Playing with Print Carol Ann Bloom, 2007-05 To create a classroom where first encounters with literacy are playful and exploratory, not formal and separate from the child's world, this book spills out a rich cascade of ideas in four areas making the classroom a print-rich learning environment including print in daily activities, practicing literacy through art activities and dramatic play, and recasting the teacher's role into spectator, advisor, resource, and scribe. This portrait of Kyle Gonzalez's classroom offers teachers theory-based strategies for helping students become motivated and successful readers and writers. You will see how one middle school teacher sets up her literacy classroom, offers intervention and support for struggling students, and assesses their progress. Rich in description of Kyle's successes, the book also looks honestly at why some practices were ineffective in her setting. With Janet's and Kyle's practical and detailed suggestions for creating a literate environment, you'll learn how to establish a literacy workshop, choose and use effective resources, implement effective informative record keeping, help students establish goals and assess progress, use read-alouds as well as shared, guided, and independent reading and writing, instill reading and writing practices that help students read content-specific texts. *There's Room for Me Here* includes record keeping forms, extensive bibliographies of literature and professional materials, resource information, and samples of strategy lessons, all embedded in this engaging story of a teacher's first three years building a literacy workshop in her classroom. Kyle's students are middle school learners who struggle with literacy. The strategies, content area connections, and management ideas, however, are applicable and appropriate for use by any 3-12 teacher
