Modernization And The Japanese Factory:

Modernization and the Japanese Factory Robert Mortimer Marsh, Hiroshi Mannari, 2015-03-08 While some writers account for Japan's postwar economic miracle in terms of a distinctively Japanese traditional model of social organization the writers of this study consider Japan's technological growth to have been accompanied by convergence toward modernized social organization The authors test both of these theoretical models Their data are derived from a nine month period of observation analysis of company records interviews of personnel and questionnaire responses from production staff and managerial employees in three main Japanese firms Other firms were visited more briefly The analysis shows that the most distinctively Japanese variables have less causal impact on performance within a firm than do more universal variables such as employee status sex and job satisfaction The authors test both of these theoretical models Their data are derived from a nine month period of observation analysis of company records interviews of personnel and questionnaire responses from production staff and managerial employees in three main Japanese firms Other firms were visited more briefly The analysis shows that the most distinctively Japanese variables have less causal impact on performance within a firm than do more universal variables such as employee status sex and job satisfaction Originally published in 1976 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 Managing "modernity" Rudra Sil, 2002 Compares industrial management in two late industrializers

Japan and Russia as a basis for an original theory of institution building *Global Modernization* Alberto Martinelli, 2005-07-12 The last decade has witnessed a revival of interest in the problems of modernity and modernization In particular three major processes have emerged as objects of debate The transformations of capitalism manifested in globalization and the unfolding of post industrial society The rapid and strong economic development of countries outside the West The political and economic transformations in the post Soviet countries of Eastern Europe **Japan And Asia:**

Economic Development And Nation Building Shinichi Ichimura, 2015-06-22 The book is a precious reference book for development economics or the political economy of development in Asia or anywhere else Unlike other books first it deals with all the East Asian countries including Japan and other Asian countries Second it offers some empirical research findings based on surveys conducted by the author's group Research on developing countries has been limited by individual scholars observations particularly about the value related issues like politics or religions Thirdly the book digs into the nation building problems which are often neglected by economists It bridges the politics sociology and economics in East Asian countries and is an important reference book for graduate students *Asia: Case Studies in the Social Sciences - A Guide for Teaching*

Myron L. Cohen, 2016-09-16 The material in this study is covered by Myron L Cohen on religion and family organization in China John R Bowen on family kinship and Islam in Indonesia Robert W Hefner on hierarchy and stratification in Java and Nancy Rosenberger on gender roles in Japan Further material is provided by William W Kelly on rural society in Japan Theodore C Bestor on urban life in Japan Stephen R Smith on the family in Japan Doranne Jacobson on gender relations in India Lawrence A Babb on religion in India Owen M Lynch on stratification inequality and the caste system in India Laurell Kendall on changing gender relations in Korea Andrew G Walder on comparative revolution in China and Vietnam Maoism and the sociology of work in China and Japan Moni Nag on the comparative demography of China Japan and India and Helen Hardacre on the new religions of Japan Other contributors offering information through case studies are Hiroshi Ishida on stratification and mobility in Japan Robert C Liebman on work and education compared in Japan and the US Joseph W Elder on education urban society urban problems and industrial society in India Andrew J Nathan on totalitarianism authoritarianism and democracy in China Jean C Oi on mobilisation and participation in China Edwin A Winckler on political development in Taiwan Carl H Lande on political parties and representation in the Philippines Clark N Neher on political development and political participation in Thailand and Benedict R O G Anderson on political culture the military and authoritarianism in Indonesia The final chapters of this work include studies by Stephen Philip Cohen on the military in India and Pakistan Paul R Brass on democracy and political participation in India T J Pempel on Japanese democracy and political culture political parties and representation and bureaucracy in Japan Han kyo Kim on political development in South Korea and Thomas G Rawski on the economies of China and Japan

Global Modernization Review: New Discoveries And Theories Revisited Chuanqi He, Alberto Martinelli, 2015-02-11 Modernization has effected a profound change in human civilizations and is a global trend since the 18th century It includes not only the great change and transformation from traditional to modern politics economies societies and cultures but also all human development and protection of the natural environment Almost all nations in the world are undergoing some kind of modernization consciously or unconsciously and the modernization drive can also be set as a national goal if they will The first International Modernization Forum Modernization and Global Change was held in Beijing in 2013 This volume emanating from invaluable discussions at the forum covers research on global modernization multiple modernities modernization theory modernization science modernization policy and world modernization indexes Global Modernization Review offers a collective understanding of the modernization phenomenon and provides invaluable guidance for further study and significant international and interdisciplinary cooperation for researches on modernization

Routledge Library Editions: Japan's International Relations Various Authors, 2021-05-28 This set brings together a collection of key works about the International Relations of Japan Written by a range of international experts the titles cover the essential aspects of Japan's postwar relationship to the outside world its changing notion of its role in the international community and its relations with China and the US

Japanese Capitalism

and Modernity in a Global Era Peter Matanle, 2003-09-02 First Published in 2004 Routledge is an imprint of Taylor Francis an informa company The Twenty-First-Century Firm Paul DiMaggio, 2009-04-11 Students of management are nearly unanimous as are managers themselves in believing that the contemporary business corporation is in a period of dizzying change This book represents the first time that leading experts in sociology law economics and management studies have been assembled in one volume to explain the varying ways in which contemporary businesses are transforming themselves to respond to globalization new technologies workforce transformation and legal change Together their essays whose focal point is an emerging network form of organization bring order to the chaotic tumble of diagnoses labels and descriptions used to make sense of this changing world Following an introduction by the editor the first three chapters by Walter Powell David Stark and Eleanor Westney report systematically on change in corporate structure strategy and governance in the United States and Western Europe East Asia and the former socialist world They separate fact from fiction and established trend from extravagant extrapolation This is followed by commentary on them Reinier Kraakman affirms the durability of the corporate form David Bryce and Jitendra Singh assess organizational change from an evolutionary perspective Robert Gibbons considers the logic of relational contracting in firms and Charles Tilly probes the deeper historical context in which firms operate The result is a revealing portrait of the challenges that managers face at the dawn of the twenty first century and of how the diverse responses to those challenges are changing the nature of business enterprise throughout the world

Strands of Modernization David B. Sicilia, David G. Wittner, 2021-11-01 The late nineteenth and early twentieth centuries saw extraordinary transfer and diffusion of industry and transportation related technology and business methods While most scholarship on nineteenth century technology transfer beyond Europe and North America has focused on the West to East movement of artifacts skills and knowledge Strands of Modernization considers the transfer of technology and business methods within East Asia in the period between approximately 1850 and 1920 Highlighting currents moving in multiple directions contributors expand upon conventional notions of what qualifies as a technology or a business practice looking more broadly at skills systems of technology tacit knowledge and the ideologies and other belief systems with which they interact The core ambition driving Strands of Modernization is to illuminate processes of adaption versus adoption that occur when technology and business practices cross sociocultural boundaries *The Cambridge History of Japan* John Whitney Hall, 1988 This comprehensive work surveys the historical events and developments in Japan s polity economy society and culture Labor in the Twentieth Century John T. Dunlop, Walter Galenson, 2014-05-10 Labor in the Twentieth Century provides the comparative method of reviewing labor in five advanced democratic countries This book presents statistical series for employment unemployment wages hours and labor disputes Organized into five chapters this book begins with an overview of the major changes in the characteristics of both workers and their jobs that have occurred since 1990 This text then examines the social political and economic environment of Germany Other chapters consider the factors

that have made France exceptional including the use of foreign manpower the heavy labor force participation of women and the long period of demographic stagnation connected with low birthrates at the beginning of the 19th century This book discusses as well the scarcity in the labor market particularly of qualified manpower The final chapter deals with the Westerner s conceptualization of Japanese industrialist relation This book is a valuable resource for economists historians and social scientists

Historical Dictionary of Japanese Business Stuart D.B. Picken,2016-12-19 Japan although now listed as the world s third largest economy after that of the United States and China has been too readily dismissed in the late 20th century as a spent force This is as unfortunate as it is incorrect for a number of reasons First while the Peoples Republic of China is indeed growing and its markets are expanding an enormous amount of the impetus for development as well as logistical support is coming from large numbers of Japanese corporations operating in the PRC Major Japanese enterprises such as Toyota Sony and Honda are already in China or are in the process of establishing a presence there The export of Japanese technology remains an important contribution to China s development The benchmark of product quality within Asia and in some areas beyond has been set by Japanese industrial standards This second edition of Historical Dictionary of Japanese Business contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 800 cross referenced entries on important personalities Japanese businesses politics and economy This book is an excellent access point for students researchers and anyone wanting to know more about Japanese Business

Japanese Modernity and Welfare R. Vij,2007-11-13 Challenging conventional thought on the nature of welfare and civil society in modern Japan Ritu Vij offers an original theoretical and historical interpretation of both Drawing upon a neo Hegelian understanding of the formation of modern subjectivity in political economy this book uncovers a specific pattern of welfare provision in Japan

Dandyism and Transcultural Modernity Hsiao-yen Peng,2015-01-28 This book views the Neo Sensation mode of writing as a traveling genre or style that originated in France moved on to Japan and then to China The author contends that modernity is possible only on the transcultural site transcultural in the sense of breaking the divide between past and present elite and popular national and regional male and female literary and non literary inside and outside To illustrate the concept of transcultural modernity three icons are highlighted on the transcultural site the dandy the flaneur and the translator Mere flaneurs and flaneurses simply float with the tide of heterogeneous information on the transcultural site whereas the dandy flaneur and the cultural translator propellers of modernity manage to bring about transformative creation Their performance marks the essence of transcultural modernity the self consciousness of working on the threshold always testing the limits of boundaries and tempted to go beyond them To develop the concept of dandyism the quintessence of transcultural modernity the Neo Sensation gender triad formed by the dandy the modern girl and the modern boy is laid out Writers discussed include Liu Na ou a Shanghai dandy par excellence from Taiwan Paul Morand who looked upon Coco Chanel the female dandy as his perfect other self and Yokomitsu Riichi who developed the theory of Neo Sensation from Kant

s the thing in itself , *Collected Writings of R.P. Dore* R.P. Dore,2014-05-01 This volume of the Collected Writings of Modern Western Scholars on Japan published under the Japan Library imprint brings together landmark writings by R P Dore on Japanese society politics and economics

U.S./Japan Foreign Trade Rita E. Neri,2018-02-21 This bibliography first published in 1988 consists of annotated entries of monographs and journal articles published in English that discuss socio economic aspects of Japanese society as well as the general and economic dynamics of United States Japan trade relations Emphasis is on the Japanese perspective

Japanese Blue Collar Robert E. Cole,2023-11-15 This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1971
