosity life affirming femininity and most of all sociological imagination This book

continues to hold relevance for social science students and researchers teachers and visionaries despite the passage of time This title is co published with Aakar Books Print editions not for sale in South Asia India Sri Lanka Nepal Bangladesh Pakistan and Bhutan *Socialism and Modernity* Peter Beilharz,2009 This first collection of Peter Beilharz s highly influential thought traces the themes and problems manifestations and trajectories of socialism and modernity as they connect and shift over a twenty year period Woven throughout Beilharz s analysis is the urgent question of modern utopia how do we imagine freedom and equality in modernity The essays in this volume explore the relationship between socialism and modernity across the United States Europe and Australia from the mid 1980s to the turn of the twenty first century a time that witnessed the global triumph of capitalism and the dramatic turn away from Marxism and socialism to modernity as the dominant perspective According to Beilharz we have seen the expansion of a kind of Weberian Marxism with the concept of revolution giving way to the idea of pluralized forms of power and the idea of rupture giving way to the postmodern sense of difference These changes come together with the discourse of modernism both aesthetic and technological Socialism and modernity Beilharz argues are fundamentally interrelated In correcting the conflation of Marxism Bolshevism and socialism that occludes contemporary political thinking he reopens a space for discussion of what socialist politics might look like now in the postcommunist postcolonial postmodern moment **The Oxford Critical and Cultural History of Modernist Magazines** Peter Brooker,Andrew Thacker,2009-03-26 The first of three volumes charting the history of the Modernist Magazine in Britain North America and Europe this collection offers the first comprehensive study of the wide and varied range of little magazines which were so instrumental in introducing the new writing and ideas that came to constitute literary and artistic modernism in the UK and Ireland In thirty seven chapters covering over eighty magazines expert contributors investigate the inner dynamics and economic and intellectual conditions that governed the life of these fugitive but vibrant publications We learn of the role of editors and sponsors the relation of the arts to contemporary philosophy and politics the effects of war and economic depression and of the survival in hard times of radical ideas and a belief in innovation The chapters are arranged according to historical themes with accompanying contextual introductions and include studies of the New Age Blast the Egoist and the Criterion New Writing New Verse and Scrutiny as well as of lesser known magazines such as the Evergreen Coterie the Bermondsey Book the Mask Welsh Review the Modern Scot and the Bell To return to the pages of these magazines returns us a world where the material constraints of costs and anxieties over censorship and declining readerships ran alongside the excitement of a new poem or manifesto This collection therefore confirms the value of magazine culture to the field of modernist studies it provides a rich and hitherto under examined resource which both brings to light the debate and dialogue out of which modernism evolved and helps us recover the vitality and potential of that earlier discussion **Critical Pedagogy** Barry Kanpol,1999-04-30 Critical pedagogy refers to the means and methods of testing and attempting to change the structures of schools that allow inequities It is a cultural political

tool that takes seriously the notion of human differences particularly those related to race class and gender Critical pedagogy seeks to release the oppressed and unite people in a shared language of critique struggle and hope to end various forms of human suffering In this revised edition Kanpol takes the pre and in service educators along some initial steps to becoming critical pedagogists As before university professors and public school teachers alike will learn how to address their own prophetic commitments to belief and faith in the fight against despair institutional chaos oppression death of spirit and exile
