## **Modernizing Your Bridge Bidding:**

**Bridge Bidding System** Ken Casey, 2021-08-23 This book incorporates the 2 1 Game Force bidding system for opening majors. The Casey Reverse will enable the responder to know the opener's point count within a 2p range after the opener's rebid. In addition, the Casey Overcall will improve your part scores by hampering the opponents from finding their spade fit. The book will also help you reach a new level by improving your slam bidding. The advantage of using the Casey 2 1 Bidding System is that you will open a minor suit 12.6% more often than with Standard American. Ken has published more than 15 bridge books. There are 5 core books as follows: Tournament Bridge for Beginning Players 4th ed 2020, Tournament Bridge for Intermediate Players 5th ed 2021, Tournament Bridge for Advanced Players 4th ed 2021, Tournament Bridge for Notrump Contracts 4th ed 2020, and Tournament Bridge Tips on Defense 4th ed 2020. In addition, Ken has published two books on bidding: The Casey Simplified Precision Club Bridge Bidding System 2nd ed 2021 and The Casey 2 1 Bridge Bidding System 5th ed 2022.

*Simplified Precision Club Bridge Bidding System* Ken Casey, 2021-08-23 This book incorporates the 2 1 Game Force bidding system for opening majors and the Casey Simplified Precision Club system for opening minors. This book simplifies the traditional Precision Club system by eliminating many of its unnecessary complications. You will only need to add one new convention, the opening 1 bid, to your Standard American system. This system enables the responder to know the opener's point count within a 2p range after the opener's rebid. In addition, the Casey Overcall will improve your part scores by hampering the opponents from finding their spade fit. The book will also help you reach a new level by improving your slam bidding. The advantage of using the Casey Bidding System is that you will open the hand 12.6% more often than with Standard American. Ken has published more than 15 bridge books. There are 5 core books as follows: Tournament Bridge for Beginning Players 4th ed 2020, Tournament Bridge for Intermediate Players 5th ed 2021, Tournament Bridge for Advanced Players 4th ed 2021, Tournament Bridge for Notrump Contracts 4th ed 2020, and Tournament Bridge Tips on Defense 4th ed 2020. In addition, Ken has published two books on bidding: The Casey Simplified Precision Club Bridge Bidding System 2nd ed 2021 and the Casey 2 1 Bridge Bidding System 5th ed 2022. Ken served as a Russian interpreter during the Vietnam War and then spent over 30 years practicing as a tax attorney. Ken also has an MBA in accounting and a CPA.

**The Casey Bridge Bidding System** Ken Casey, 2020-01-22 This book incorporates the 2 1 Game Force bidding system whenever the opener bids a major suit. This book is designed to improve your bidding of minor suit openings in 3 steps. The 1st step involves bids to hamper the opponents from finding their 4 4 spade fit. This involves the use of the Casey overcall and the Weak 1NT opening. It also involves the use of the Casey Jacoby transfer to find a 5 card major in responder's hand and the use of inverted minors. The 2nd step involves adoption of the strong 2 bid, a bid of 20-21p. This allows the opener to use the Casey Reverse to show a hand of 16-17p by bidding at the 2 level and to show a hand of 18-19p by bidding at the 3 level. The Casey Minor Rebid convention allows the opening to show a 4 card suit at the 2 or 3 level. The third step involves optimizing your slam bidding.

with the Casey Trump Queen convention It also involves the use of the Redwood Kickback convention for minor suit contracts and the use of the Fourth Suit Forcing convention to ascertain whether opener has 5 cards in his 2nd bid minor suit

**THE CASEY TWO OVER ONE BRIDGE BIDDING SYSTEM** Ken Casey,2024-01-17 This book contains an innovation that makes it much easier to bid slams This innovation will enable the bridge community to dramatically increase its bidding of grand slams This book incorporates the 2 1 Game Force bidding system for major suit opening This book also expands the Game Force system to partners holding 5 spades and an opening hand The forcing response when R has 6 12p and a spade response is modified to show if O has 3 card spade support The traditional 2 1 system is modified by the mechanics of a fast arrival convention to show game level points In addition a simple worthless suit convention using a single bid is employed to show a worthless suit as opposed to the more complicated control system used in traditional 2 1 For minor suit openings the book presents a simple method for using reverses The book also shows how to use the Jacoby Transfer mechanism to show R s 5 card major The book then shows how R can effectively use inverted minors to hamper the opponents bidding The book next shows how to bid overcalls of a 4 card heart suit to hamper the opponents from finding their spade suit The book outlines the Kantar slam bids and shows how to locate the trump Queen after a 4NT bid Finally the book shows how to improve slam bidding using the Minorwood convention Ken has published 5 core books on how to play bridge Beginning Bridge 5th ed 2023 Tournament Bridge for Intermediate Players 5th ed 2021 Advanced Bridge 4th ed 2021 Bridge Defense 4th ed 2020 and Bridge for Notrump Contracts 4th ed 2020 Ken served as a Russian interpreter during the Vietnam War and then spent over 30 years practicing as a tax attorney Ken also has an MBA in accounting and a CPA

**The Precision Diamond Bridge Bidding System** Ken Casey,2019-09-11 The second edition of this book incorporates the 2 1 Game Force bidding system The book is designed to improve your bidding in 5 steps The 1st step involves maximizing your use of the 2 1 system whenever you open with a major suit The 2nd step involves your use of the New Minor Forcing convention to find a 5 card major in responder s hand The 3rd step involves adoption of the strong 2 bid a bid of 20 21p with an unbalanced hand one with a singleton or void By tweaking reverses this allows the opener to show an unbalanced hand by bidding at the 2 level with 16 17p or at the 3 level with 18 19p The 4th step involves optimizing your slam bidding with conventions to show the trump Queen It also involves the use of the Redwood kickback convention minor suit contracts and the use of the Fourth Suit Forcing convention to ascertain whether the opener has 4or 5 cards in this 2nd bid suit The 5th step involves the use of bids to hamper the opponents from finding their 4 4 spade fit This involves the use of the Casey overcall and the use of the Casey Jacoby Transfer for R s 5 card majors Finally the use of inverted minors is discussed

**The Casey 2/1 Bridge Bidding System** Ken Casey,2020-12-20 This book incorporates the 2 1 Game Force bidding system whenever the opener bids a major suit Five new conventions have been added to the 2 1 system This book is also designed to improve your bidding of minor suit openings in 4 steps The 1st step involves the use of the Casey Jacoby Transfer and the Casey overcall a 1NT bid

shows 4 hearts The 2nd step involves adoption of the strong 2 bid a bid of 20 21p This allows the opener to use the Casey Reverse to show a hand of 16 17p by bidding at the 2 level and to show a hand of 18 19p by bidding at the 3 level The Casey Minor Suit Rebid convention allows O to show a 4 card suit at the 2 or 3 level The 3rd step involves optimizing your slam bidding with the Casey Trump Queen convention and the Casey Minorwood Kickback convention The 4th step involves the use of the Weak 1NT a 1NT bid shows 4 hearts and Weak 2NT bids both designed to hamper the opponents *Bidding More Precisely* Ken Casey,2018-04-27 This book is designed to highlight the advantages and disadvantages of the three major bidding systems Standard American 2 1 and Precision Club as well as the Bergen Raise system Solutions are offered for each disadvantage Proposals for additional conventions such as the weak NT and Jacoby transfers are contained in a simplified model chart of each system There are also innovative proposals for showing a five card major overcalls and slam bidding You will also find chapters on various conventions irregularities in bidding probabilities filling out the convention card playing in a team event and scoring

**The Flaws in Standard American Bridge** Ken Casey,2018-04-13 This book is designed to highlight the flaws in Standard American bidding i e the SAYC system The book discusses the major failures of SAYC namely the failure of the ACBL to adopt the Bergen point count system the failure to simplify reverses the failure to find a 20 21p bid for all hands and the failure to adopt the Casey Jacoby Transfer convention and the Casey Rebid convention In addition the book points out numerous minor failures such as the failure to find a means of bidding a direct game the failure of SAYC to require takeout doubles to have a four card major and the failure to adopt Minorwood a six keycard kickback convention The book also points out the ACBL s failure to clarify certain issues such as the failure to clarify O s reply to R s two level response the failure to clarify cuebids and the failure to clarify Stopper Ask bids The book provides a solution for all these problems in a new system called Precision Diamond *Hoyle's Games Modernized - Cards, Board Games and Billiards* Lawrence H. Dawson,2013-04-16 Originally published in London in the 1920s as a revised and enlarged edition based on Hoyle s early works of the 1700s The book is an illustrated compendium of over eighty games and their varieties including card billiard and board games These are fully explained with rules and advice on play Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive Home Farm Books are republishing these classic works in affordable high quality modern editions using the original text and artwork

*The Intermediate American Bidding System* Chris Hasney,Jerry Pottier,2006-07-12 Overview of the American Bridge Series The American Bridge Series is designed as a sequential set of bidding courses suitable for self study or classroom style study under the guidance of a professional bridge teacher Volumes I through III include declarer play and defense skills as they relate to the bidding skills taught in each text Volume IV is reserved for true experts thus declarer play and defense lessons would be an insult and are not included The entire series takes about five years of study and practice to complete Volume I The Basic American Bidding System was written for beginners and for social players who need to brush up on basic bidding

skills prior to tackling modern bidding methods It features 5 card major suit opening bids strong twos and some basics of Forcing and Non Forcing Stayman Blackwood Gerber and few other things designed to form the framework for further study Volume II The Intermediate American Bidding System makes the transition to modern methods including weak two openings It teaches all of the pieces of Standard American in a way that integrates all of the varied forms of same Don't be thrown by the term intermediate Many duplicate players think that they have reached that level when they can no longer play in novice games Not so Intermediate as defined by the authors can vary from folks with zero ACBL masterpoints to 2500 masterpoints It's not the points that count it's the skill level Volume III The Advanced American Bidding System presumes a complete understanding and skill with all of the material in Volume II However some of the Volume II material is repeated for intended redundancy since the authors suspect that many folks who shouldn't be attempting to study Volume III will do so anyway After all I'm a Life Master I must be Advanced The authors suggest that anyone not comfortable playing in Flight A at an ACBL regional or national tournament or the World Bridge Federation WBF or other governing body equivalent thereof avoid purchase and study of Volume III until they have mastered all that is taught in Volume II Volume IV The Expert American Bidding System NOT YET RELEASED presumes two years experience with the bidding techniques taught in Volume III and expert declarer play and defense skills This is not a Mom and Pop book It is for those who wish to successfully compete in such ACBL events as Flight A Grand National Teams the Blue Ribbon Pairs the Life Master Pairs the Spingold Vanderbilt and Reisinger teams etc and International events like the Bermuda Bowl and Venice Cup The London Times Pairs the McCallan etc It features 4 card majors the TEAS responses to no trump openings weak no trumps and a variety of other bidding methods which will get bidders to the optimum place but will require expert declarer play or defensive skills to maximize results All four books emphasize sound disciplined bidding and an underlying philosophy of You bid your cards I'll bid mine we'll get to the right spot By the time students complete study and practice of Volume III they should be able to know what cards partner holds almost to the spot at the conclusion of an auction In fact Jerry and one of his partners were once accused of cheating when they got cocky and did this after an auction The comment was How can you know what cards your partner holds Jerry's answer Isn't that the whole point of the bidding

**How I Became a Life Master Playing the Weak No**

**Trump** Eric v.d. Luft, 2009-07-10 A comprehensive exposition of the Kaplan Sheinwold K/S bidding system incorporating up to date aggressive methods Advantages of this Aggressive Weak No Trump bidding system include 1 A greater proportion of limit bids and a higher frequency of bids in general improving communication between partners 2 More accurate low level descriptive bids making it easier during the auction to envision the probable play of the hand and to find your best contract 3 Increased use of preempts making it more difficult for the opponents to find their best possible result in a competitive auction
