Moguls Inside The Business Of Show Business:

Moguls Michael Pye,1980 **The Genius of the System** Thomas Schatz,2015-06-02 At a time when the studio is making a stunning comeback film historian Thomas Schatz provides an indispensable account of Hollywood's traditional blend of business and art This book lays to rest the persistent myth that businesspeople and producers stifle artistic talent and reveals instead the genius of a system of collaboration and conflict Working from industry documents Schatz traces the development of house styles the rise and fall of careers and the making and unmaking of movies from Frankenstein to Spellbound to Grand Hotel Richly illustrated and highly readable The Genius of the System gives the definitive view of the workings of the Old Hollywood and the foundations of the New

Moguls Michael Pye,1980 **Contemporary Hollywood Cinema** STEVE NEALE,Murray Smith,2013-04-15 A comprehensive overview of the film industry in Hollywood today Contemporary Hollywood Cinema brings together leading international cinema scholars to explore the technology institutions film makers and movies of contemporary American film making

Doing Business in America Hasia R. Diner,2018-12-14 American and Jewish historians have long shied away from the topic of Jews and business Avoidance patterns grew in part from old often negative stereotypes that linked Jews with money and the perceived ease and regularity with which they found success with money condemning Jews for their desires for wealth and their proclivities for turning a profit A new dauntless generation of historians however realizes that Jewish business has had and continues to have a profound impact on American culture and development and patterns of immigrant Jewish exploration of business opportunities reflect internal communal Jewish cultural structures and their relationship to the larger non Jewish world As such they see the subject rightly as a vital and underexplored area of study Doing Business in America A Jewish History edited by Hasia R Diner rises to the challenge of taking on the long unspoken taboo subject comprising leading scholars and exploring an array of key topics in this important and growing area of research

How to Read a Film James Monaco,2000 Explores the medium of film as both art and craft sensibility and science tradition and technology

Movies and Money David Puttnam,2011-08-03 From David Puttnam producer of such modern film classics as Chariots of Fire The Killing Fields Midnight Express and The Mission and the only European to have run a major Hollywood studio an insightful and provocative history that explains the personalities and events which shaped film's transformation from a technological curiosity into one of the world's most powerful cultural and economic forces From the early rivalry between its inventors to the power brokering and political influence of today's mega stars from Zukor and Laemmle to Ovitz and Eisner from the serendipitous discovery of Los Angeles flagstaff no good wired Cecil B De Mille want authority to rent barn for 75 a month in place called hollywood to the exploitation and depredation of Europe's film culture in the name of the marketplace Puttnam captures the urgency and wonder that swept through a young industry and set it spinning on an axis of money and power Movies and Money chronicles the unprecedented collision between art and commerce and incisively analyzes its implications in today's

global arena Puttnam's engaging history is also an impassioned polemic. From the moment Thomas Edison stole the first crude attempt at a movie camera from the French scientist Étienne-Jules Marey, Hollywood and Europe have existed in a state of undeclared hostility that has occasionally erupted into open battle for control of the century's most powerful artistic medium. And this battle he contends will ultimately determine the nature of Europe's cultural identity. He also argues forcefully for the intelligent application of the language and techniques of cinema to education, urging filmmakers to make films that challenge and inspire as well as entertain. Ten years after his abrupt departure from Columbia, Puttnam re-enters the debate about cinema with characteristic audacity, with the irreverence of an iconoclast and the canniness of a seasoned player. *Movies and Money* is a book that will change our understanding of the history and future of film.

Hollywood Confidential Ted Schwarz, 2023-06-01 *Hollywood Confidential* is the first truly in-depth look at the sexy, humorous, violent, and tragic history of the mob in Hollywood from the 1920s when Joe Kennedy decided to buy a motion picture company to the 1980s when the last vestiges of mob influence were revealed through investigations of former Screen Actors Guild President Ronald Reagan and his union backers. The revelations continue into the 1980s when the major studios were no longer important; the independents were on the rise, and it was no longer possible to buy a bribe or blackmail in a meaningful way. There were deals and bad guys, but the mob, as it existed, was finished in Hollywood.

Selling Electronic Media Ed Shane, 1999-02-17 Selling is identifying and satisfying customer needs profitably. Profitable for you, profitable for them. Diane Sutter, President and CEO of Shooting Star Broadcasting, owner of KTAB-TV, Abilene, Texas. This is the definition of sales used throughout Ed Shane's comprehensive and timely textbook *Selling Electronic Media*. This new definition reflects the customer orientation of today's marketing environment as well as the product orientation of selling. Today's selling is a win-win proposition: a win for the seller and a win for the customer. Using interviews with industry leaders and reports of their selling experiences, *Selling Electronic Media* shares insight and practical advice in the basics of selling: prospecting, qualifying, needs analysis, presentations, answering objections, closing, relationship management. Focusing on the merging and converging of electronic media and the need for branding of media at all levels, this highly readable book offers complete coverage of advertising sales for radio, television, and cable, plus the new and emerging mass communication technologies primarily those generated by the Internet. *Selling Electronic Media* is enhanced with review highlights and discussion points and illustrated throughout with visuals used by media outlets to market commercials and their audience reach. Students pursuing sales and marketing careers in electronic media and professionals wishing to reinforce their understanding of the merging and converging media environment will find what they need in the pages of this book.

Hollywood Mark Wheeler, 2019-07-25 At the beginning of the 21st century, the US film industry had overtaken aeronautics and car industries to become one of the highest exporters of American products. Mark Wheeler's important new book provides both a political history of Hollywood and a reflection on the relationship between cinema and politics in America from 1900 to the present.

day Wheeler considers the interplay between the movies studios state and national government and cultural policy and legislation with case studies of the censorship that followed in the wake of the Hays Code 1930 and the investigations of the House Committee of Un American Activities HUAC in the 1950s that led to the notorious blacklisting of alleged or known Communist sympathisers His history of political constituencies within Hollywood ranges from the conservative right to the liberal and the communist left from trades unionists to movie moguls The book concludes with a look at the politics of show business addressing links between Hollywood and political activism films such as The Candidate and Bulworth that have themselves engaged with the political process and considering the irony that despite the fact that Hollywood is perceived as a bastion of liberalism the two most famous actors turned politicians have been Ronald Reagan and Arnold Schwarzenegger

Forbidden Bookshelf Presents Dan E. Moldea Dan E. Moldea, 2018-10-23 Three exposés of corruption behind the NFL the Teamsters and Jimmy Hoffa and Ronald Reagan from an investigative reporter who never relents The Washington Post Interference A shocking exposé of widespread corruption and mob influence throughout the National Football League on the field in the owners boxes and in the corporate suites A true and terrifying picture of a business whose movers and shakers seem to have more connections to gambling and the mob than to touchdowns and Super Bowls Keith Olbermann The Hoffa Wars The definitive portrait of the powerful corruption ridden Teamsters union and its legendary president Jimmy Hoffa organizer gangster convict and conspirator whose disappearance in 1975 remains one of the great unsolved mysteries Mr Moldea's view of the Hoffa wars which reached its greatest intensity when Robert Kennedy was Attorney General may explain not only Mr Hoffa's disappearance but the assassination of John Kennedy as well The Wall Street Journal Dark Victory A smoldering indictment of the corrupt influences that rescued Ronald Reagan's acting career made him millions resulting in a federal grand jury hearing backed his political career and shaped his presidency Library Journal Moldea has through sheer tenacity amassed an avalanche of ominous and unnerving facts Dark Victory is a book about power ego and the American way Los Angeles Times

High Concept Justin Wyatt, 1994 Steven Spielberg once said I like ideas especially movie ideas that you can hold in your hand If a person can tell me the idea in twenty five words or less it's going to make a pretty good movie Spielberg's comment embodies the essence of the high concept film which can be condensed into one simple sentence that inspires marketing campaigns lures audiences and separates success from failure at the box office This pioneering study explores the development and dominance of the high concept movie within commercial Hollywood filmmaking since the late 1970s Justin Wyatt describes how box office success always important in Hollywood became paramount in the era in which major film studios passed into the hands of media conglomerates concerned more with the economics of filmmaking than aesthetics In particular he shows how high concept films became fully integrated with their marketing so that a single phrase Just when you thought it was safe to go back in the water could sell the movie to studio executives and provide copy for massive advertising campaigns a single image or a theme song could instantly remind potential audience members of the

movie and tie in merchandise could generate millions of dollars in additional income *Mickey Cohen* Tere Tereba, 2012-05-01 The sensational tell all biography of Hollywood's most infamous mob boss who dominated Los Angeles's underworld and headlines from the 1940s to the 1970s When Bugsy Siegel was murdered in 1947 his henchman Mickey Cohen took over his criminal enterprise in Los Angeles As charismatic as he was ruthless Cohen attained so much power up until his death in 1976 that he was a regular above the fold newspaper name with more than one thousand front pages in LA papers alone His story is inextricably intertwined with the history of the city of angels Mickey Cohen is a seductive tale of Hollywood true crime history with a wildly eccentric mob boss at its center Biographer Tere Tereba delivers tales of high life high drama and highly placed politicians among them Robert F Kennedy and Richard Nixon as well as revelations about countless icons including Shirley Temple Lana Turner Frank Sinatra and even Rev Billy Graham Meticulously researched this rich tapestry presents a complete look at the mid twentieth century Los Angeles underworld The author does a superb job of tracing the ins and outs of Hollywood's gang world in the 1940s and 50s *The Wall Street Journal* *Lost Illusions* David A. Cook, 2002-03-15 This volume examines the development of film and the film industry during the 1970s and the political and economic background that influenced it **Media Moguls** Michael Palmer, Jeremy Tunstall, 2006-10-19 The emergence of a few powerful individuals in control of large sections of mass communication industries has coincided with world wide media de regulation In the first book to take a close look at media moguls as a species Jeremy Tunstall and Michael Palmer show how a handful of own and operate entrepreneurs run their empires with a highly eccentric and highly political management style Individuals such as Berlusconi Berlusconi and Murdoch in France Germany Italy Britain and the US are considered in the context of the changing European media industry The book considers other non mogul trends the emergence of a European media policy and a European US Japanese world media industry Additional case studies focus on Reuters as a news and data super agency and the part played by advertising and other media lobbies in shaping media policy **Hearings, Reports and Prints of the Senate Select Committee on Small Business** United States. Congress. Senate. Select Committee on Small Business, 1979 **Business Vocabulary in Use Intermediate with Answers** Bill Mascull, 2010-02-25 Business Vocabulary in Use includes 66 easy to use units with vocabulary items presented and explained on the left hand pages and a range of practice exercises on the right hand pages It also includes a comprehensive answer key The book covers a huge range of business topics including jobs people and organisations production marketing finance and the economy and business culture Learners will develop essential business communication skills focusing on the language used for meetings negotiations and presentations *I Like What I Know* Vincent Price, 2016-10-18 Published in 1959 this book is what Vincent Price called his visual autobiography the story of his life through his 48th year as seen through the lens of his greatest passion the visual arts Peppered with lively stories about both his art collecting and advocacy as well as his career as an actor *I Like What I Know* is written in an approachable and entertaining style capturing what has drawn fans to Vincent Price

throughout his distinguished 65 year career and in the two decades since his death in 1993 *TV Format Mogul* Albert Moran, 2013-01-06 Since the late 1990s when broadcasters began adapting such television shows as Big Brother Survivor and Who Wants to Be a Millionaire for markets around the world the global television industry has been struggling to come to grips with the prevalence of program franchising across international borders In *TV Format Mogul* Albert Moran traces the history of this phenomenon through the lens of Australian producer Reg Grundy's transnational career Program copycatting Moran shows began long before its most recent rise to prominence Indeed he reveals that the practice of cultural and commercial cloning from one place to another and one time to another has occurred since the early days of broadcasting Beginning in the late 1950s Grundy brought non Australian shows to Australian audiences becoming the first person to take local productions to an overseas market By following Grundy's career Moran shows how adaptation and remaking became the billion dollar business they are today An exciting new contribution from Australia's foremost scholar of television *TV Format Mogul* will be a definitive history of program franchising **Columbia Pictures** Bernard F. Dick, 2021-10-19 Drawing on previously untapped archival materials including letters interviews and more Bernard F Dick traces the history of Columbia Pictures from its beginnings as the CBC Film Sales Company through the regimes of Harry Cohn and his successors and ending with a vivid portrait of today's corporate Hollywood The book offers unique perspectives on the careers of Rita Hayworth and Judy Holliday a discussion of Columbia's unique brands of screwball comedy and film noir and analyses of such classics as *The Awful Truth* *Born Yesterday* and *From Here to Eternity* Following the author's highly readable studio chronicle are fourteen original essays by leading film scholars that follow Columbia's emergence from Poverty Row status to world class and the stars films genres writers producers and directors responsible for its transformation A new essay on Quentin Tarantino's *Once Upon a Time in Hollywood* rounds out the collection and brings this seminal studio history into the 21st century Amply illustrated with film stills and photos of stars and studio heads Columbia Pictures is the first book to integrate history with criticism of a single studio and is ideal for film lovers and scholars alike
